

~ Entrepreneurs ~ Small Business owners

Does this describe your business?

- Not enough hours in the day
- Improvement ideas pile up, but lack implementation
- Operations and organization do not scale for growth
- Competitive pressure builds up rapidly
- Strategizing is always pushed out to “another time”
- “Long-term” planning has a one month horizon at best

The solution

Task-oriented business services

AVINNOVATION Consulting LLC assists growth-oriented entrepreneurs like you to be even more successful and productive by finally realizing your critical yet lingering projects and initiatives, one task at a time.

- Project Management
- Operations improvement
- Strategy & Planning
- Business Technology decisions
- Vendors negotiation & management
- Organizational consulting
- MS OFFICE suite projects
- Business & management consulting
- Process optimization
- Marketing
- Solutions alternatives evaluation
- Short-term or long-term projects
- Market research
- Web, Social Media, e-marketing
- And more...

- ✓ *YOU decide the project scope and know upfront the total required investment*
- ✓ *YOU know what you would get at each checkpoint or milestone*
- ✓ *YOU do not need to make any binding, long term commitment*
- ✓ *YOU get personal, attentive service and counseling at any project scale*

I look forward to discussing your needs with you. Please contact me today at: service@avinnovation.net or **224-565-9841**

Yours, Aviel Vaister
