

ALLY ACUTUS

Hi! I'm Ally Acutus, an American Crocodile from Belize. I live on the islands or along the coast as I love being near the sea. I can get as big as 14 feet, and eating fish and crab is definitely my favorite treat! I'm quite shy and timid of humans, and mean no harm. So if you see me, please don't be alarm! I'll swim away as fast as I can, and maybe even try to catch the next wave- surf's up my friend!
