

Be a Croc Champion!

Back in the days of the ancient Maya civilization crocodiles were highly respected as an important part of the natural world. Now as human encroach into their habitat they need your help to survive. Here are ways you can ensure coexistence.

- Don't feed crocodiles or any other wildlife.
- Do not buy wildlife products it is illegal in Belize.
- Don't tease crocodiles or any other animals.
- Don't destroy mangroves, that's the habitat for many animals in Belize.
- Don't crocodiles and other wildlife has pets.
