The Village offers you the very best in maintenance-free living

We'll take care of the work associated with home ownership such as landscaping and lawn maintenance, exterior and interior home maintenance, window washing and housekeeping.

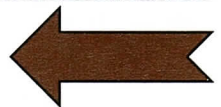

We will even check your home while you are away on vacation or visiting family!

If you live at Palo Duro Village, scheduled transportation will be available to attend WTAMU planned social, recreational and cultural events.

Of course, shopping and medical care are just minutes away, and the Assisted Living is just a few steps from your front door.
