The Mission: Infiltrate a Black-Tie Event and extract the smuggled gold and diamonds before they are removed from the country by an international smuggling ring.

Date: Friday, August 27th from 18:00 to 22:30 EST

Destination: Wild Rover Brewing Company, Tampa, Florida

Should you choose to accept this mission, you must take on the persona of an upscale guest at the party so no one suspects your identity:

Expect an immersive experience as you enter an exquisitely decorated room filled with men dressed in black-tie and women in provocative evening wear. Do NOT create a romantic liaison with any guest as Double Agents are everywhere.

Martinis will be flowing in unison with an elegant menu. You will find an antidote in your cuff links, should someone spike your drink.

The Tap Snap Photo Booth will be taking photos of all of the guests. Be sure to have the photographer send a digital file to Q.

Spend ample time at the Casino Royale playing poker, Blackjack, and roulette. We expect our enemies to be high-rollers.

Finally, pay careful attention to the entertainers. It is likely that the enemy is hiding among the cast and crew.

You, the other MI Operatives and the Enemies will be attending as one of the following:

- A Company Sponsor with Preferred VIP Seats
- A VIP Goldfinger Ticket Holder with Preferred VIP Seats
- A Diamonds Are Forever General Admission Ticket Holder with Reserved Seating

Your Ticket includes: An Elegant Four-Course "007" Themed Dinner; *Casino Royale* with Blackjack, Poker, and Roulette (Casino Chips extra); taking as many photos as you like with your date, friends, or our Surprise Guests with our custom 007 backgrounds and digital props (both digital and printed) at our *Live and Let Die* Tap Snap Digital Photo Booth; and Live Entertainment from *A Night with 007 Orchestra* featuring *KathySings4u*, *Mayven Missbehavin'* and *The Bondettes* and Special Guests.
