

Thank You for joining us at
The Spotlight Dinner Theatre

HAPPY
Mother's Day

Welcome to The Spotlight Dinner Theatre!

We are so thrilled that you have joined us today at The Imperial Banquet Hall at Tampa Bay Kitchen in Clearwater, Florida.

Years ago, I had a vision of bringing together businesses, venues, charities, and creative arts industry professionals for events which would be mutually beneficial. Everything was ready . . . and then the Pandemic hit and our industries were shut down completely. We are just now returning to do everything we love to do. With my amazing Team of Elite Industry professionals, what you will experience today is just the beginning of every bit of those sweat, blood, and tears coming to fruition.

Please take time to take a professional photo with your loved ones and spend some time with our vendors. Take their cards and follow their social media - small biz is the heart of America.

Now, sit back, spend some time with your loved ones as you enjoy your meal and sip your favorite beverage. It's almost showtime!
