

Phoenix Rising - 5/9/23

Your light is powerful
So powerful that it will heal all wounds
Choose now sweet soul
Your birth into your light

Rise now from the ashes
Open your wings and spread them wide
To Fly Freely...
Trusting each moment to guide you.

You are vast and magnificent
You are bright and serene
You are so beautiful just as you are
Let Grace support your flight

Rise knowing you are held IN LOVE
Rising from the ashes into Eternity.....
