Car Of The **MONTH**

1984 Honda Del Sol
Owner: Lily Prince

I purchased my dream car on a snowy December day in 2020 and trailered it home due to the weather, in good condition. Had some fluid leaks, so I took it to school where I was studying automotive service technician, to repair anything I found while in school. 1st repair was the Vtec leak then the oil leaks

where the rear main seals were replaced after removing the transmission as that was required for the class. I also replaced the oil cover gasket and we also added new spark plugs, replaced the valve cover gasket and water pump and all belts and a front motor mount. We also did the brakes and new tires along with some neo chrome accents.

The 1994 is the only year Del Sol used a B16A3 engine with inline 4-cylinder DOHC and VTEC with 160hp, this engine was used prior on the Honda Integra and Civics and in some other later models. Thanks, I feel honored that my Del Sol is in a car calendar.

President's Report

Hello, everyone! The weather has gotten warmer, and I hope you're getting your cars out and running. We had a good spring fun run out to the helicopter base and everyone enjoyed the tour. Good job, Gary and Todd and their wives for a good cruise! The next meeting will be held at Tim Carlson's in which we will be voting on the by-law changes. I hope to see many of you out there.

President Randy Marchand carguymrcr05@gmail.com

BY-LAW MODIFICATION (DRAFT PROPOSAL 2.0): ARTICLE V SECTION 5 Existing By-Law

ARTICLE V NOMINATIONS AND ELECTIONS: SECTION 5 Offices and Terms: The offices to be decided at the annual elections may be as follows:

Part A- Vice President - Becomes President and Car Show Chair in successive years.

Part B- Treasurer - One year term

Part C - Secretary- One year term.

Part D - Directors - Three year terms. Two elected each year.

Part E - Sergeant at Arms - One year term.

Change Parts A through E in its entirety to read:

ARTICLE V NOMINATIONS AND ELECTIONS: SECTION 5 Offices and Terms:

Part A - Vice President: Two-year term. Elected Vice President is allowed a maximum two two-year terms. Can run again for Vice President after a minimum one two-year term absence. Election for Vice President must not be in same year of election for President.

Part B - President: Two-Year term. Elected President is allowed a maximum two two-year terms. Can run again for President after a minimum one two-year term absence. Election for President must not be in same year of election for Vice President. **Part C -** Car Show Chairperson: Two-year term. Elected Car Show Chairperson is allowed a maximum two two-year terms. Can run again for Car Show Chairperson after a minimum one two-year term absence. Election for Car Show Chairperson must not be in same year of election for President.

Part D- Treasurer: One year term

Part E - Secretary: One year term.

Part F - Directors: Three year terms. Two elected each year.

Part G - Sergeant at Arms: One year term.

Justification for By-law proposed change: Proposed changes are only for the positions of Vice President, President and Car Show Chairperson (Positions fro Treasurer, Secretary, Directors and Sergeant at Arms will remain unchanged). In recent years, it has been difficult to get members, in good standings as required by the by-laws, to accept nominations for the current three year term (Vice President, President then Car Show Chairperson). With this reluctance, and the talk of what would happen to the club if we don't get members to come forward, this proposed by-law change is one way to gain interest in these positions. The thought here by splitting the three duties as individual positions, hopefully will increase membership interest in the following ways;

1) A two year commitment in lieu of a three year commitment.

2) A member may have the interest, or courage, in only doing one of the three duties.

3) Knowledge gained by doing the duties for the first year can be applied to the secondm year, which should result in better outcomes. The reason for election of Vice President being in the off year for the election of the President is a way to provide continuity between the Vice President and the President. Also, the election of the President being in the off year of the Car Show Chairperson is for the same reason. As a result, the Vice President and Car Show Chairperson will be elected in the same year.

Car Show Chairman Report

GOOD NEWS! The last two chair positions have been filled. All reports are good. Show car pre-registrations and swap spots are coming in. The craft spaces are filling fast and all outside contracts are in the works. The "T" shirts are on order and will be here for the June meeting. The Trophies have a full sponsorship by Gilleland Chevrolet. Show flyers are being sent out and taken to area car shows. We are definitely on track for a great show. If you know of car shows you are going to, take show flyers to pass out. If you need flyers, call me and I'll get them to you. Have a great Memorial Weekend and I'll see you all at the car shows.

Results From Spring "Trash and Dash" Event May 4th

Thanks to all that could make this spring's ditch clean up event. We had nine walkers (Dennis and Kathy Arntson, Mark Adelman, Keith Bauman, Wade Tobin, Kevin Sanders, Tom Hall, Bob and Donna Salmonson), and two drivers (Barb Neske and Ray Schouviller). Even with lower numbers, we were able to clean up nearly all but a short length of the complete two mile run, but it took just over two hours to do so. Hopefully this fall we can get more club members to participate so we can complete the job in one to 1.5 hours and have time to have a car cruise. There was rain in the morning, but the weather cleared up by the time we started. Actually the weather was perfect that day, the wind was down too. Look forward to good weather this fall where we can also do a car cruise "Dash" afterwards. Thanks again! Dennis
