Dear Vendor,

Gears-N-Grub is currently seeking vendor applications for the 2020 event. MANY changes are being made for this year's event. One of the biggest changes is to a larger location at the Erie County Fairgrounds, which also offers on-site camping and will become the permanent home for Gears-N-Grub. We are super excited about the possibilities of this location.

The budget has expanded to bring in more entertainment, including roaming entertainers like fire breathers, sword swallows, along with an all-woman high wire motorcycle stunt show, new biker games, poker runs, and so much more. Things that the area has never seen before. We'll be kicking the weekend off with an outdoor Spectacular Laser Light show set to music with Pink Floyd tribute band Friday night.

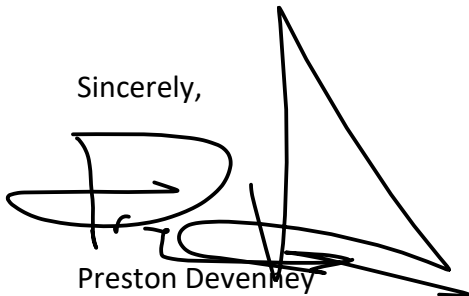

A lot of excitement and momentum is building to make this a record event. The advertising for this event has already started in National motorcycle magazines, and the web.

We do not give exclusives to vendors, but we also don't flood the show with the same type of merchandise. By returning your application does NOT guarantee your space. Space will not be held.

Please make checks or money orders to Gears-N-Grub. Payment also can be paid by PayPal or Credit Card by contacting our office.

Looking forward to seeing you in July

Sincerely,

Preston Deveney
