Car Of The **MONTH**

1988 Chevrolet Camaro IROC
Owner Todd and Peg Whitney

When I was still teaching auto mechanics at Circle High School in Circle Mt, I had car posters displayed around the shop area, and one of the posters was of a black 1988 Chevy IROC Camaro. I decided that someday I would find one, well four years later and not teaching any more I came across one for sale here in Woodbury Minnesota. We were coming to Minnesota for a wedding and while here I went to look at it and ended up buying it. I loaded it up on the trailer that I had with me and hauled back to MT. I went through the car and redid the interior, had the transmission rebuilt and had a new engine installed in it. The only thing left to do was body work which I still have not done. Someday maybe I will get to that as well. This was the beginning of my car collection. Todd

President's Report

Hello, Summer is flying by! I hope this finds you well and your cars running smoothly! I would like to know from those that went, how the Back To The Fifties car show in the cities went! July 9th general meeting will be at **Hidden Lake Park in Saint Augusta, Mn. Address 23215 43rd Ave, St Augusta, MN 56301.** One last thing, Do you know why you never see elephants hiding in trees? Because they are so good at it.... May God Bless You and Keep You Safe!

Vice President's Report

Hello to all. Hope everyone is having a great summer so far. Lots of options for car events around the area. MSRA's Back to the 50's was a great event with great weather (just a little hail). I have attached car show listings for July and August. Some we have not listed before, looking to post some that are within one hour or so from St. Cloud. MSRA's Linechaser is a good source for finding shows around the state and beyond.

Pan Car (#2): We had the Pan Car out for two events so far, next scheduled showing will be at the Pantown Brewery on Saturday June 27th. Keith Bauman will be taking it to Autofest in New Ulm Sunday June 28th. Look in the Siftings for other events. We have replaced the gas line and fuel filter in the engine compartment to look original, and operate better.

Parades: I will continue to pass around the sign up list for parades. Thanks to those that have already signed up for parades this year. We had 5 cars at the Foley parade, the rain held off and it was a great parade. By the time you read this, we will have the Sauk Rapids parade on June 26th (we will be placed up near the front, right after the Grand Marshall), and possibly the 4th of July parade in St. Joseph, and July 5th parade in Bowlus.

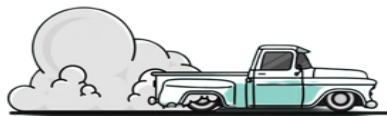

Multi-Car Club Cruises: Don't forget about the Multi-car Club cruises planning for this year, see scheduled cruises listed elsewhere in the Siftings. Don't forget our sponsored event Tuesday August 4th in St. Anna.

Valve Cover Racers: REMINDER! If you haven't built your valve cover racer, there is still time before our car show. I want to thank Keith Bauman for bringing and setting up our race track at the June general meeting. We had several cars there, not sure who's car was the fastest....as you may tell, it wasn't mine. See May's Siftings or check out website for valve cover build rules.

Lastly: We recently lost another club member way too early in life. Roger Holt had passed away. Our thoughts and prayers go out to Tina Holt and the rest of their family.

That's all for now. Thanks! And remember to..... **Enjoy the Ride!**

Destination Burger

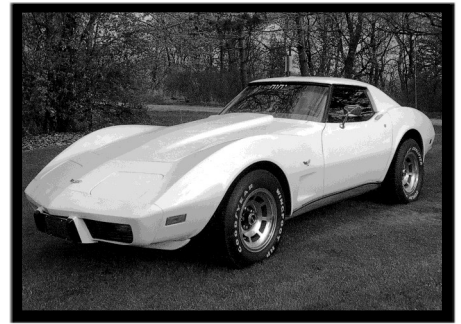

A cruise each month to a unique (no chain restaurants) drive-in restaurant here in Minnesota. The schedule for this year will be down below. If your interested in going, please let me know either by e-mail at tommy0236@yahoo.com or sending a text to 320-250-3206. This is simply to let me know who to expect so we don't take off without you. If you let me know you are going but that changes, please let me know that as well so we don't delay our departure waiting. If you know of somewhere that has fantastic burgers (a small-town bar or such), let me know and I can throw them in the rotation as well!

Justification for By-law proposed change: Proposed changes are only for the positions of Vice President, President and Car Show Chairperson (Positions for Treasurer, Secretary, Directors and Sergeant at Arms will remain unchanged). In recent years, it has been difficult to get members, in good standings as required by the by-laws, to accept nominations for the current three-year term (Vice President, President then Car Show Chairperson). With this reluctance, and the talk of what would happen to the club if we don't get members to come forward, this proposed by-law change is one way to gain interest in these positions. The thought here by splitting the three dues as individual positions, hopefully will increase membership interest in the following ways; 1) A two-year commitment in lieu of a three-year commitment. 2) A member may have the interest in only doing one of the three duties. 3) Knowledge gained by doing the duties for the first year can be applied to the second year, which should result in better outcomes. The reason for election of Vice President being in the off year for the election of the President is a way to provide continuity between the Vice President and the President.

BY-LAW MODIFICATION: ARTICLE V SECTION 5 How to implement this change IF approved (for 2027) as proposed: 1) For current year 2026: All officers remain in their current positions. 2) For 2027 (voting fall 2026): Vice President (Dennis) moves to President, President (Ralph) moves to Car Show Chairperson. Voting is only open for Vice President (two-year term). 3) For 2028 (voting fall 2027): President (Dennis) moves to Car Show Chairperson. Vice President from 2027 remains for second year term. Voting is only for New President (two-year term). 4) For 2029 (voting fall 2028): Car Show Chairperson (Dennis) remains for second year term. Voting is for new Vice President (two-year term) and 1st Year Car Show Chairperson (two-year term). Election Cycles under new proposal: 2026 (for 2027): Elect new Vice President for two-year term. 2027 (for 2028): Elect new President for two-year term. 2028 (for 2029): Elect new Primary Car Show Chairperson. 2029 (for 2030): Elect new Vice President and New 1st Year Car Show Chairperson. (First full year of new cycle under proposed change) 2030 (for 2031): Elect new President and new 1st Year Car Show Chairperson.

BY-LAW MODIFICATION: ARTICLE V SECTION 3 Existing By-Law Sec on 3 - The Board of Directors shall consist of the following: Not less than six directors, the President, Vice President, Secretary, Treasurer, Sergeant at Arms, and the Car Show Chairperson. Change to Read Sec on 3 - The Board of Directors shall consist of the following: Not less than six directors, the President, Vice President, Secretary, Treasurer, Sergeant at Arms, and two Car Show Chairpersons.
