Car Of The **MONTH**

1958 Chevrolet Corvette
Owner: David and Elaine Watts

The first time I saw a silver blue 1958 Corvette was in 1968 and it was not only love at first sight, it was also a lasting love. We happened to see that a silver blue with silver coves Corvette was to be auctioned the spring of 2022 at a small venue outside of Indianapolis. We took a chance and went to the auction, fell in love with the car, and I was able to be the "last man standing" after 54 years of dreaming of owning a car like this! The car has its original 283 c.i. V8 engine and a 4 speed manual transmission. 1958 is a one year only with louvers on the hood, chrome straps on the trunk, and had the introduction of quad head lamps wrapped in chrome. It truly is a fun car to drive! We appreciate the club members voting to include our car in the calendar this year.

President's Report

Hello, Everybody! I would like to say, "Great Job!" to Kevin Sanders and Dan Arntson for a wonderful spring banquet! The by-laws will be voted on in June instead of May as it needs to be in the siftings for two months. Coming up is the outdoor meetings: May @ St. Augusta Park, June @ Tim Carlson's, July @ Duane Gilleland's, August @ Fair Grounds, and September @ Tim Carlson's. Mark your calendars for November 23rd for the President's birthday party. Again, to reiterate, May's meeting will be in St. Augusta. Spring is coming so hopefully everyone will be getting their cars out after this big @\$\$ snow-storm! I hope to see as many of you at the April meeting at the VFW Post 428.

President Randy Marchand carguymrcr05@gmail.com

BY-LAW MODIFICATION (DRAFT PROPOSAL 2.0): ARTICLE V SECTION 5 Existing By-Law

ARTICLE V NOMINATIONS AND ELECTIONS: SECTION 5 Offices and Terms: The offices to be decided at the annual elections may be as follows:

Part A- Vice President - Becomes President and Car Show Chair in successive years.

Part B- Treasurer - One year term

Part C - Secretary- One year term.

Part D - Directors - Three year terms. Two elected each year.

Part E - Sergeant at Arms - One year term.

Change Parts A through E in its entirety to read:

ARTICLE V NOMINATIONS AND ELECTIONS: SECTION 5 Offices and Terms:

Part A - Vice President: Two-year term. Elected Vice President is allowed a maximum two two-year terms. Can run again for Vice President after a minimum one two-year term absence. Election for Vice President must not be in same year of election for President.

Part B - President: Two-Year term. Elected President is allowed a maximum two two-year terms. Can run again for President after a minimum one two-year term absence. Election for President must not be in same year of election for Vice President. **Part C -** Car Show Chairperson: Two-year term. Elected Car Show Chairperson is allowed a maximum two two-year terms. Can run again for Car Show Chairperson after a minimum one two-year term absence. Election for Car Show Chairperson must not be in same year of election for President.

Part D- Treasurer: One year term

Part E - Secretary: One year term.

Part F - Directors: Three year terms. Two elected each year.

Part G - Sergeant at Arms: One year term.

Justification for By-law proposed change: Proposed changes are only for the positions of Vice President, President and Car Show Chairperson (Positions fro Treasurer, Secretary, Directors and Sergeant at Arms will remain unchanged). In recent years, it has been difficult to get members, in good standings as required by the by-laws, to accept nominations for the current three year term (Vice President, President then Car Show Chairperson). With this reluctance, and the talk of what would happen to the club if we don't get members to come forward, this proposed by-law change is one way to gain interest in these positions. The thought here by splitting the three duties as individual positions, hopefully will increase membership interest in the following ways;

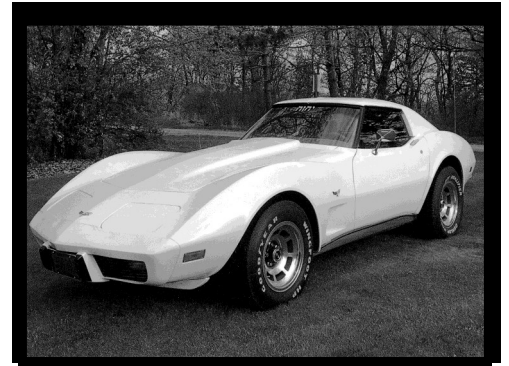

- 1) A two year commitment in lieu of a three year commitment.
- 2) A member may have the interest, or courage, in only doing one of the three duties.
- 3) Knowledge gained by doing the duties for the first year can be applied to the secondm year, which should result in better outcomes. The reason for election of Vice President being in the off year for the election of the President is a way to provide continuity between the Vice President and the President. Also, the election of the President being in the off year of the Car Show Chairperson is for the same reason. As a result, the Vice President and Car Show Chairperson will be elected in the same year.

Car Show Chairman Report

Welcome to spring. Polish up your cars and get ready to GO! The car show planning is on schedule and fliers are ready to go out for pricing. We had a new member, Gail Counter, step up and volunteer to chair the Arts and Crafts building. We are still in desperate need for one more chair in the critical "Show Car Area" set-up. We have a great team of workers do the work but need someone to coordinate and supervise set-up and take down. Please step forward! I still need help with advertising ideas (free or almost free). The Fairgrounds and Ice Arena are booked. Car classes are set, and the fliers are in the works. The Car Show Chairs meeting will be Thursday, April 25 th at the VFW Post 428 at 7:00. I will miss both the general and board meetings in April as we take a family vacation to Florida. If the printing and shirt samples are ready by then I will have someone present them at the April meeting and take orders. Thank you to all,

Car Show Chairman Tim Goodner (tjgoodner@charter.net)

Calendar Car or Truck Rules

- Must be a member in good standing for one year.
- Must write an article on the car or truck for the month it is in the calendar for the Siftings
- Car or truck must be 20 years old or older. Voting takes place at the May General Meeting.
- A different car or truck can be entered every 2 years,
- The same car or truck that was in the calendar can be entered again after 10 years.
- Cars or trucks that have not been in the calendar may automatically be put in the calendar unless there are more than twelve, then there will be a vote on the remaining cars or trucks entered.
- Cars or trucks must be able to drive into our car show for the calendar display in the Ice Arena .
- If you plan to sell your car or truck, or do not want to display your car or truck in the Ice Arena do not enter it in the calendar for consideration.
- Five calendars will be given to each calendar car or truck.

Spring "Trash and Dash" Event Saturday May 4th 2024 (10AM)

Its time again for our "Adopt-A-Highway" ditch clean up event. We have our signs on US Hwy 10. A two mile stretch from the overpass at Rice southeast to Pine's

Edge Grocery (BP gas station). Between Mile Post Markers 163 and 165. We will gather at Dennis & Kathy's pole barn (11770 W. Lake Rd., Rice) on Saturday May 4th at 10:00AM. We will leave at 10:15AM, We can park near the BP gas station and off the ramps in Rice. As in the past, we will start two groups at each end and meet in the middle (that would make about a 1 mile walk). I would like to have one helper vehicle to pick up walkers and get them back to their cars (Thanks to Barb Neske for doing this last fall). Following clean-up, we will do a car cruise, so drive your classic ride. Its always good to have a car cruise! We will end up somewhere to grab a bite (location to be determined). I will have safety vests and trash bags. Bring a poking stick, dry boots, and clothing appropriate for the weather. We were short on helpers last fall, so I really would like a head count first so that we can make this happen. Would like a have 16 walkers (four groups of 4), plus a vehicle runner. With only 12 walkers, it will take 1.5 to 2 hours to finish the job, with 16 we can get this done in about 1 to 1.50 hours. I will be passing around a sign up sheet to help me with a head count at the March and April meetings., or you may call me at (320)333-6019. Hope to see you there. Thanks! Dennis

Sauk Rapids/Rice Middle School Car Show

Friday May, 24th, 2024 8:30 AM to 10:50 AM. Sauk Rapids Rice Middle School. 901 1st St. South Sauk Rapids. Southwest parking lot. Students will be visiting the cars with their Social Studies teachers.

The Social Studies teachers teach about how the assembly line made cars affordable and truly changed American culture. They have included the history of Sam Pandolfo and the Pan Motor Company over the past years as well. They also teach about car culture in the years after WWII. They have expressed interest in having around 20 cars that represent these time periods, essentially from the turn of the century through 1960's. If you would like to show one of your cars at this event and share it with these middle school students please contact Beth Reimer at bethreimer73@gmail.com or call her at (320) 267-0192 after 3:30 PM. She will let the Social Studies teachers know the make, model and year of the cars that will be at the show so they can give their students an opportunity to explore them online before coming to the show.
