Deposit & Application

Application Fee: $75 per child (non-refundable)
Enrollment Deposit: $1,000 per child (non-transferable)
The enrollment deposit secures your child's space in their program and demonstrates a commitment to enrollment.

30-Day Trial Period:
The first 30 days of enrollment are considered a trial period for both the family and Two Roots. If either the family or the school determines during this time that enrollment is not the right fit, 50% of the deposit will be refunded, provided the account is in good standing. Tuition is non-refundable.
Use of Deposit for Final Month of Enrollment:
If your child remains enrolled beyond the trial period, the deposit will be applied to your final month of tuition, provided written notice of withdrawal is submitted by the 23rd of the month prior to your child's last month of attendance.
Re-Enrollment & Deposit Rollover:
We ask families to provide notice of re-enrollment for the upcoming academic year by the announced re-enrollment deadline. When this notice is received and your child remains continuously enrolled, your deposit will roll over to the following year. There is no additional deposit required at the time of re-enrollment.
No Proration Policy:
Tuition is not prorated for partial months due to withdrawal, schedule changes, absences, illness, vacations, or school closures within policy.
If written notice is not received by the 23rd of the month prior to your intended last month, the deposit will be forfeited.

Billing

Tuition for all programs is to be paid 7 days prior to the following month, every month of the year. Tuition is paid through our family portal, Lillio. Payment is not accepted on site. Invoices are sent out automatically through Lillio 10 days prior to the upcoming month.
