

HELLENIC OLYMPIC COMMITTEE

National Council of Sports Science and Physical Education

Athens, 23rd April 2020

Dear Sirs,

The Hellenic Olympic Committee wishes to express its satisfaction that the National Council of Sports Science and Physical Education organised the virtual international conference on sports for development and peace.

The conference dealt with a wide variety of current topics on sport, development and peace enhancing the role that sports can play in today's society.

Moreover, we are happy that the HOC was given the opportunity to have a delegate in the conference, the Olympian Mrs Sofia Papadopoulou who outlined her vision for an inclusive world.

Congratulations on your initiative.

Spyros Capralos
HOC President
