Director Bios

Bryan Blanks (Director) is the Assistant Director for the Peoria Area Performing Arts School. Bryan also works as the full-time District Theatre Director at Pleasant Valley School District. He has also served for the past 13 years as the theatre program director for St. Vincent dePaul School. As a director, Bryan most recently directed *Oklahoma*, *Les Miserables* and *Shrek Jr.* for PAPAS and *Bridges of Madison County* at Corn Stock Theatre. He would like to thank Dedra Kaiser for being the extremely dedicated and hardworking director of this studio. In Bryan's words, "I'm always happy to work with you, Dedra, and have you as one of my best friends." As with every production he directs, Bryan would like to dedicate the show to the late Carol Wake. Bryan states, "I know Carol would be so proud of the work these kids are doing and that this story is still being told. 'Any Dream Will Do'"

Alison Meuth (Music Director) is a singer, voice teacher and music director in the Peoria area. Alison spent 15 years as a professional singer and now spends her days teaching the next generation of professionals. Alison spent her career touring the country as an opera singer and continues to perform in Opera, Oratorio, and Musical Theater throughout Central Illinois. Alison lives in Peoria with her beloved husband, Jeremy, and together they are blessed to have three adult children. They are Alison's biggest supporters, and she wouldn't be able to work in the arts without them. Alison is thrilled to work with Bryan and the PAPAS team. Educational theater is one of her greatest passions!

Erin Pantages (Stage Manager) is a 7th grade Reading teacher at Pleasant Valley Intermediate School. She has stage managed many shows including *Shrek, Jr.*, *Les Miserables*, and *High School Musical*. Her favorite things are candy, cookie dough blizzards, sharks, and playing hangman with her best friend at rehearsals.

Jerrad Kaiser (Accompanist) is just happy to be here and partaking in his favorite hobby! He's been an accompanist since high school and was lucky enough to be the only person who wanted to play the piano at his engineering university in Missouri (MS&T). After graduating and coming to CAT, he thought he would never play for another musical again, but luckily the Caterpillar Chorus, PPT, Corn Stock, and now PAPAS have given him many chances to perform again. Thanks!

Thank you to the following people who donated toward our "Any Dream Will Do" campaign, an effort to promote diversity in the arts. This show would not have been possible without you!
