Welcome!

The National Championships is typically held every year with the goal of selecting the top martial arts athletes to represent Canada in International Events and Competition. After a 2 year hiatus as a result of the pandemic, we are excited to bring back the event in the beautiful City of Thunder Bay with the support of both the City and the Provincial Government. The event will involve over 500 participants throughout a 3 day period and will incorporate a Kung Fu Master's Gala Show to kick it off. This year's competition will select National Team athletes for 2022-23 and will pre-qualify additional athletes for 2024 International events. The Wushu competition offers medaling opportunities in male and female categories in different age groups through a select number of Taolu, Sanda (free fighting), Taiji and Traditional Kung Fu events.

During the competition the athletes will showcase Wushu to many who have never seen it before or seen it in person. We hope to intrigue the audiences through the athleticism and abilities of the athletes and display the competition format and different sporting elements of Wushu.

All of Canada is very proud of the accomplishments of Wushu athletes and coaches across Canada as we welcome official PSO bodies in Alberta and British Columbia; it is a big step forward in promoting and developing the sport in the country. This edition of the National Championships will strive to continue the growth and passion towards the martial art of Wushu and we look forward to your participation and success.
