President's Report

Hi Everyone, Hopefully everyone is handling the snow ok. Me personally I don't like it. It makes driving hard and walking as well.

At the general meeting I asked if anyone knew of someone that could help us out with the storage containers.

We'll we decided at the board meeting to put that on hold for now because we can't get to them with all the snow.

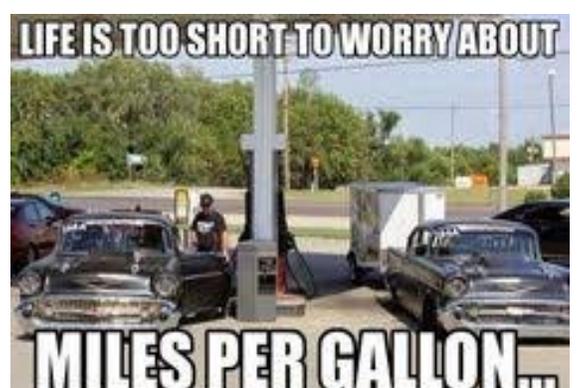

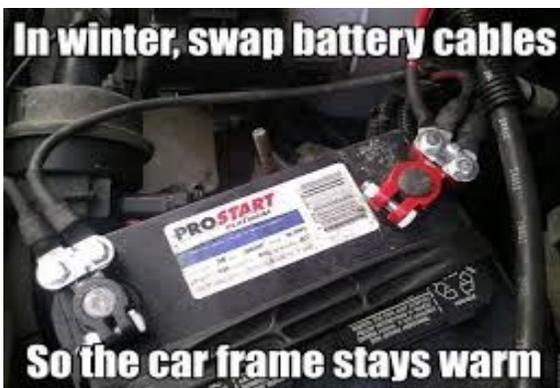

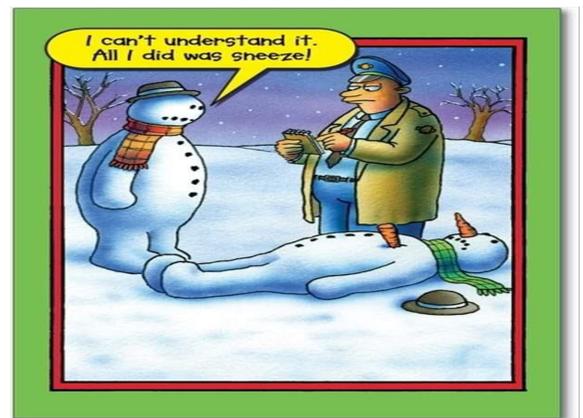

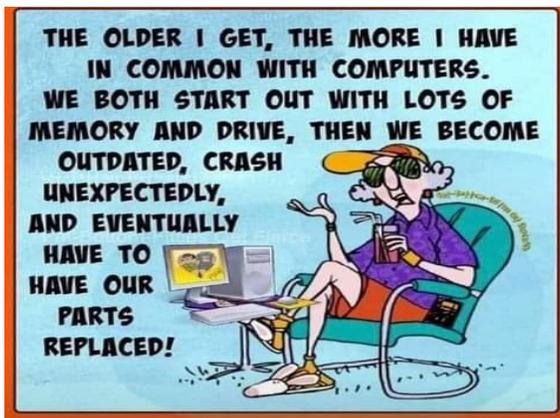

I am still working hard on getting ideas for events that we could do as a club.

I believe that participation in a club is most rewarding and I am very excited to get to know more of our members.

Have a great month and let me know if you see any interesting movies.

Tina Holt Your 2023 Club President

Vice Presidents Report

I hope everyone liked my introduction article in last month's Siftings, and enjoyed my first report plus my personal true story. I must now tell another. After 52 years of teaching and over 15,300 student's names to learn, my name learning RAM has limited space available to store names without deleting my kids and grandkids names. I am looking to reboot in hopes of getting more storage capacity. So I am asking for your forgiveness in advance if I cannot pull up your names from memory.

I'm looking forward to a great year and after my first board meeting in January I am confident that we have a great team going forward. Keep your eyes on the Car Show, Parades, and Display (displays will include the nursing home events list) for it will be updated each month as I get new events or new information on current listings. Most of the list right now are taken from last year's events and moved the date up to this year. I have very few new fliers yet.

Please "E" mail me of any new shows or changes you know of too listed shows. I have been searching on line and making phone calls to try verify each event, but your help would be greatly appreciated in this process. I'll try to keep my articles short for my event list is long.

Car Show Chairman Report

Hello Everyone, Everything is moving along for the car show. In this past month after a week of trying, I was able to obtain the insurance certificates needed for the various coverages for our show. The issue was our agent had retired last fall and apparently the agency had not assigned a new person to our account. But that is all resolved now and we have what we need for insurance this year. I have the t shirt design in process, and you may have guessed, but there will be a MOPAR on the shirt this year. I will start taking orders as soon as a proof is ready.

I have contacted several national companies, such as Mothers, Stoners, Rock Auto, etc. to solicit goodie bag items. Also have started to reach out to local businesses. I have contacted the car show chair people and will continue to look at filling any vacancies. I have proposed a plan to Rick Gayken about our added Laid-Back class and we will have a special meeting to review any proposed class changes, such as the move of some cars to the ice arena. And speaking of meetings, I postponed the Show Chair meeting to March because of the snow storm and to give some of our snowbirds a chance to fly north. **So, our Show Chair meeting is now Thursday March 23rd 7:00 P.M. at the Waite Park Moose.** I'm really looking forward to working with the great team our club members make up for putting on one of the best shows in the state!

For all of us that have a little Irish in them (one of my grandmas was a Kennedy / New York not Massachusetts) or those that are Irish for a day - Have a Happy St. Patrick's Day on March 17th. **Pray for nice weather the 3rd weekend in August!**
