

Hello! This is an application form to become an ambassador for Alleyway Crystals! Becoming an ambassador opens opportunities to collaborate with AWC in ways like: promotional photos/videos, early access to stock, exclusive discount codes for your followers (and big discounts for you!), modeling opportunities and so much more!

After filling out and submitting this finished application via the custom form webpage on alleywaycrystals.com, you will be contacted via email regarding your application. Not everyone will be a perfect fit, so only a few spots are available at a time.

YOU MUST BE OVER THE AGE OF 18 TO BE AN AMBASSADOR.

BY SUBMITTING THIS FORM, YOU ARE AGGREEING TO THIS STATEMENT.

AMBASSADOR REQUIREMENTS

You will need to meet some basic requirements in order to be an ambassador! These include:

- Have a strong social media presence!
- Must be over 18!
- Be creative!
- Create your own quality media content!
- Have an audience similar to AWC (e.g., young, spiritual, expressive etc.)
- Be reliable and consistent!
- Have good communication skills!
- Being featured on our public socials and website!

As you will be a direct representation of my business, I will need reliable ambassadors who are savvy with time management and will meet deadlines. We here at AWC are pretty relaxed, but we will need things done by certain dates to ensure engagement and content is strong. Here are some of the more professional requirements to become an ambassador:

- Make social posts by the required date/time.
- Fulfill tasks required for socials (e.g. recording content, editing content, etc.)
- Have reasonable time management.
- Be respectful of our staff.

As this arrangement is for mutual benefit, we here at AWC would like it to be a fun and exciting experience more than a business exchange. These requirements are in place to ensure that the job is getting done to a professional level, so that the rest can be an easy and enjoyable time!

If these requirements aren't adhered to (e.g., not posting on time, being unreliable, bad communication etc.), unfortunately we will have no choice but to remove you as an ambassador. As a small business, effectiveness in marketing and advertising is a major aspect of what keeps us rolling! By becoming an ambassador, you understand the importance of your role and strive to perform as best as you can.

Brisbane applicants are preferred as that's where AWC is based, but everyone is invited to apply!
