Vice President's Report

Our 2026 Car Show and Swap is now behind us, and I believe it was a great success. Thanks to our Car Show Chair Paul Schmidtbauer and all the great club members that gave much of their time and effort for the show. Our show is unique and hopefully we will continue that success into 2027. As the years go by, there are more and more car show events that go into September and October. I have a separate listing for upcoming car shows in the Siftings. Also....did you hear Tom Hall as the Guest Goat DJ on WXYG radio on the day before our show? He is signing autographs

Youth Award and Young Builders Program: We have awarded two \$500 winners for our "Youth Car/Truck Enthusiast Award" this year to; 20 year old Tanner Staller with his 1929 Ford Model A Roadster Pick up, and to 16 year old Nolan Kreifels with his 1968 Ford Mustang. Both cars were on display in the Ice Arena at the car show. We also awarded one \$500 winner in our new "Pantowners Young Builders Program" at the Cold Spring Street Machines (CSSM) Car Show back in July to Caleb Reich with his 1973 Plymouth Duster. All three are deserving of these awards. See photos of them and their cars elsewhere in the Siftings.

Pan Car (#2): September will be busy for the Pan car (5 planned events). It will be at Shepherd of the Pines Lutheran Church in Rice for their 2nd "Classic Car and Motorcycle Show" on Saturday September 12th from 12 to 4 PM. It will be at The Lone Eagles Car Show at the Morrison County Fairgrounds Sunday September 13th from 7AM - 2PM. At Pioneer Days in Albany, MN from Thursday September 17th through Sunday September 20th. At Rejoice Lutheran Church Fall Festival Car, Truck & Bike Show in Clearwater, MN on Saturday September 26th from 10AM - 5 PM, and at the Schmidt/Gilleland Garage Party Sunday September 27th. Looking for help to sit with the car at these events. Please let me or Randy Merchand know if interested.

Parades: Parades are over for the year. We ended up with cars in four parades: Foley Fun Days, Rapids River Days, St. Joseph 4th of July Parade, and Rice Fun Days. Thanks to all that were able to get their cars out for these events. Hopefully we can do it again next year!!

Valve Cover Racers: Thanks to Keith Bauman for getting the valve cover race track to our car show again this year. Attendance for the races were down from last year. Hopefully next year we can do a better job advertising this event.

Lastly: Shortly after posting my notes for July's Siftings, we lost another long time member. We lost Vic Spears who was one of our club's founding members. He had been an active member up until his health started to fail. As most of us know, he was a very kind, and intelligent person. Very well versed in anything Ford Model T. I always enjoyed my conversations with him. Our thoughts and prayers go out to his wife Fran, their family and friends.

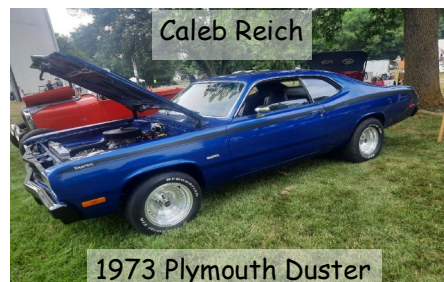

That's all for now. Thanks! And remember to..... **Enjoy the Ride!**

Fun Run Numbers.

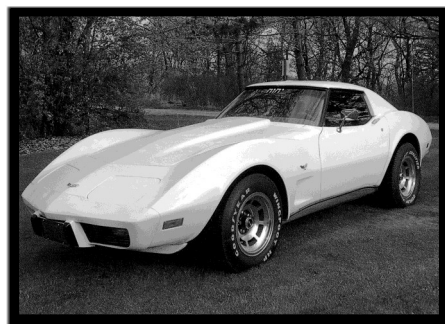

Our Fun Run the night before the car show had a nice turnout. We had about 80 cars, which is a little less than last year, but it threatened rain which I'm sure kept some people home. I want to thank everyone who came out and made The Fun Run a success. I especially want to thank the people who helped me again this year, Keith Bauman, Barb Neski, Terry Knappek, Jerry and Marian Kriese, Mona Zwilling and Brian Zwilling. With their help it has made The Fun Run the tradition it has become. Again Thanks Jim Zwilling

BY-LAW MODIFICATION: ARTICLE V SECTION 5 Existing By-Law ARTICLE V NOMINATIONS AND ELECTIONS:

SECTION 5 Offices and Terms: The offices to be decided at the annual elections may be as follows: Part A - Vice President - Becomes President and Car Show Chair in successive years. Part B - Treasurer - One year term Part C - Secretary - One year term. Part D - Directors - Three-year terms. Two elected each year. Part E - Sergeant at Arms - One year term. Change Parts A through E in its entirety to read: **ARTICLE V NOMINATIONS AND ELECTIONS: SECTION 5 Offices and Terms:** Part A - Vice President: Two-year term. Elected Vice President is allowed a maximum two two-year Terms consecutively. Can run again for Vice President after a minimum one two-year term absence. Election for Vice President must not be in same year of election for President. Part B - President: Two-Year term. Elected President is allowed a maximum two two-year terms consecutively. Can run again for President after a minimum one two-year term absence. Election for President must not be in same year of election for Vice President. Part C - Car Show Chairperson: Two people serving Two-year terms that are staggered with one person elected annually. Elected Car Show Chairpersons are allowed a maximum two, two-year terms consecutively. Can run again for Car Show Chairperson after a minimum one two-year term absence. Designations of 1st year and 2nd year Car Show Chairperson would be assigned. Part D- Treasurer: One year term (No change) Part E - Secretary: One year term. (No Change) Part F - Directors: Three-year terms. Two elected each year. (No Change) Part G - Sergeant at Arms: One year term. (No Change)

Justification for By-law proposed change: Proposed changes are only for the positions of Vice President, President and Car Show Chairperson (Positions for Treasurer, Secretary, Directors and Sergeant at Arms will remain unchanged). In recent years, it has been difficult to get members, in good standings as required by the by-laws, to accept nominations for the current three-year term (Vice President, President then Car Show Chairperson). With this reluctance, and the talk of what would happen to the club if we don't get members to come forward, this proposed by-law change is one way to gain interest in these positions. The thought here by splitting the three duties as individual positions, hopefully will increase membership interest in the following ways:

- 1) A two-year commitment in lieu of a three-year commitment.
- 2) A member may have the interest in only doing one of the three duties.
- 3) Knowledge gained by doing the duties for the first year can be applied to the second year, which should result in better outcomes. The reason for election of Vice President being in the off year for the election of the President is a way to provide continuity between the Vice President and the President.

BY-LAW MODIFICATION: ARTICLE V SECTION 5 How to implement this change IF approved (for 2027) as proposed:

- 1) For current year 2026: All officers remain in their current positions.
- 2) For 2027 (voting fall 2026): Vice President (Dennis) moves to President, President (Ralph) moves to Car Show Chairperson. Voting is only open for Vice President (two-year term).
- 3) For 2028 (voting fall 2027): President (Dennis) moves to Car Show Chairperson. Vice President from 2027 remains for second year term. Voting is only for New President (two-year term).
- 4) For 2029 (voting fall 2028): Car Show Chairperson (Dennis) remains for second year term. Voting is for new Vice President (two-year term) and 1st Year Car Show Chairperson (two-year term).

Election Cycles under new proposal:

2026 (for 2027): Elect new Vice President for two-year term.

2027 (for 2028): Elect new President for two-year term.

2028 (for 2029): Elect new Primary Car Show Chairperson.

2029 (for 2030): Elect new Vice President and New 1s Year Car Show Chairperson. (First full year of new cycle under proposed change)

2030 (for 2031): Elect new President and new 1st Year Car Show Chairperson.

BY-LAW MODIFICATION: ARTICLE V SECTION 3 Existing By-Law Section 3 - The Board of Directors shall consist of the following: Not less than six directors, the President, Vice President, Secretary, Treasurer, Sergeant at Arms, and the Car Show Chairperson. Change to Read Section 3 - The Board of Directors shall consist of the following: Not less than six directors, the President, Vice President, Secretary, Treasurer, Sergeant at Arms, and two Car Show Chairpersons.
