The Houston Police Officers' Union PAC is proud to endorse Lesli Fitzpatrick in her campaign for Texas Court of Criminal Appeals, Place 3. Lesli is a trusted public servant and a staunch advocate for following the rule of law and the Constitution.

Lesli has spent over twenty years of her legal career practicing criminal law in the courtroom. She began her legal career as a prosecutor in West Texas and continued to develop her conservative judicial philosophy over the years which is rooted in the Constitution, the rule of law, and judicial restraint. Lesli will not legislate from the bench. Her trial advocacy experience will serve her well on the highest criminal appellate court in Texas.

Lesli is unmatched when it comes to her scope of criminal law experience, not just in the courtroom, but in her current position at the Texas Department of Criminal Justice where, as Director of Special Litigation, she handles the types of institutional inmate matters that the Court of Criminal Appeals faces every day.

Fitzpatrick has served as an unpaid volunteer for five years on the Williamson County DWI/Drug Court Team. She is also a former Board member for the Texas Association of Specialty Courts. Lesli currently serves on the Texas Judicial Commission on Mental Health as a Collaborative Council member, a position she has held since its inception in 2018. The HPOU is confident that once elected, Lesli will be a great jurist and will make the State of Texas proud.
