## GETTING STARTED!

- Download the US Supercharge App (App Store / Google Play)
- Enable notifications for real-time charging updates
- Add a payment method (**standard \$30 pre-authorization hold applies**)

## START CHARGING – TWO EASY METHODS

### To Start at the Charger – Scan the QR Code (Fastest)

- Scan using the app scanner or your phone camera
- *If the app isn't installed, you'll be prompted to download it*
- Confirm charger number → plug in → tap Start Charging

OR

### To Start Remotely – Use the In-App Map

- Open the app and view nearby US Supercharge stations
- Select station → choose charger → confirm number
- Plug in and tap Start Charging

## DURING CHARGING

- Track speed (kW), percentage, cost, and time remaining
- Receive live updates via notifications
- Verify charging through your vehicle's app

## ENDING YOUR SESSION

- Open the app → tap End Session
- For DC fast chargers, wait for connector unlock
- Unplug, holster the cable, and view your receipt in the app

**Note:** If charging stops unexpectedly, unplug and re-plug or contact support through the app
