President's Report

Hello Everyone,

By the time you get this, Christmas 2021 will be behind us. I hope that everyone had a very Merry and Blessed Christmas and a Happy and safe New Year. This will be my last article as your President (after two crazy years of limited events due to COVID19). I have enjoyed serving in this capacity and am looking forward to get moving on our 2022 Car Show and Swap Meet as you Chairman. Always looking for ways to make our show a better event, and do appreciate the dedication of our members (and others) stepping up to help. Let's make 2022 a great show. I don't have a date at this time, but I intend to make phone calls and plan for our first car show meeting hopefully in January or in early February at the latest. As always, getting information for our show nailed down and onto flyers is time critical. As you will see in Bob Halliday's article, we have members accepting nominations to all positions on the board for 2022. This is great to see and it is always great to get new faces and ideas on the board; I see a lot of enthusiasm in these candidates. Look for the ballots attached to this month's Siftings and either mail in by the noted due date or bring ballot to the January General Meeting. Blank ballots will NOT be available at the meeting, and remember, you have the opportunity to cast a "write-in" name on your ballot for any position (even if it's your own). Thanks Bob for all your efforts with getting nominations, and special thanks to the candidates! If all goes as anticipated, we will have 5 of the 12 board members new to the Board. With that, I would like to thank Doug Rask for his time serving as our Treasurer for 9 years, Darlene Dickinson as our Secretary for an unprecedented 17 years!, Trisha Thiel and Beth Reimer for 4 years (normally 3) as Directors, and Bruce Theisen as President and Car Show Chairman. If you have a project you are working on, recently finished, or intend to do, please write an article along with photos to Jim Zwilling. Would love to see your story.

Lastly, **please remember to pay your dues for 2022**, if you don't remember if you had paid or not (which is easy to forget), give Darlene Dickinson a call.

That's all I have for now. **Thanks and remember to.....enjoy the ride!**

Vice Presidents Report

Hi Everyone, Here we are starting a new year and I'm writing my last article as the club V.P. The last 2 years have been a challenge for all of us, but I have enjoyed my extended V.P. term, and always tried to keep focusing on how we could do things as a club to have some fun in our hobby; such as the monthly cruises we took instead of meetings in 2020, plus throwing in some extra Saturday cruises that summer and continuing with the pre meeting cruises we had in 2021. My last V.P. task has been trying to get a board of directors lined up for 2022. This was made a little more challenging this year with both Darlene and Doug deciding it was time to retire from their positions; retirements well deserved after many years of dedication.

I'm very pleased to announce the following nominations for 2022:

Vice President: Roger Holt

Secretary: Tina Holt

Treasurer: Bob Salmonson

Sergeant At Arms: Tom Hall

Director: Dan Arntson

Director: Kevin Sanders

On behalf of our club, I would like to express our gratitude to these people for their willingness to serve on our board! I look forward to working with them all and as I promised, it will be a great experience. I want to echo Dennis in giving a big thank you to Bruce our Car Show Chair, and Trish & Beth our Directors who served a Covid extended term on our board. And a special big thank you to Doug who served as our treasurer for 8 years and Darlene who served as our Secretary for 17 years! Dedication like that is unheard of today, but it speaks volumes for how great our club really is to have people dedicate that length of time working to help keep it running! Please continue to do what you feel is necessary to stay safe with Covid's strong presence in our area.

I wish all of you and yours a Blessed and Happy New Year!

Bob Halliday Your V.P.

50 Tears Ago -----By Bruce Theisen

The meeting was held in the basement of Zapp National Bank in downtown St. Cloud at 8:00 pm on Jan 12, 1972. 17 members plus 3 new members were in attendance. The new members were John Meyer - 1928 Model A Ford; Peter Hennen - 1929 Model A Ford; and Bobby Penly. Discussion was held about area parades and participating in them. It was also talked about contacting the Chamber of Commerce to find out about area events which the club could be a participant. Pete Hennen talked about license plates and then movies were shown about the 1957 Glidden tour and a 1900 auto parade. Members who had not yet done so, were urged to bring their SSAE (stamped, self-addressed envelope) envelopes to the next meeting to continue getting a newsletter. The next meeting was set for March 8th, 1972. It would probably be at Zapp Bank again.

Car Show Chairman Report

2021 Car Show Report - The FINAL! By Bruce Theisen

Before I say adios, I do have to know - after reading last month column, how many of you checked in to the Ford Atmos?? Huh? Anybody got one hidden in their garage? Call me NOW! After reading this column if anything sounds great or weird I can tell you who to blame it on. While recently having a discussion with another great story teller - or B.S. -er as they are called in car circles - Steve. Wendy and I were talking about how your mind has to be in the "groove" to write these great stories. If it isn't there then there is no purpose in trying to write. Well, he said Barb let's him have a BEER (or cocktail, Barb has wine) to get his brain cells breaking loose to circulate. If that doesn't work—he has another beer and waits for another day. So that's what I tried. I know I have to have the right frame of mind to write.

Not much left for the 2021 Car Show other than some trophies and Thank you plaques to get out. With that, hope Santa brought you whatever you have been dreaming about for how long? Dreams come true.

We lost another long time dedicated club member- and past President (1998) in Warner Noble. Warner was definitely a car guy and loved the Pan Cars. We attended his funeral it was nice to see club members and 5 or 6 presidents were able to attend. Rest In Peace.

With that, looking forward to 2022 and some warm weather. I hope to get some of my own things done this year and hit the Honey - Do list hard. With that said - time for the chuckle of the month. Not to be depressing or morbid - especially this time of year - but I found this to be very funny. Maybe Lester or Dennis can use it at a meeting. By an overwhelming majority, this was voted the funniest tombstone in the world. Do you know where it's located or who " (owns)" it ? Who has ever been to Logan, Utah? A cowboy named Russel J. Larson (no relation to John Larson I am sure) supposedly has this on his stone. Believe what you want.

5 rules for men to follow for a HAPPY LIFE:

- 1) It's important to have a woman who helps at home, cooks from time to time, cleans up , and has a job.
- 2). It's important to have a woman who can make you laugh.
- 3) it's important to have a woman who you can trust, and doesn't lie to you.
- 4) it's important to have a woman who is good in bed, and likes to be with you.
- 5) it's very, VERY important that these four women do not know each other or you could end up dead like ME!

And being it's Christmas and I didn't have time to buy you all a present - here's a double dose of "chuckles" so hope you had a Merry Christmas and a good start to a happy New Year.

I was watching a show a while ago about old "sayings" and how they actually had meaning and a story behind them One I remember is " that will cost you an arm and a leg"! What that came from was hundreds of years ago, when they painted your portrait, the more you show - the more you paid. People would put their hands in their coats, behind their back, only be shown from the waist up, etc. now you know " the rest of the story. And thanx to all the great cooks for last months great treats at the meeting!! **Smile - enjoy life - stay healthy. Wish for spring?**

If my body was a car, I would be trading it in for a newer model. I've got bumps, dents, scratches & my headlights are out of focus. My gearbox is seizing up & it takes me hours to reach maximum speed. I overheat for no reason and every time I sneeze, cough or laugh either my radiator leaks or my exhaust backfires!

For Sale: Two after market steering wheels. One is approx. 13 inches and one is approx. 10 inches. Also have a 3 wheel electric scooter similar to what you would see at Menards or Coborns Jim (320-)406-3584

Wanted: Old broken, non-working power tools (corded or battery operated). I will take them apart and recycle. No money in it, just using up time keeping busy. Will pick up or drop off at meetings. Paul Schmidbauer (320) 630-4219

Wanted: Someone to buy my 1926 Ford Model T Roadster. Dennis (320)251-3133

Request: Old car for Wedding Saturday June 11th. Ride from Quarries to local hotel at around 11PM? Ride for Bride and Groom only, non-drinkers and no liquids in car. 30 year olds. He is first looking for a 30's something grey Packard with red fenders that was at our car show. Willing to pay. Call Jim Pinckney (651) 728-1316
