Corporate Gifting Program

A better way...

Since 2012, Mizzen+Main has redefined menswear with clothes that feel like athletic wear and look like tailored fits. By combining performance fabrics with modern silhouettes, we create styles that look great and feel even better.

As more and more people try on their first piece of Mizzen+Main —whether it's a dress shirt, polo, pants, or a pullover—they're creating a relationship with a brand that not only understands them, but exists to make them (and their wardrobes) a little more comfortable.

Here's what you should know.

For ten years, professional accountants and professional athletes alike have worn our shirts, pants, polos, and pullovers, all while saying that once they tried Mizzen, they couldn't imagine going back to anything else.

We're committed to creating a partnership that helps you serve your customer. Our account representatives are the best in the business and they're here to make sure you always have what you need when you need it.

"I am very happy with all my Mizzen+Main clothes. They fit and look great, are super comfortable, hold their shape and color with no dry cleaning. Well worth the price."

About Our Stores

Originally started as an online-only DTC brand, Mizzen+Main now has ten stand-alone retail stores and over six hundred wholesale partners, including Nordstrom.

As a whole, Mizzen+Main has tapped into a movement of men, young and old, who are tired of sweat-stained and wrinkled dress shirts. And with tens of thousands of five-star reviews, that group is only growing.
