

# GET IN THE GAME!

## Become a Corporate Partner Today

With over 24,000 sqft. of play area, a comfortable lobby, locker rooms, saunas, meeting space, and dedicated strength training space, the Camp Hill Sports Center (CHSC) is the area's premier training facility dedicated to competitive youth sports.

CHSC is the training home of Central PA's most recognized Youth Sports Programs:

*Fusion Volleyball Club, Central Penn Field Hockey Club, West Shore Hoops Association & Mid-Penn Motion Basketball*

CHSC sees over 1,500 athletes (ages 5-60+) and their families enter the facility for practice and/or competition each year. If your business is looking to market to customers in the youth sports industry, then CHSC is the venue to connect your brand to the people with the means and desire to buy (sports moms, teens, and families)!

We are looking to develop a few strategic partnerships that would mutually benefit the Camp Hill Sports Center, the sponsor and our athletes.
