Car Of The **MONTH**

**1934 Ford 5 Window Coupe
Owned By Tim and Julie Goodner**

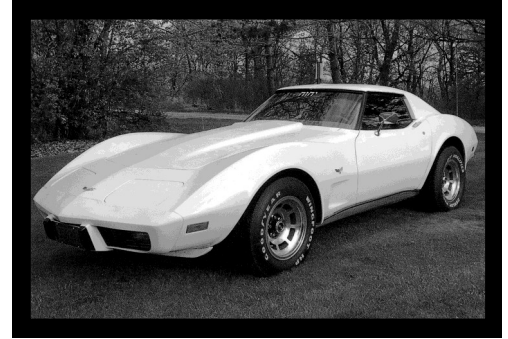

This is the second time my 1934 Ford, 5 window coupe has been pictured in the calendar. The first time was 10 years ago when the car was still new/young. This time is was after the famous fire on our spring run last year. I would like to thank Derek of "Tarpenning Rides and Metalwork" for the fine restoration work he did to restore my car in order to deserve a calendar spot this year.

Thanks to all of you who were concerned and supportive of Julie and me and to the Coborn's semi-truck driver that stopped with a fire extinguisher to put the fire out. I now have a fire extinguisher in the car as all of you should too.

*Give Thanks With a
Grateful Heart*

President's Report

Hello Members!! Hoping God has smiled upon you all. Well I have not made any change to the club bylaws, that is for more rule follows than me. I have started preparing for the 51st car show and it will be awesome. Mike Schmidt had a great idea of having a military theme to the upcoming show. I like that idea!! I looked in the roster and lots of you have old military vehicles. Let me know if you are willing to display them at the car show Everything is in the idea and planning stage. I really don't. We can discuss more as I become Car Show Chair after January 1. I have a lot of good people to help make this coming show memorable. We will have a church service at the for all who would like to attend Sunday morning during the show. Peace and Joy to you all enjoy the cool weather and call out a name for vice president or first year directors, or just to say Dorothy.

Vice President's Report

Hello Everyone, November is here. Cars are being put in storage. not seeing any car shows to notify anyone about.. May the cars be kept safe until they come out in the spring again! Start thinking about plans for next year. Because spring will be here before you know it.

Vice President Ralph Anderson

Car Storage Tips

Clean Thoroughly

Wash and wax the exterior to protect the finish from moisture and contaminants. Clean the interior to remove all food and other items that could attract pests.

Change Fluids:

Get an oil and filter change, as old oil contains corrosive byproducts that can damage the engine while sitting.

Fill The Gas Tank:

Fill the fuel tank completely to prevent moisture buildup and corrosion. Add a fuel stabilizer to protect the fuel system.

Check All Fluids

Top off all other fluids like coolant and transmission fluid if necessary.

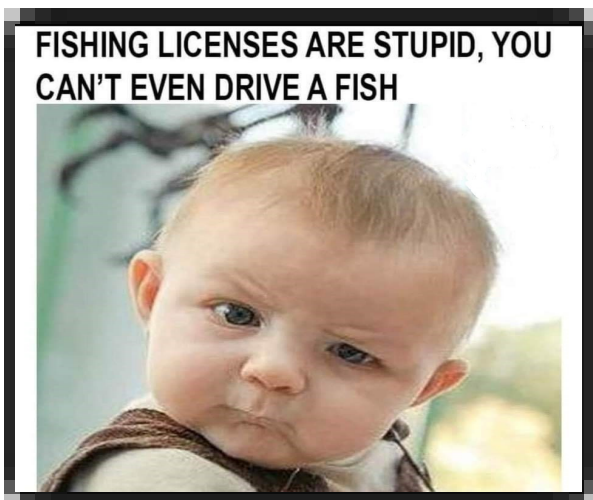

Car Show Chairman Report

Hello Everybody! I really have nothing new to report. Wishing you all a Great Thanksgiving Holiday.

Membership Meeting Minutes

October 9th 2025

Call to Order: Ken Pflipsen led the pledge of allegiance at the VFW #428, Paul Schmidtbauer called the meeting to order.

Approval of The Minutes: Todd Whitney made a motion to accept the minutes as written and Tom Erickson seconded the motion. Discussion and motion was carried.

New Members: Welcome to George Hick

President: Paul Schmidtbauer talked about the President Birthday Party being held at The Event Center in Waite Park. We have a choice between roast beef and chicken. Everything is ready to go.

Vice President: Ralph Anderson reminded members that it is time for nominations again for Vice President, Secretary, Treasurer, Sargent at Arms, and 1st Year Directors. Please consider stepping up for one of these positions or think about whom you would like to nominate. Tina Holt was nominated for Secretary, and she accepted, Tom Hall was nominated for Sargent at Arms, and he accepted, Bob Halliday was nominated for Treasurer until Bob Salmonson can return. Bob Salmonson accepted with Bob Halliday as his partner. We still need Vice President and 1st Year Directors.

Treasurer: Bob stated that Great River Credit Union accounts are now closed completely, and everything is at St Cloud Federal Credit Union. Bills for the car show are mostly paid. Dennis Klug made a motion to accept the treasurer's report as given and Dorothy Paulson 2nd the motion. Discussion and motion was carried.

Secretary: Tina Holt talked about needing membership forms filled out even if you are a life member. Please check this year's roster to make sure everything is correct. Please list any corrections, additions, or removals on the form. Also, the **membership dues are due on January 1st**. Any membership not turned in by January 31st will not be in the roster for 2026. Tina also stated that we received a thank you card from Toni McKenzie's family for the flowers sent to her funeral.

Car Show Chairman: Randy Marchand presented outstanding service awards to Carol Lauermann and Cheryl Voigt for going above and beyond helping with the Car Show.

1st Year Directors: Patrick Manuell talked about the fall tour being a great success. There were 31 people and 15 cars. Everyone stated that they had a great time and the food was good.

2nd Year Directors: Tom Erickson talked about the Spring Banquet for next year being set up and more details to come in the near future.

3rd Year Directors: Gary Anderson and Todd Whitney have nothing at this time.

Pan Car Committee: The Pan Car's are sleeping for the rest of the year. Dennis Arntson stated that if anyone wants to be on the Pan Car Committee to talk to him about how you can help and if anyone on the committee no longer wants to be on the committee to let him know and you will be removed. Also, Jim Stodolka talked about the 250 Pan Car, and we are waiting for a title before any work can be started.

Old Business: Nothing at this time

New Business: Lily Prince and Randy Marchand talked about selling out of all the newspapers and getting bids on printing more. Lily also talked about the movie "Life as a Holiday" that was being filmed with members cars, and it will be released in December of this year.

Card Drawing And Badge Drawing Winners: Darlene Klug, Kris Schmit, Tom Erickson twice, and Tim Goodner. The badge drawing was Wade Arntson who was not present so the amount for November will be \$40.

Special Announcements: Dennis and Darlene Klug are celebrating their 60th year wedding anniversary and Bob and Donna Salmonson are celebrating their 54th wedding anniversary. Congratulations to both couples. Dennis said the secret to their 60 years is "yes dear". Fun historical fact from Tim Goodner: Where did the name Pickup Truck originate? Henry Ford originally shipped the trucks in a railroad container, and you had to "pick the truck up at the railroad station." That is why it is called the pickup truck today.

Adjournment: Carol Lauermann made a motion to adjourn, and Kris Schmit seconded. All were in favor, and the motion was carried. Time: 8:16pm.

Secretary Tina Holt

Board Meeting Minutes

October 16th 2025

Call to Order: Paul called the meeting to order at The Moose Lodge in Waite Park and Paul led the board members in The Pledge of Allegiance.

Roll Call: Bob Salmonson, Bob Halliday, Ken Pflipsen, and Tom Erickson were absent and excused. Everyone else was present.

Guests: Barb Anderson

Approval of The Minutes: Todd made a motion to accept the minutes as written and Randy seconded the motion. Discussion and motion was carried.

President: Paul talked about the nominations for Vice President, 1st Year Directors, Sargent at Arms, and Secretary. We need to keep trying to get people for the various positions. The board talked about a new incentive to get member participation for future Board of Directors. It was suggested that maybe we could give the Directors free membership while serving on the board for the three years. This will be brought up at the general meeting in November. Also, it was talked about the Officers and Directors eating first at all functions involving meals. Some how we have gotten away from this practice. At the Club Birthday Party, we have a picture taken of all the past Presidents that attend, and it was discussed about also doing a 2nd picture for all the current Board Members.

Vice President: Ralph had nothing at this time.

Secretary: Tina asked about Life Members and how we determine the status of the spouse after the past president has passed away. It was stated that to keep lifetime membership, they had to be a current spouse at the time of passing. A child living in the same household does not qualify for lifetime membership.

Treasurer: No report given. No acceptance needed.

Car Show Chairman: Randy had nothing at this time.

1st Year Directors: Pat and Seth stated the fall cruise was an immense success and already have plans for the spring tour.

2nd Year Directors: Mike has nothing at this time.

3rd Year Directors: Todd and Gary have nothing at this time.

Old Business: Randy asked the Board for permission to print 500 newspapers for educational purposes. Bob Halliday sent an email to the board members with his approval on this request. The board unanimously agreed to print 500 newspapers.

New Business: Mike suggested that we should try doing a themed car show next year. Possibility of a Military theme. Mike stated that other car shows from different clubs and cities bring in more people when there is a theme involved. The board would like the members opinion on this and it will be brought up at the general meeting in November.

Adjournment: Tina made a motion to adjourn, and Mike seconded the motion. Discussion and motion was carried. Time 8:25pm

Secretary Tina Holt
