1. Introduction

Welcome to the Practical Driving Assessment (PDA) Online booking service.

'PDA Online' is an internet application developed by the Department of Transport (DoT), Driver and Vehicle Services (DVS) business unit. It gives users the opportunity to search for vacancies, select, confirm, change or cancel a PDA booking, at their convenience.

The online service is a great option for PDA applicants and is also expected to assist in reducing congestion in DVS centres and agencies.

2. Accessing PDA Online

PDA Online is available to eligible users through any internet connection. The Transport website supports a number of commonly used web browsers. PDA Online can be accessed using the following internet browsers.

- Google Chrome
- Mozilla Firefox
- Microsoft Edge
- Opera
- Apple Safari

PDA Online can also be accessed from phone and tablet devices.

Eligible users are typically applicants holding a learner's permit and their driving instructors.

2.1 Exclusions

Some applicants will not be catered for in PDA Online, due to the complexities associated with their particular circumstances.

These include applicants with:

- Licence sanctions.
- A medical condition.
- An extraordinary licence application.
- A conditional licence application.
- A HC (heavy combination) or MC (multi combination) application.

Applicants meeting these exclusion conditions can telephone 13 11 56 or visit a DVS centre, DoT regional office or authorised agent to conduct PDA booking transactions.

2.2 Application Access

PDA Online can be accessed using the following link from the DoT website:

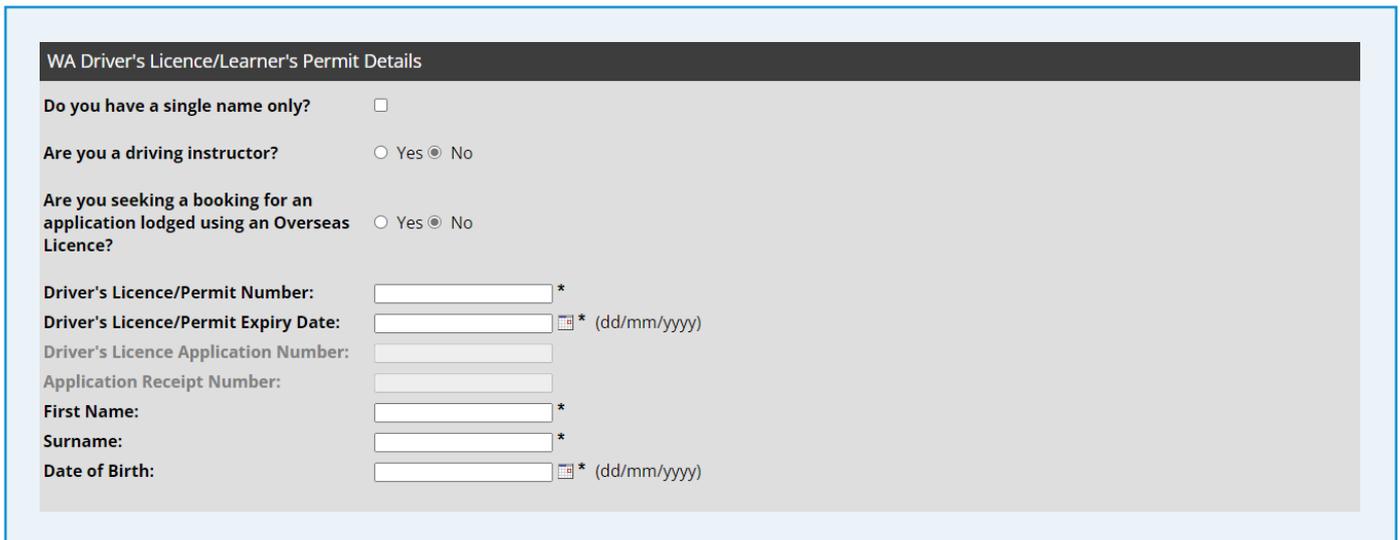

<https://online.transport.wa.gov.au/pdabooking/manage/>

It is recommended that once users navigate to the login page, they bookmark the link and add it to their browser favorites menu.

3.3 Commands

The PDA Online application contains a number of command buttons.

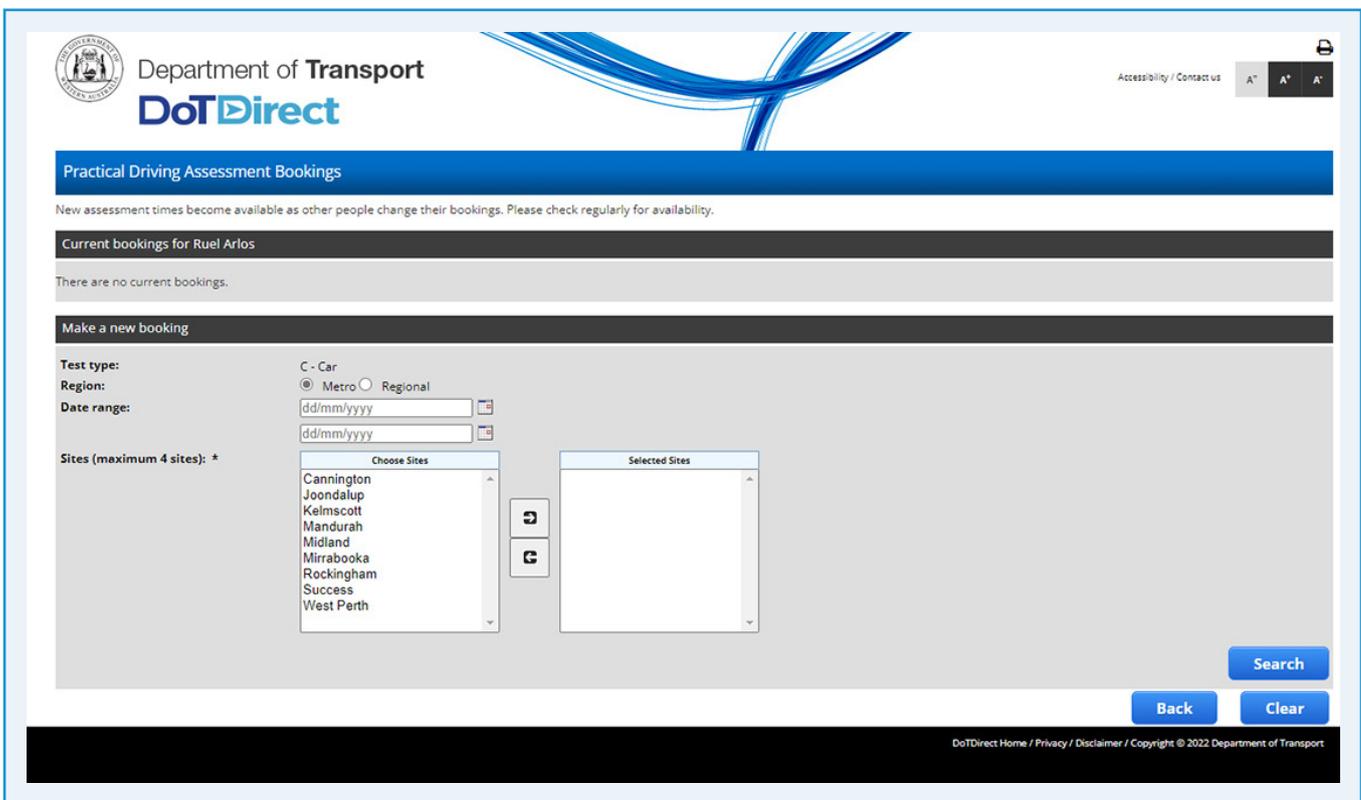

When logged in, always use the command button on the application screen.

To reduce the likelihood of issues occurring, users should beware of using browser commands (such as the forward or back buttons).

3.4 Searching for a vacancy

Make a new booking

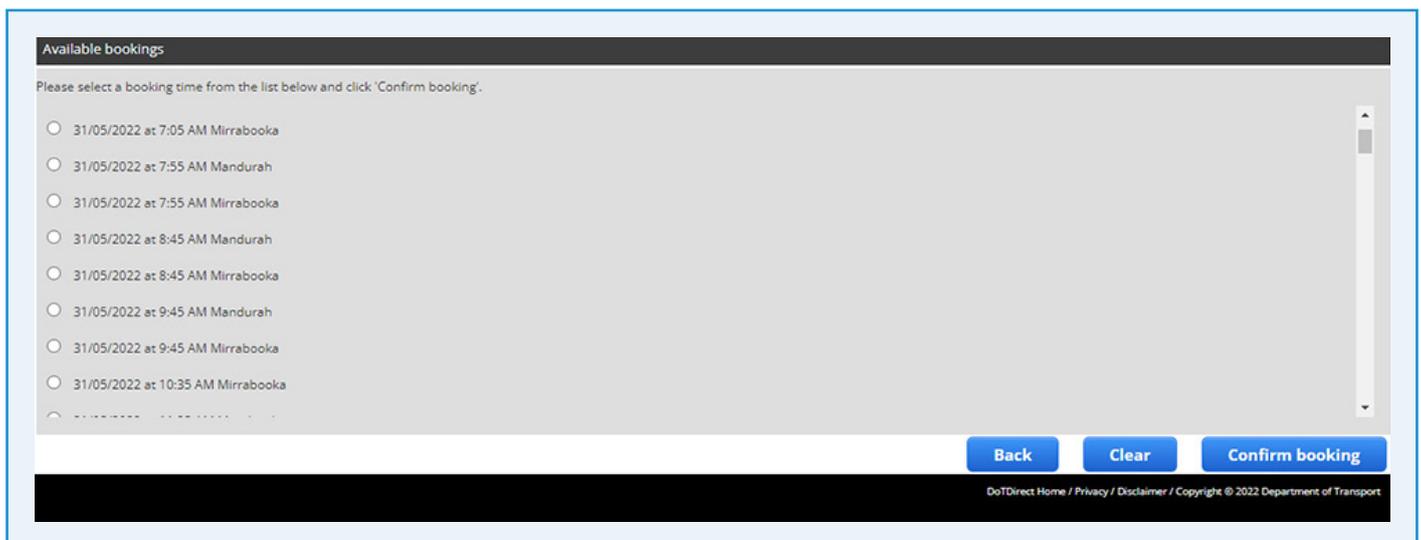

Select either the Metro or Regional radio button, and then choose the date range for your search or you can select from date only. The user can now choose up to four sites to search. The sites you see in the list will typically provide the PDA service for your class of licence. If your desired site is not in the list, this could be because:

- PDA's for your class of licence are not available at that site;
- PDA's are not conducted at that site at all; or
- Some regional agency sites offer limited licensing services, and their PDA bookings are not available online. If your regional agent is not listed in PDA Online, you will need to contact them directly for PDA booking enquiries. The contact details are available on the DoT Regional Agent's page.

Available bookings

The first nine vacancies available at your chosen site(s) will display, in date and time order.

The screenshot shows a web interface titled "Available bookings". Below the title, there is a instruction: "Please select a booking time from the list below and click 'Confirm booking'". A list of nine booking options is displayed, each with a radio button and text indicating the date, time, and location. The options are:

- 31/05/2022 at 7:05 AM Mirrabooka
- 31/05/2022 at 7:55 AM Mandurah
- 31/05/2022 at 7:55 AM Mirrabooka
- 31/05/2022 at 8:45 AM Mandurah
- 31/05/2022 at 8:45 AM Mirrabooka
- 31/05/2022 at 9:45 AM Mandurah
- 31/05/2022 at 9:45 AM Mirrabooka
- 31/05/2022 at 10:35 AM Mirrabooka
-

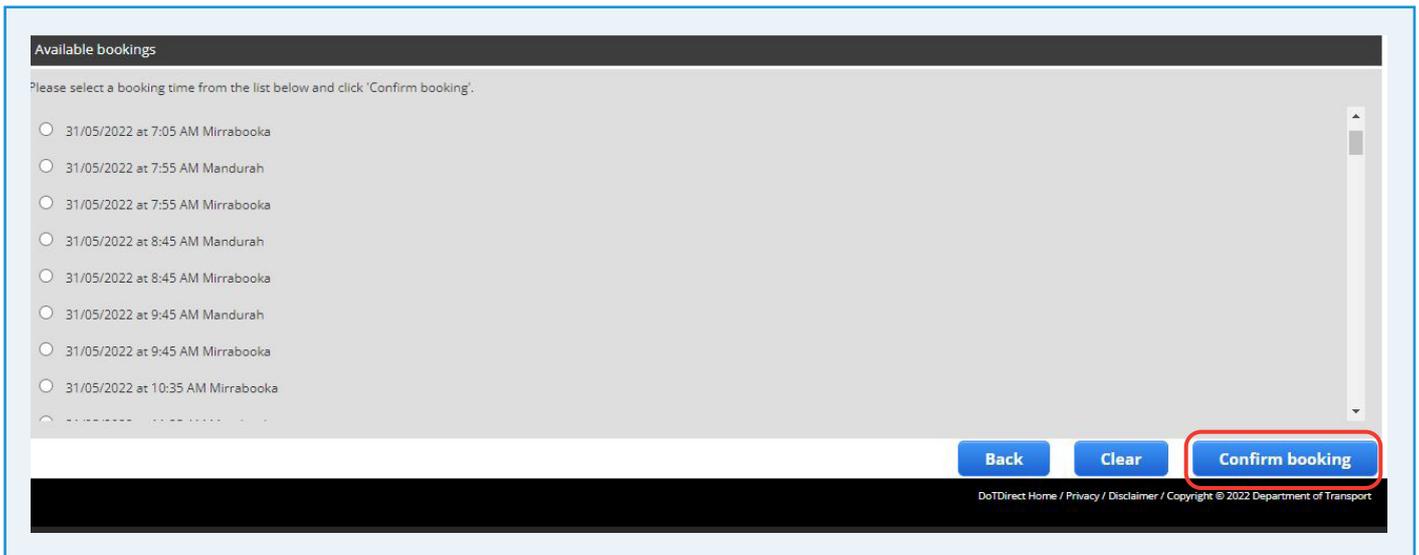

At the bottom right of the interface, there are three buttons: "Back", "Clear", and "Confirm booking". At the very bottom, there is a footer with the text: "DoTDirect Home / Privacy / Disclaimer / Copyright © 2022 Department of Transport".

Points to note:

1. Although you may hold a licence or permit and can access PDA Online, you will not be able to book an assessment unless you meet the age, eligibility, and experience requirements. For example, if you hold a learner's permit for an R (motorcycle) class, you must have held the R-E licence for at least one year, so when searching for a booking you must select a test booking date that is at least 1 year after the issue of your R-E licence.
2. You may not see the same search results as someone else because of the licence class eligibility and experience requirements for different customers. The vacancies displayed are also subject to DVS resource availability.
3. It is important to note that others (including DVS staff) may be using the booking system at the same time, and possibly selecting the same vacancies you may see after a search.
4. The first user to select a vacancy and click confirm, will secure the booking. If another user secures the booking that you were looking at, but had not as yet secured, you will be prompted to select an alternate vacancy.
5. The bookings made via the internet are held in the same database as bookings made by staff at DVS centres and agents as well as the Customer Contact Centre. It is a live system that interacts seamlessly, internally and externally.
6. It is also possible to manage any existing bookings via PDA Online. If you have an existing future booking, it will be displayed when you log in and you can make appropriate changes.

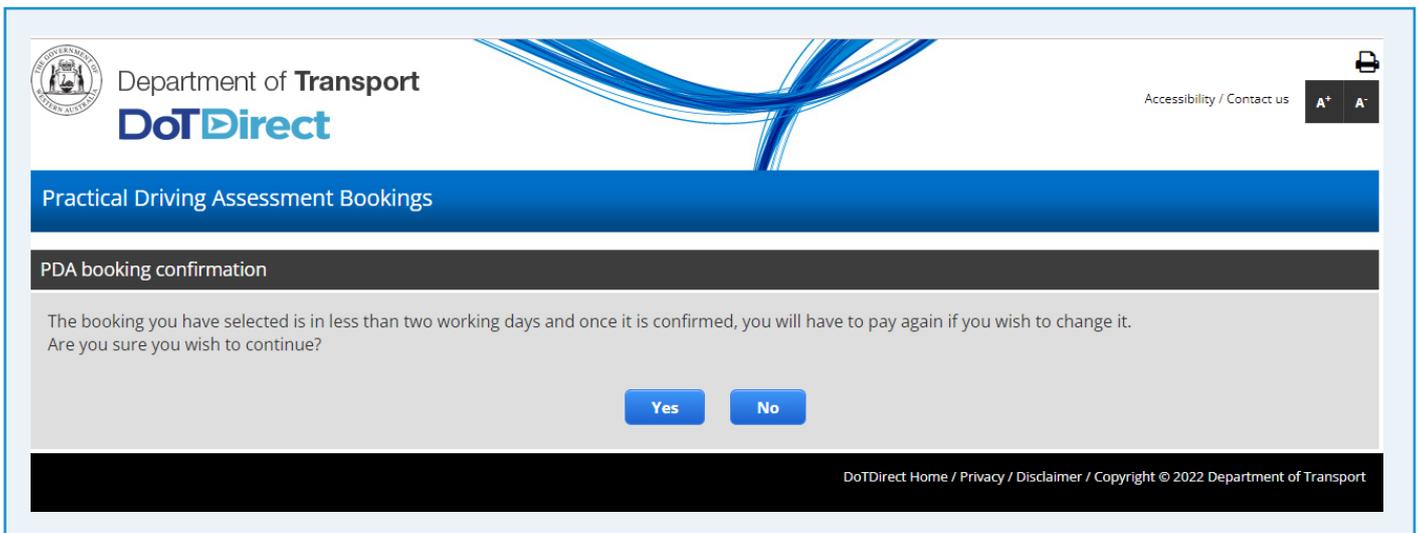

3.5 Selecting a vacancy

Select the vacancy you would like to book and click 'Confirm Booking'.

Important note:

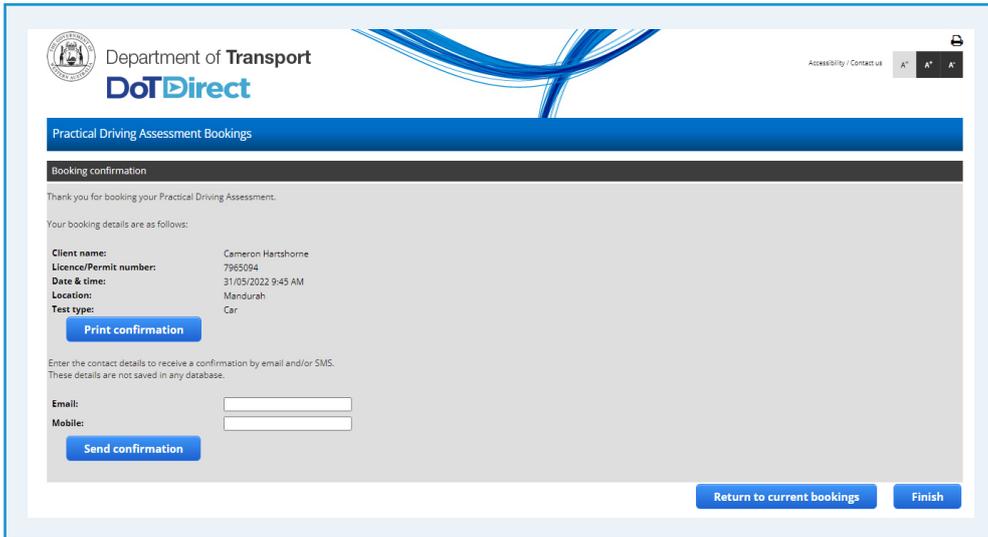

If you select and confirm a vacancy that is within two working days, you will not be able to change or cancel that booking without losing your test entitlement. If you decide to proceed and make the booking, a warning will appear on the screen.

Select 'Yes' if would like to proceed or 'No' to cancel the confirmation.

3.6 Confirmed booking

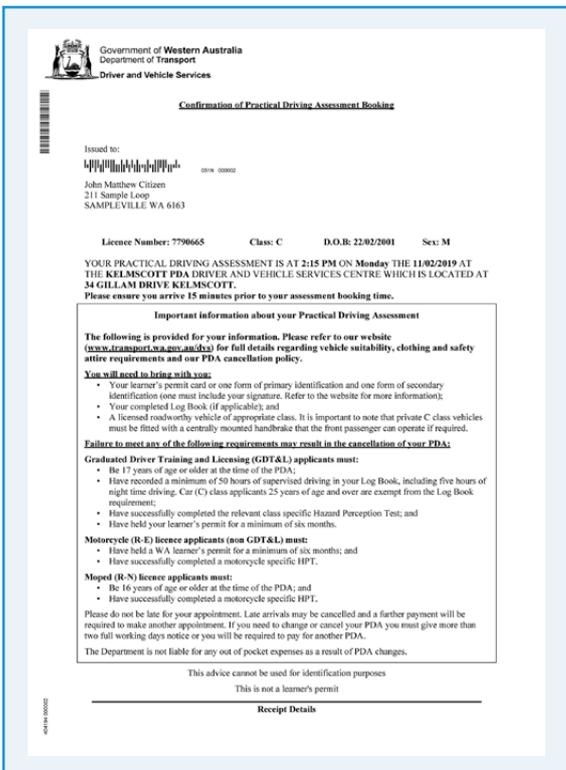

Your booking will be displayed. You can print your booking confirmation and send electronic notifications from this page.

3.7 Printing the Booking Confirmation

Click the Print Confirmation button. After a few moments, the booking confirmation will be displayed as a PDF for printing.

It is recommended that you print or save your booking confirmation for future reference.

Many of our forms and documents are in PDF format.

If you do not have Adobe Acrobat Reader installed on your device, it may be downloaded from Adobe® at the following internet page:

<https://get.adobe.com/reader/>

Transport is not responsible for external links and is unable to offer software or computer support.

3.8 Electronic notification

PDA Online can send you a short message (SMS) and/or email to confirm your booking transaction.

If you select the email option, the booking confirmation will be attached as a PDF. For SMS confirmations, you will receive a short text message confirming your licence number, test location, date and time.

The screenshot shows the 'Booking confirmation' page on the Department of Transport DoT Direct website. The page header includes the Department of Transport logo and 'DoT Direct' branding. A blue banner at the top reads 'Practical Driving Assessment Bookings'. Below this, a section titled 'Booking confirmation' contains the following text: 'Thank you for booking your Practical Driving Assessment. Your booking details are as follows:'. The booking details are listed as follows:

Client name:	Cameron Hartshorne
Licence/Permit number:	7965094
Date & time:	31/05/2022 9:45 AM
Location:	Mandurah
Test type:	Car

Below the details is a blue button labeled 'Print confirmation'. Further down, there is a section for contact details: 'Enter the contact details to receive a confirmation by email and/or SMS. These details are not saved in any database.' This section includes input fields for 'Email:' and 'Mobile:', each followed by a blue button labeled 'Send confirmation'. At the bottom right of the page, there are two blue buttons: 'Return to current bookings' and 'Finish'.

To use the electronic function, enter a valid mobile telephone number and/or email address. Then click the 'Electronic Notification' button.

The notification should be sent immediately. At times there may be a slight delay in you receiving it, due to third party systems (for example, phone carrier and/or internet service provider).

3.9 Current booking

From the Booking confirmation page, select Return to Current Bookings. The following page will display.

The screenshot shows the 'Current bookings' page on the Department of Transport DoT Direct website. The page header includes the Department of Transport logo and 'DoT Direct' branding. A blue banner at the top reads 'Practical Driving Assessment Bookings'. Below this, there is a message: 'New assessment times become available as other people change their bookings. Please check regularly for availability.' The main section is titled 'Current bookings for Cameron Hartshorne' and contains a table with the following data:

Test Type	Date & Time	Site	
C - Car	31/05/2022 9:45 AM	Mandurah	Change Cancel booking Print

Below the table is a section titled 'Make a new booking'. This section includes a 'Test type:' dropdown menu, a 'Region:' section with radio buttons for 'Metro' and 'Regional', and 'Date range (optional):' fields with date pickers. There are also 'Choose Sites' and 'Selected Sites' dropdown menus, and a 'Search' button. At the bottom of the page, there are 'Back' and 'Clear' buttons.

You can return to this page at any time by logging in to PDA Online before your assessment. From this page you can:

- Change your booking by searching for another vacancy;
- Cancel your booking; and
- Print your booking confirmation.

The Search Availability button is inactive if you already have a booking.

You must select 'Change' to search for a new vacancy.

Bookings confirmed within two working days

If you return to your Current Bookings page, and the booking you made is within two working days, the Change button will be inactive.

The screenshot displays the 'Practical Driving Assessment Bookings' interface. At the top, it identifies the user as 'Cameron Hartshorne' and shows a table of 'Current bookings'. The table has three columns: 'Test Type', 'Date & Time', and 'Site'. A single booking is listed for 'C - Car' on '31/05/2022 9:45 AM' at the 'Mandurah' site. To the right of this row are three buttons: 'Change', 'Cancel booking' (which is highlighted with a red circle), and 'Print'. Below the table is a 'Make a new booking' section. It includes a 'Test type' dropdown set to 'C - Car', a 'Region' section with 'Metro' selected, and two 'Date range (optional)' fields. The 'Sites (maximum 4 sites)' section features a 'Choose Sites' list with options like Cannington, Joondalup, Kelmscott, Mandurah, Midland, Mirrabooka, Rockingham, Success, and West Perth. There are also 'Selected Sites' and 'Back', 'Clear', and 'Search' buttons at the bottom of the form.

At this point, if you wish to change your booking, you must cancel it, and you will be required to pay again before searching for a vacancy (see page 9, Important note).

Bookings that are within two working days cannot be changed but can be cancelled. A new fee will apply to re-book.

3.10 Change a booking

The screenshot shows the Department of Transport DoTDirect website. At the top left is the logo and name 'Department of Transport DoTDirect'. At the top right are links for 'Accessibility / Contact us' and font size controls. Below the header is a blue bar with the text 'Practical Driving Assessment Bookings'. A message states: 'New assessment times become available as other people change their bookings. Please check regularly for availability.' Below this is a section titled 'Current bookings for Cameron Hartshorne' containing a table with columns 'Test Type', 'Date & Time', and 'Site'. The table has one row: 'C - Car', '31/05/2022 9:45 AM', 'Mandurah'. To the right of this row are three buttons: 'Change' (highlighted with a red circle), 'Cancel booking', and 'Print'. Below the table is a section titled 'Make a new booking' with a form. The form includes: 'Test type:' with a dropdown menu 'Choose One'; 'Region:' with radio buttons for 'Metro' and 'Regional'; 'Date range (optional):' with two date input fields; and 'Sites (maximum 4 sites):' with two list boxes, 'Choose Sites' and 'Selected Sites', and arrows between them. At the bottom right of the form are 'Search', 'Back', and 'Clear' buttons. The footer contains the text 'DoTDirect Home / Privacy / Disclaimer / Copyright © 2022 Department of Transport'.

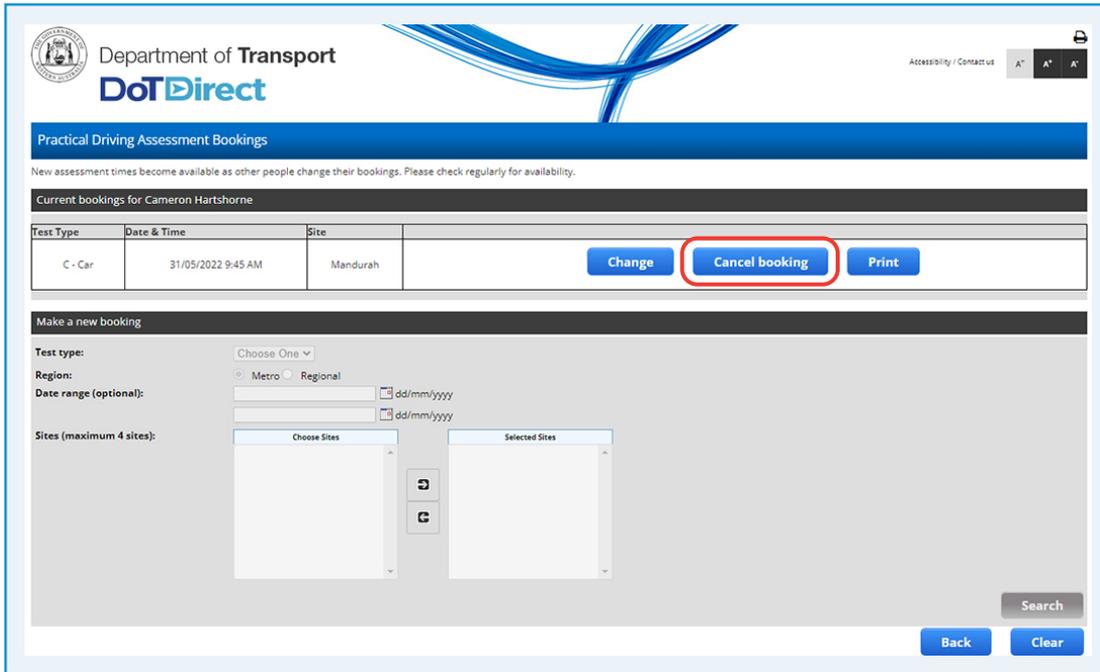

Select the Change button on the row of the booking you wish to change.

The Make a new booking function will now be active. Proceed as instructed in Section 3.4

Important note:

If changing your booking, you will retain the existing booking up until you confirm the new booking. If you cannot find a suitable vacancy to change to, you can always cancel the change and keep your current booking.

5. Driving instructor functions

Driving instructors can use PDA Online to manage booking transactions on behalf of their customers.

Driving instructor functions are similar to those available to PDA applicants, with an additional function to enable a swap between two bookings.

5.1 Logging in as an instructor

To login as a driving instructor, the radio button must be set to Yes on the first question. When the user does this, the system will remove the public user first name and surname fields and display the driving instructor number field.

To access the driving instructor functions, instructors are required to enter the following personal credentials:

- unique driving instructor number;
- driver's licence number;
- date of birth; and
- driver's licence expiry date.

For security, this information must match DVS records to gain access. Your driving instructor licence must also be active. If it has expired, you will not be able to log in. Once the information is entered, click Continue.

The screenshot displays the Department of Transport DoT Direct website interface. At the top left is the Department of Transport logo and the text "Department of Transport DoT Direct". 6. PDA Online availability

Online booking functions will generally be available both during and after normal business hours. However, from time to time, PDA Online may be unavailable for short periods while maintenance is being undertaken.

Maintenance will typically take place outside normal business hours and any major outages will be scheduled for weekends. Service continuity is important for all DVS customers using online service, and systems are only taken offline for as long as necessary to effect changes or upgrades.

The online system depends on a stable internet connection to function correctly. Although the system has been designed to work efficiently, it is possible that some users may experience web performance fluctuations, particularly at peak times.

Can I access PDA Online from a mobile device?

Yes. PDA Online can be accessed from phone and tablet devices.

Can I use PDA Online outside business hours?

Yes. Online booking functions will generally be available both during and after normal business hours.

From time to time, systems may be unavailable for short periods while maintenance is undertaken. Maintenance will typically take place outside normal business hours, and any major outages will be scheduled for weekends.

Service continuity is important for all DoT customers using online services, and systems are only taken offline for as long as necessary to effect changes or upgrades.

Are the timeslots available online different to those I can get if I call or visit a Driver and Vehicle Services Centre or Agent office?

No. All available timeslots are held in one system and equally available online, via the phone or in person.

Others may be considering the same timeslot time you are. The first person to confirm a booking in an available timeslot will secure it. If that is not you, then you will be prompted to select an alternate vacancy.

Are Driving Instructors given priority access to bookings?

No. All available timeslots are equally available to the public and the Driving instruction industry.

How far ahead can I book?

You can make your PDA booking up to six months into the future.

When are PDA test timeslot vacancies released?

Test timeslots are released frequently and often during business hours on Monday to Friday. There is no concentrated release on any specific day or time.

Can I search for a specific date?

Yes, you may search for test timeslots at a specific site on a specific date.

If I search for a specific date and there are no vacancies, will I be shown vacancies on the days before or after the one I searched?

No. However you can search again with a different date specified.

Why can't I book a timeslot that is showing as available?

Although you may hold a licence or permit and can access PDA Online, you will not be able to book an assessment unless you meet the age, eligibility and experience requirements.

For example: If you hold a learner's permit for an R (motorcycle) class, you must have held the R-E licence for at least one year, so when searching for a booking you must select a test booking date that is at least one year after the issue of your R-E licence.

Can someone else like a parent or relative make my booking for me?

Yes. If they have your credentials and learner's permit details, they can log on and conduct booking transactions on your behalf.

Is there a limit to how many times I can change my booking?

No, you can change your booking as many times as you need to, providing it is outside two full working days.

For example: A Friday PDA booking must be cancelled or changed no later than Tuesday 23:59:59 online, or by close of business at the Customer Contact Centre or a DVS centre.

What will happen if I change or cancel a booking and give less than 2 full working days' notice?

You will not be able to change a booking with less than two full working days' notice as this option is not available. You may cancel the booking, and you will have to pay again to make another booking.

How is a full working day calculated?

A full day is calculated as 00:00 and 01 second to 23:59 and 59 seconds. Working days do not include public holidays or weekends.

What will happen to the booking I have changed or cancelled?

Once you have confirmed a new booking or cancelled an existing booking the previously held booking is released into the system as a vacancy and made available to others for selection.

Can I book a timeslot for today?

No. Same day bookings are not permitted. If you attempt to book at 11:58 pm for the following day, the booking will be confirmed if it is successful before 11:59 and 59 seconds.

Can I change my booking on the day of the test?

Yes, you may cancel your test on the day and re-book, however you will forfeit your test entitlement and are required to pay for the PDA prior to making the new booking.

If I have two learner's permits, can I book a test for one or both classes online?

If you can login to PDA Online, you may use PDA Online to book a timeslot for each class (excluding HC and MC classes) provided you meet age, experience and eligibility requirements for the class.

Can I have more than one booking for the same licence class?

No. A PDA Candidate can only hold one active test booking per class.

I want to search for the first available vacancy at any location. Can I do this?

No. You must nominate the site before using the 'first available' search function.

I searched a site for the first available vacancy. A list of 9 vacancies was returned. Does this mean there are only 9 bookings available at that site?

No. There may be other bookings available at that site, but only 9 are returned in a 'first available' search. Use the 'specific date' search if you wish to see the available bookings at that site and date.

Why can't I see my local Regional PDA site in the list?

Some regional agency sites offer limited licensing services and PDA bookings are not available online.

If your regional agent is not listed in PDA Online, you will need to contact them directly for PDA booking enquiries. The contact details are available on the DoT Regional Agent's page.

Why do I see different vacancies, or no vacancies when searching the same day and site as someone else?

You may not see the same search results as someone else because of the licence class eligibility and experience requirements for different customers. The vacancies displayed are also subject to DVS resource availability.

I made my booking over the phone. Can I change it online?

Yes. Any current bookings will be displayed when you log in.

A friend has a PDA booking and wants to swap it with mine. Can we do this online?

No. There are no swap functions for individuals. Only Driving Instructors have access to swap functions.

If my friend cancels their booking and I cancel mine, can I then book the one they cancelled?

Yes, provided nobody else selects and confirms that vacancy before you can.

My Driving Instructor made my booking for me. Can I change it, or does my Driving Instructor need to change it for me?

You can change your own booking, or your Driving Instructor can change it on your behalf.

Can I select an assessment date that is after my licence/permit expiry date?

You can make a PDA booking and you can go out on a PDA but you cannot practice or have lessons on an expired permit.

Your licence/permit is not valid beyond the expiry date until payment has been accepted. If you wish to renew your licence/permit, please attend a DVS centre, regional office or authorised agent.

Why is the 'Change' option not available to me?

If you have a current test booking that is within two full working days, you can only cancel it. This is because changes are not permitted with less than two full working days' notice.

If you choose to cancel it when you make a new booking you will be required to pay for another test.

I have failed a PDA. Can I book another assessment online?

Yes. If you need to re-sit your PDA, the online service will prompt you to make a credit card payment (MasterCard or Visa Card only) for another test entitlement prior to searching for a test vacancy.

Can I pay by credit card?

Payment can be made by MasterCard or Visa card. To pay by credit card you will be required to provide the following specific details (as shown on the credit card):

Credit Card Payments	
Field name	What do I select or enter into PDA Online?
Credit Card Type	Select the type of card you wish to use. E.g. MasterCard or Visa
Card Holder's name	The name as printed on the front of your card
Card Number	Type the appropriate numbers printed as on the credit card – spaces are not required
Card Expiry Date	Select the month and year matching the card expiry date values
CSC	This is the 3 digit number on the back of the Master/Visa card

Are my payment and credit card details secure?

Yes. DoT has robust security for all online payments.

Can my parents or Driving Instructor pay for my entitlement?

Yes. Any valid Visa or MasterCard can be used to make payment.

What happens if I close the web browser midway through a search or payment?

Closing the web browser effectively ends the 'session'. Unless a payment or booking is confirmed, details of that activity will be lost.

I have failed a PDA and paid for another test. When can I book another test?

If you have not passed a PDA and need to re-sit the test you may book another test online. The date of your next PDA must be more than seven calendar days after the date of the failed test.

Can I print my Practical Driving Assessment Supplementary Fee Receipt again?

No. This receipt can only be printed while you are on the 'payment confirmed' page. The receipt will be presented in PDF which can be saved locally or printed.

The payment receipt is not stored by DoT and we cannot provide you a copy of this receipt. It is strongly recommended if you need this original receipt for tax or other purposes to print it off at this time.

If you are using a mobile device with no printing capacity, we recommend you save the PDF or email it to your account.

After booking, will I receive a printed Booking Confirmation?

Customers are able to print their Booking Confirmation advice at the time the booking is made. If the Booking Confirmation is not printed at the time of booking, you are able to log in to the PDA Online system at any time prior to the booking date and time, to print/reprint the Booking Confirmation advice.

A Booking Confirmation will only be mailed to the licence/learner's permit holder if the booking or any changes made against the licence/permit are completed by a Driving Instructor.

Why have I received a Booking Confirmation when I have not made or changed a booking?

A Booking Confirmation advice will be mailed to the licence/learner's permit holder for any booking or changes made against that licence/permit, including those completed on your behalf by a Driving Instructor.

If you (or your Driving Instructor) have not made or changed your booking and you have received a Booking Confirmation, please contact Driver and Vehicle Services on 13 11 56 between 8:00am and 5:00pm Monday to Friday.

I cancelled my PDA online. Will I receive confirmation of this?

You will have the cancellation confirmed on the screen, but you will not receive any formal cancellation notice.

How do the electronic notifications work?

Enter your email address and/or mobile telephone number and click the electronic notification button.

For email confirmations, you will receive an email with the Booking Confirmation attached as a PDF document.

For SMS confirmations, you will receive a short message confirming your licence number, test location, date and time.

If I enter my details for electronic notification, will I get a reminder message before my PDA is due?

No.

Will you store my email address and mobile number, so I don't have to enter it each time I change a booking?

No. DoT is not currently able to store your contact details entered through PDA Online.

Can I log back in and check my booking?

Yes. Your current bookings are always displayed and you can check the details and print the Booking Confirmation at any time.

What happens if I am logged in and leave my computer running?

After 30 minutes of inactivity, your session will expire. You will need to log back in again to carry on with booking transactions.

I clicked a command and the spinning wheel is displayed but nothing seems to be happening. Why is this?

From time to time, the performance of the internet is affected by a range of factors including traffic loads, the specification of the device you are using and your method of connection (e.g. direct to modem, local network or Wi-Fi).

In peak times, you may experience slower response times to commands. If the service appears excessively slow, try logging out, close and reopen your browser and log in again.

Do I have to give my permission for a Driving Instructor to make bookings on my behalf?

While there are no formal arrangements for authorising a Driving Instructor to make bookings on your behalf, it is recommended that you discuss this with your instructor and agree on any arrangements made for booking your PDA.

Can a Driving Instructor see my booking?

Yes. Any current bookings will be displayed when the instructor logs in and enters your credentials to manage your bookings.

I am a Driving Instructor. Can I swap a PDA for a car with a PDA for a motorcycle?

Yes. A swap can only occur if each customer holds a learners' permit and:

- The assessors allocated to the booking times are available and qualified to conduct the test for the class; and
- Other resources are available (e.g. motorcycles for R class tests).

I am a Driving Instructor. Can I swap a test booked for today?

No. A swap may occur up to and including the day prior to the earlier test (i.e. if one or both of the PDA's are today, the swap is not permitted).

I am a Driving Instructor. Does the two working day rule apply to PDA swaps?

No. The two full working days rule does not apply when swapping.

I am a Driving Instructor. Is there a limit to the number of swaps I can make?

Yes, there is a limit of three swaps per licence test entitlement. If a client fails a PDA, this resets to zero. Once they have a new booking, this can be swapped three more times if necessary.

I'm a Driving Instructor and I tried a swap online and it failed. Can I attend a DVS centre or call 13 11 56 to have my swap done?

No. The swap limit is applied universally.

I am a Driving Instructor. Does the seven day wait rule apply to a swap?

Yes. A swap cannot occur if one of the clients has failed a PDA and you attempt to swap their test for another where the new test time is not more than seven days after the date of the failed assessment.

If you have a question which is not answered here, please call DVS on 13 11 56 and a consultant will assist you.
