Mission Statement:

To Preserve The History Of The Pan Automobile; To Introduce And Educate Current And Future Generations About The Collector Car Hobby; To Promote Fun And Fellowship Amongst Its Members And To Invest Time, Talent, And Capital Into Future Club Projects And Functions.

Car Of The MONTH

1983 Bertone X1/9
Owner Jason & Shannon Adamski
Vehicle is 1983 Bertone X1/9, mid engine

75 hp 1500, 5sp fuel injection, 1800 lb. curb weight, removable targa roof panel car. The X1/9 was originally built by Fiat in 1972 in Turin, Italy and continued till 1982. Fiat in 1982 was going through tough times and no longer wanted to produce or import the X1/9 to the US. Nuccio Bertone (BERTONE) the designer of the body took over the production in early 1983 and continued until his death in 1989. Nuccio Bertone was also the designer for Lamborghini, Ferrari, Pininfarina, Volvo and Alfa Romeo. My car is 1 of only approximately 140 imported in 1983 to the US because of it's uncertain future with the new badging BERTONE. It is nearly all original with the exception of a modified exhaust and header. It has just under 11,000 miles on it. Thanks for voting for our car. Jason and Shannon Adamski.

President's Report

Hi Everyone, We made it to April, and winter is winding down. I won't say it is over, because we have had some big snow storms during April in the past few years (global warming I guess). First of all, if there are any questions or concerns you have about the club, you can voice them at one of our board meetings or if you can't attend a board meeting, or don't feel comfortable speaking to the board, please let me know. I want to make sure any and all questions and concerns are addressed and we follow through with an answer. At the March general meeting I was made aware of a problem we were having with P.O.S. not getting address corrections for the Siftings mailings. I discussed this with Doug and Tina and they stated the POS contact was not returning their calls. Tina has since paid them an in person visit and has reported the issue should now be resolved. If it is still a problem, please let us know. At our March board meeting, the question was posed as to who is covered by our insurance to pull the Pan trailer or drive the Pan cars. Bob S. will be working with Doug to get an answer for this question. We were told someone had questioned the insurance coverage a few years ago, but it was not brought forward so an answer was never obtained. Again, please bring all questions and concerns forward. I don't want things hanging open or questions unanswered that may result in wrong opinions or wrong communication or hard feelings within our club members. Thanks to Keith and Tim (and I think Barb helped also) for putting on a great spring banquet! The food was good, we had some good prizes and some fun. Congratulations to Doug Rask for being selected to have his name placed on the Pan door. Doug filled the existing red door so plans are in the works to make a second green Pan door. Plans are also in the works to have the Pan door displayed at our show, most likely by the Pan cars. And of course, thanks again to Bruce Theisen for chairing a great, successful 2021 car show! As I write this Dennis and I are yet to have our website meeting with the Next X guys, but we will have had our meeting and be able to provide an up-date for web site plans at the April general meeting. One of the other items I'm focusing on this year is getting more awareness of the Pan car, it's history and our club out to the general public. I have a list of Pan car events in the Siftings that either we have already scheduled or are working on scheduling for this year. I will keep you all up-dated on these events and, some will involve participation of other club cars as well as the Pan. As I stated at the March meeting, Duane Gilleland has agreed to host our May meeting at his facility in St. Joe. again this year, and I have since talked to Roy Bernick who has also agreed to host our June meeting back at his facility. On behalf of the club, I thank both of these gentlemen for their hospitality! It is greatly appreciated, since we all enjoy admiring the collections, they both have! **Enjoy the vehicles God has blessed us with and have fun in our hobby!**

Bob Halliday Your Club President

Sauk-Rapids/Rice Middle School Car Show

901 1/2 St S, Sauk Rapids, MN 56379

May 20, 2022 9:00 AM to 12:00 PM. Southwest parking lot. 4 groups of students will be visiting the cars with their Social Studies teachers. Each group will have about 90 students. Each group will have approximately 35 minutes to view the cars. The Social Studies teachers teach about how the assembly line made cars affordable and truly changed American culture. They have included the Pan Motor Company over the past 3 years as well. They also teach about car culture in the years after WWII. They have expressed interest in having around 20 cars that represent these time periods, essentially from the turn of the century through the 1960's. If you would like to show one of your cars at this event and share it with these middle school students please contact Beth Reimer at bethreimer73@gmail.com or call her at (320) 267-0192 after 3:30 PM. She will let the Social Studies teachers know the make, model and year of the cars that will be at the show so they can give their students an opportunity to explore them online before coming to the show.

Vice Presidents Report

Hi Everyone, Spring is finally here. The snow is melting, and the birds are chirping. Time to start getting our cars ready for car shows and cruises. I was very glad to see such a great turnout at the Spring Banquet. I got to meet a lot of new faces and reconnect with some old friends too. I talked with Don Wieber at the Banquet, and he told me that he will be taking care of getting us information about the car show in St Joe. Also, I am in contact with Lily Prince about the car show that is going to be at the St Cloud Technical College. It is scheduled for May 7th, 2022, not sure of a time yet. That is all for now. Hope everyone is still staying safe and healthy.

Roger Holt Vice President

“
TRASH AND DASH 2022”
DITCH CLEAN-UP & CAR
CRUISE TIME!! It is time again for
our MNDOT “Adopt-A-Highway” ditch
clean-up effort. For those of you that
may not know, the club is responsible
for a two mile stretch of State Hwy 25
between mile markers 109 and 111. This
year we will be cleaning the ditches on
Saturday April 30th 2022, see schedule
below for times. If we have bad weath-
er that day, we will reschedule for the
following Saturday at the same times
noted below. FYI. Depending on the number of helpers, the cleanup effort will run between 1 to 1.5
hours. Following clean up, we will do a car cruise to an unknown destination (even unknown to me at
this time) □ No need to pre-register! Schedule: 10:00AM - Meet at Les & Fran Adelman's “garage”
located at 3225 125th St. NE. Rice, MN (just west of “Silver Corners” on County Rd 2). Drive your
classic, old, custom, whatever to pick up “trash and dash” in vehicle (trash will not be placed in your
vehicle). 10:15AM sharp! - Leave for the ditches! 11:45AM (or so) - Return to Les & Fran's to reor-
ganize for a car run. So bring your best ride for this “Trash and Dash” event. Once again, and as al-
ways, thanks to Les and Fran for the use of their garage. Be sure to wear weatherproof boots, warm
clothes if the weather is bad, good work gloves and a poking stick if you have one (less bending over).
We will have heavy duty trash bags, and bright colored vests available to wear. If questions you can
call me at (320)333-6019. Thanks! Dennis Arntson (aka - 2022 Car Show Chairperson)

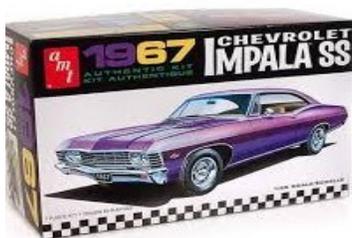

Car Show Chairman Report

Hello Everyone, We are getting ever closer to our car show in August, and it will be here before you know it. Although I am working car show t-shirts and sweatshirts later than I wanted to, I should have the design complete and sent out via email before our April General Meeting. I will have costs available by the April meeting as well and will start taking orders (for the clothing that is). I am being told I will have printed shirts in time for our May General Meeting, so bring your checkbooks....or cash. ++ Car Show flyers will be ready for distribution before April, first in electronic format and hardcopy to follow. ++ I haven't made calls yet, but still looking for someone to run Gate Admissions for the show. If interested, please talk to Adam Nabours about required duties or myself. ++ We are in need of additional car show worker t-shirts. I will be putting an order together. If you are either a new club member working the show, or an existing member in need of a new one, please let me know and I will get you on the list. If any member has one that they are not using, please bring them to the next General Meeting. ++Also looking forward to seeing how the valve cover races will go this year. Thanks to Steve Wendt (the "guy-in-charge" of the track) for helping out. Still need a second person to help Steve. If anyone wants to donate, lend, or help with building valve cover race cars for the show, please see Steve or myself. ++ Bob Halliday has scheduled a meeting with members of the Next-X Car Club on March 27th that he and I will attend to discuss our website. Thanks to Next-X for their help as we look at new ideas moving forward. We also plan to review and study ideas identified in the Pantowners Auto Club Consulting Report developed by St. Cloud State University's Management class in the spring of 2019, and presented by Barry Kirchoff. ++ Don't forget, it's time for Adopt-a-Highway ditch clean-up. Look elsewhere in the Siftings for more information. ++ I still have can koozies from our 50th Birthday Party free for all members who didn't get one, and 50th Anniversary Window Stickers are for sale at \$1 each. ++ Thanks also to Mark Ebnet, Bob Halliday, Dave Bentley and Keith Bauman for joining the Pan Committee. Hopefully this will be a great year for the Pan. Also thanks to Dave Dickson and Ron Paulson for their years on the Pan Committee. ++ One thing that hasn't been discussed for a couple of years is the Youth Award. I plan to draft one up for distribution in early April and deliver to the schools in the area. ++ Remember...If you have a project you are working on, recently finished, or intend to do, please write an article along with photos to Jim Zwilling. Would love to see your story. That's all I have for now. **Thanks and remember to.....enjoy the ride!**

Dennis Arntson (aka) CSC "Car Show Chairperson"

APRIL MODEL CAR DISPLAY

April is our annual model car display, so bring your models to our monthly meeting. Old vintage models built in the past are welcome! There will even be an award for the favorite model built from a plastic kit. All members will be welcome to vote before the meeting starts.

WANTED 2023 CALENDAR CARS!

We need cars for our 2023 calendar, so if you have a newly acquired ride or a recently finished project, please get a picture of it to Darlene before the May meeting. Our new rules allow owners cars to be eligible for consecutive years, there is no longer the one-year gap. Also, if you have a car that was in the calendar years ago, it will be eligible as a re-run. Last year we only had 13 cars to pick from for 12 monthly positions, so let's try for more participation!

Membership Meeting Minutes

March 10th 2022

CALL TO ORDER: Bob Halliday called the meeting to order at the Moose and Tom Hall led the members in the pledge of allegiance.

APPROVAL OF MINUTES: Carol Lauermann made a motion to accept the minutes as written and Dorothy Paulson seconded. Discussion and motion were carried.

PRESIDENT: Bob talked about the computers needing upgrading and Doug Rask stated that they came under budget. Bob asked everyone to send in any stories of projects being worked on. Bob stated that the party that wanted the information about the Packard for the wedding has connected with the owner of the Packard. Bob also mentioned that the club now has business cards and wanting to get the Pan Car out to the public at Kimball Days for people to see.

VICE PRESIDENT: Roger talked about getting together with Mark Benson to figure out a date for Warner Nobles funeral and when to get the red Pan Car ready. Also getting as many of the club members that are available to be in the procession to his final resting place.

TREASURER: Doug gave the treasurers report. A motion was made by Barb Neske to accept the report and Esther Ebnet seconded. Discussion and motion were carried.

CAR SHOW CHAIRMAN: Dennis talked about needing sponsors for the Car Show and having the flyer ready in a couple of days for print. Dennis also talked about having a 2nd chairperson meeting and the need for gate worker. Benton County Fair Grounds board members thought the plaque was nice and the contract was signed. Dennis also talked about the ditch cleaning and car cruise set for the last Saturday in April.

BOARD OF DIRECTORS: 1st Year Kevin and Dan had a phone conference with a place for the fall banquet. 2nd Year Randy and Jim are considering the Sinclair Lewis Museum for the spring tour on May 21st. 3rd Year Keith and Tim have the Spring Banquet set up for March 19th at the Eagles and that there are a few more spots available if anyone else would like to go.

SECRETARY: Tina has gotten a mailing list from P.O.S. Printing and has deleted people on the list that have not paid their dues for 3 years or more. Tina also asked the members to look at the previous Roster and make any correction to address, cars and spelling errors.

PAN COMMITTEE: Wants to use the Red Pan Car for Warner Noble Funeral. Dennis asked the members for volunteers to serve on the Pan Committee and will update the list.

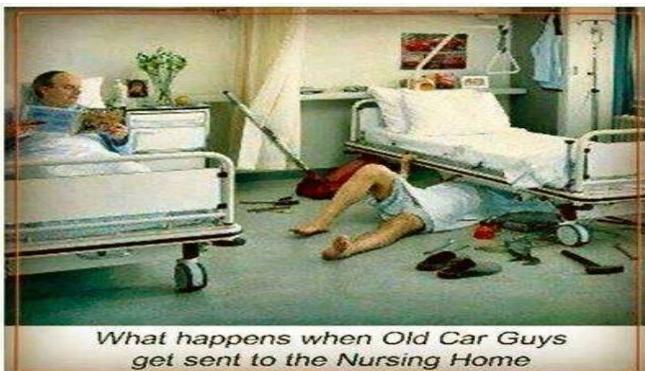

OLD BUSINESS: Bob asked members again to let him know if anyone would be interested in getting the Sifting online only.

NEW BUSINESS: Darlene asked members to send in new pictures of their cars for the 2023 calendar as soon as possible. Dennis Klug stated that April was model car month and would like members to bring in model cars that they have done of display and asked members if anyone had dash plaques from the 1992 and 1994 Car Shows.

ANNOUCEMENTS: The winners of this month's card drawing were: Dennis Arntson, Bob Ebnet, Vic Ehresmann, Phyllis Balmer and Carol Lauermann. The badge drawing was Roger Dohrmann who was not present. Next month will be \$50.

ADJOURNMENT: Jean Ebnet made a motion to adjourn, and Keith Bauman seconded, and motion was carried. Time 8:42pm

Secretary Tina Holt

Board Meeting Minutes

March 17th 2022

CALL TO ORDER: Bob called the meeting to order at The Moose and Dennis led the members in the Pledge of Allegiance

ROLL CALL: Tom Hall and Tina Holt were excused, the rest were in attendance.

GUESTS: Slim Carlson, Roy Bernick and Beth Reimer. Slim had addressed a couple of concerns. 1) Driving the Pan Car for Warner Noble's funeral procession. The date has yet to be determined, most likely once the weather breaks and the Pan Car can be out (Roger Holt is also coordinating times with the funeral home). 2) Who are authorized to drive the Pan Car and/or pull the Pan trailer? Questions were directed to what is allowed by insurance company. This was a question addressed in the past, Dennis will find out and check with current insurance policy. 3) Slim noted that our sign placards placed with the Pan Cars at our show are wrong. He noted the number of Pans produced exceeds the count listed, and production date ran later than posted. Dennis asked if Slim could come up with new wording. Roy Bernick said he would take care of printing any new updated signs. Beth was at the meeting (because she misses the board), and to tell us about the upcoming car show at her middle school. Date is yet to be determined. She said they teach their students about the history of the Pan Motor Company, and would like for the Pan Car to be at their show again this year.

APPROVAL OF MINUTES: There was no discussion or comments. Keith Bauman made a motion to accept the minutes as written, Tim Carlson seconded. Motion was carried.

PRESIDENT: Bob told us of the upcoming General and Board Meeting dates and locations (see elsewhere in the Siftings for more information). He noted that Pantown Brewing Co. is looking for our help with an event on June 7th. They would like to have the Pan Car there and some members (possibly Slim, Roy, Dennis, Bob and/or others) to do a presentation about the Pan Motor Company. Bob mentioned the desire to have the Pan Car out to many events this summer. Bob and Dennis will be meeting with NextX Car Club members on March 27th to discuss new ideas for our web page. Bob mentioned issues with Professional Office Services (POS) with our Sifting printing labels, Tina Holt will be coordinating this effort.

VICE PRESIDENT: Roger said he is continuing his efforts to find upcoming car shows for the summer. He also noted that Vic Spears was in the hospital.

TREASURER: Bob Salmonson read through his report. Dennis made a motion to accept as written, Randy seconded. Motion carried. Bob mentioned he is continuing to work with Doug Rask to learn the program and set up the club computer. Bob will check with RBC to get a (new) representative to one of our meetings.

SECRETARY: Tina was excused for this meeting, Dennis (filling in for Tina) had nothing to say other than Tina is doing a good job!

CAR SHOW CHAIR: Dennis noted that the car show flyer will be out in the next couple of days. Should have t-shirt design available at the April General Meeting, and clothing should be at the May General Meeting for purchase. Bob and Dennis meet with the Fairboard, later Dennis was told costs to remain the same as last year. Will be looking to order more workers' t-shirts. April 30th is ditch cleanup. Slim mentioned that the Pan Car being driven in the show last year was told they had to pay to enter. This was apparently a miscommunication at the gate and should not happen.

BOARD OF DIRECTORS: 1st Year- Dan and Kevin had questions on how the budget works. They are working details for this fall. 2nd Year- Randy and Jim are set for May 21st. 3rd Year- Tim and Keith are ready for their banquet.

BUSINESS: None noted.

ANNOUNCEMENTS: Vic Spears is in the hospital.

ADJOURNMENT: Jim made a motion to adjourn and Randy seconded. Motion was carried.

Submitted by Dennis Arntson (for Tina Holt)

For Sale: 1923 Ford Model T Touring. Original 4 cylinder Flat Head engine, older restoration, runs great, has Pioneer plates. Been in family since 1951. Stored inside, run regularly.
