

# **A Better Way**

Since 2012, Mizzen+Main has redefined menswear with clothes that feel like athletic wear and look like custom tailored fits.

By combining performance fabrics with modern silhouettes, we create styles that look great and feel even better.

As more and more people try on their first piece of Mizzen+Main —whether it's a dress shirt, polo, pants, or a pullover—they're creating a relationship with a brand that not only understands them, but exists to make them (and their wardrobes) a little more comfortable.

Look good. Play good. Every athlete knows this.

Now, we're giving that same feeling to everyone else.

Because out of comfort comes confidence. And out of confidence comes a better way to go into work, the weekend, and everywhere in between.

All it takes is one wear and we promise your customer will never go back.

# On the clock.

Work shouldn't be uncomfortable. Here at Mizzen+Main, we believe you don't have to sacrifice comfort and performance for professional style. Look great, feel even better.

# Off the clock.

Oh yeah, we do more than just dress shirts. Whether you're looking to add some comfort to your night out or long weekend away, take Mizzen+Main wherever your out of office hours find you.

# **SS24 Inspiration**

From city life to the desert coast, our SS24 line explores the movement between the hours on and the hours off. The tones and textures of this season are drawn from the gridded nature of the city to the geography of the desert.

What does it mean to retreat? How are we able to recharge in our time away to better prepare us for when we return?

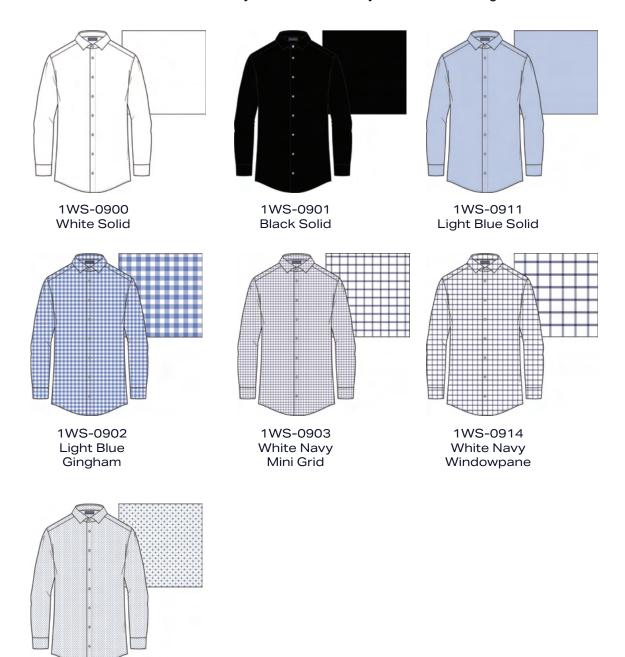

This year we are exploring the benefits of getting away while also becoming comfortable enough to be still.

**Core**Available all season.
