## Car Of The **MONTH**

2002 Chrysler Prowler  
Owner Don and Sherry Weiber

We were looking for a t-bucket in the mid 90's. I saw a concept car from Chrysler. We love convertibles. In 1997 Plymouth came out with 200 Prowlers, all purple. In 1998 they did not make any models.

In 1999 and 2000 they were Plymouths. Plymouth went out of business in 2000. The 2001 and 2002 models were Chryslers. We purchased ours new from Albany Chrysler in July of 2002. We are glad that we have a yellow one with a trailer to match. We have 63,000 miles on it. There were a total of 1576 yellow ones built. Total production of all Prowlers is less than 12,000. February 15, 2002 was the last one built. It sold for 250,000 for MS. We belong to the Prowler Owner Association and they are from all over the world. We have gone on many destination tours with them all over the USA. Thanks for voting for our car. Don and Sherry Wieber.

## President's Report

Hi Everyone, I hope you have been able to enjoy our summer so far. We have had more than our share of storms with high winds and hail, so let's hope we are done with that and have good weather going forward, especially for our car show in August.

First of all, as I stated last month, Betty Schmitt has taken the position of our new webmaster and has developed a new club web site - Thank you Betty!! I encourage all of you to go and take a look at it. Betty has done a great job of up-dating our site to current technology, made it more appealing to others

and has made finding things on the site much easier. We have a special section for the car show that is great and gives information on different features of our show. It even has a countdown to when the show will happen! We have sections for the club history, the Pan car history and a gallery for club events and members cars. The site is still in process and Betty is adding things and tweaking it yet so please check it out and keep checking for the changes!

And again, I thank Dave Dickson for all of his work with our website and as our club photographer for many years, his service to our club is greatly appreciated.

I'm continuing to work on getting more awareness of the Pan Car, it's history and our club out to the general public. I have an up-dated list of Pan car events in the Siftings that mostly are a firm schedule for this year. The next scheduled Pan car appearance will be at the Cars By The Creek show in Cold Spring on July 30th. I will keep you all up-dated on the Pan events. Please remember we need help from other club members to work with the Pan at these events, since the car is the club's and these are club events, not just Pan committee events, so your help with this is appreciated.

I would like to thank all of the club members who came to participate in Warner Nobel's interment on June 11th. The morning rain stopped just in time and it turned out to be a beautiful day. Warner's family really appreciated seeing the club members bring their cars out and come to honor Warner. Thanks to Roger Holt and Slim Carlson for their help in bringing this together. Thanks again to Roy Bernick for hosting our June general meeting at his facility, please be sure and thank

Roy for his hospitality when you see him! We are back to our regular meeting schedule for the coming months with July 14th at Centennial Park in St. Joseph, August 11th at the Benton County Fairgrounds and September 8th at Tim Carson's ware house- Thank you Tim!! **Enjoy the vehicles God has blessed us with and have fun in our hobby!**

**Bob Halliday Your Club President**

### **IMPORTANT NOTICE! COMING MEETINGS**

**July 12th** Car Show Chairperson Meeting 7 pm At Tim Carlson's 3780 Quail Road NE. Sauk Rapids

**Our July 14th** General Meeting on Thursday will be at Centennial Park in St. Joseph. Please note that this is different than what was previously stated. The park is easy to find, just off County 75, directly across the street from the Kwik Trip on the west end of St. Joseph. The address is 205 Birch Street West. Thanks, Bob Halliday Your Club President.

**July 21st** Board Meeting: 7:00 P.M. Tim Carlson's 3780 Quail Road NE. Sauk Rapids

## Vice Presidents Report

Well, Hello Everyone. We had a great turn out for the June general meeting at Roy and Colleen Bernick. Thank you again for hosting the meeting Roy and Colleen. It is greatly appreciated. We had a nice turn out for Warner Noble's funeral. The family was extremely happy there was a sizeable number of members and a sizeable number of cars. Now for the St Cloud Times, which is a different story. No reporter was available, and no story is being printed. I am terribly upset with them at this time. Now as for parades and car shows, I did not know much about the Foley fun days (car show) or the parade. The Sauk Rapids parade, nobody showed up that I am aware of. I also put out a sign-up sheet for the nursing home car shows at the meeting and nobody signed up for those either. I am extremely disappointed with this car club. We need more of the younger members to step up and get involved!!! We should not always leave it up to the senior members to do all of the parades or car shows. There will be a letter of resignation in my near future. That is all I have to say at this time.

**Your Vice President Roger Holt**

## Car Show Chairman Report

**Hello Everyone,** The clock is ticking and we are now less than two months away from our annual Car Show & Swap Meet. At the time of this writing, we had our board meeting but not the General Meeting for June. As always, Roy and Coleen Bernick (along with a little help from their friends) are hosting June's General Meeting, and I am sure it will be very successful, and a good time for all. I will have the car show t-shirts and sweatshirts at all upcoming General Meetings for sale. I finally got them from the silk screeners! Please bring cash or check and get them sooner rather than later since we don't have much later left! ++ We had our flyer folding meeting on June 6th. Thanks to all that came to help with this. We also had a car show chairpersons meeting June 6th, the next will be Tuesday July 12th, 7:00 PM at Tim Carlson's "big garage". ++ Onto other car show items. I still have lots of flyers available to anyone that wants them for distribution. If anyone wants to help with the valve cover races, please see me or Steve Wendt. We also are looking for anyone who wants to donate, lend, or help with building valve cover race cars for the show. Jim Stodolka is looking for a member or two to watch over the Pan Cars in the Ice Arena during the show to answer questions, etc. ++ If anybody is in need of a worker's shirt, please see on or before our July General Meeting so that I can work out an order. If anyone has a workers shirt in good condition they are not using, please bring them to the next general meeting to pass onto others. ++ Betty Schmitt was invited to our last board meeting again to give an update on our new website efforts. If you haven't already, you can go to [pantowners.org](http://pantowners.org) and see the new website for yourself. It is a work in progress, but you will find a more user friendly, up-to-date experience. Thanks Betty for your continuing efforts. ++ On Saturday June 11th I believe we have 16 cars show up for Warner Noble's funeral procession from Benson Funeral Home to North Star Cemetery. His family was great full that we were there and thanked us for our support. We had two Pan cars there, Pan car #1 (green Pan) and Roy Bernick's Pan. Thanks goes out to all club members that were able to make this event. ++ As Jake and Elwood (the Blues Brothers would say), we getting the band back together again!....meaning, we are getting the Pan Committee back together again. I would like to see a short get together for about 5 to 10 minutes after most if not all general meetings to look at upcoming Pan car schedule of events, maintenance, etc. ++ I still have can koozies from our 50th Birthday Party free for all members who didn't get one, and 50th Anniversary Window Stickers are for sale at \$1 each. ++ Remember...If you have a project you are working on, recently finished, or intend to do, please write an article along with photos to Jim Zwilling. Would love to see your story. That's all I have for now. **Thanks and remember to.....enjoy the ride!**

**Dennis Arntson (aka) CSC "Car Show Chairperson"**
