

IN CASE OF INJURY OR ILLNESS AT WORK

1

Get medical help

Your employer is responsible for providing first aid. Go to the doctor or hospital if you need treatment. Your employer pays for your transportation.

2

Document

Tell your employer about your injury or illness. They investigate and keep a record of what happened.

3

Report to the WSIB

Employers must tell us within three days if an injury or illness happens. You can report by submitting Worker's Report of Injury/Illness (form 6).

4

Work together

We work with you and your employer to help you recover and return to work safely and at the right time.
