Dear Vendor,

Gears-N-Grub is currently seeking vendor applications for the 2020 event. MANY changes are being made for this year's event. We have more than tripled the budget to bring in better entertainment, roaming entertainers, and so much more. Things that Erie has never seen before. We'll be kicking the weekend off with a laser light show set to music Friday night.

The advertising for this event has already started in National motorcycle magazines, and web sites. A lot of excitement and momentum is building to make this a record event.

We are adding several Poker Runs, Custom Bike Show, Light Up the Night Bike Show, Walking Poker Run, Circus Side Shows, Stunt Shows and SO much more

Space is very limited, and they will sell out quickly. We will not be duplicating. By returning your application does NOT reserve your space. Space will not be held.

Please make checks or money orders to Gears-N-Grub.

Looking forward to seeing you in July

Sincerely,

Preston Devenney
