President's Report

Hi Everyone, It is already late fall/early winter and some of our snowbirds are thinking about heading south already. It is a slower time of year for our hobby, but I still have a couple things to talk about.

We are continuing to work with Joe Tetrault from Edward Jones in making the switch from RBC for our financial holdings. We did encounter an interesting minor setback when RBC stopped the exchange stating we had the wrong tax I.D. number. As it turned out RBC actually had the wrong number listed

for our account and once that was straightened out the exchange has continued to move forward. We also discovered we were delinquent in filing our status with the state of Minnesota, but our accounting service has accepted the responsibility for not filing on time and is paying the fine. Next, I wanted to note that last year we removed some of the members cars from our roster that failed to meet the 20-year-old collector car status. However, apparently some not meeting the cut off were left in, and I just want to say that was an oversight and not meant to single out anyone. That said I will be contacting those of you who had cars removed, and this year would now qualify, to verify you still have the car and we can get it back in our 2023 roster. Related to that subject, it is time for us to renew our membership. On the re-newel form this year we are asking that you list only vehicles added to your collection or vehicles removed from your collection. If everything is the same, just mark no change on the membership form. Also, all the Life Members please remember to turn in a form, even if you are not making any changes.

It is also the time of year for board position nominations so please consider serving in a position, or recommending someone who you think would be a candidate. Please see our notice elsewhere in the siftings, we need our volunteers to help keep our club one of the best. Lastly, I hope you are able to join us for our club Birthday Party on November 12th at the Gorecki Center in St. Joseph. The cost of food, and inflation in general, has driven the costs up for everything over the past year, but I still want us to have a good birthday celebration, so I already told Bob S. our budget was in danger. We do need to take a look at the event budgets in our 2023 plan and make some adjustments for next year. If anyone has something they would like to donate as a prize please let me know, since I still want to keep the tradition of our prizes, and we can use some help with donations to help keep the expense down. Please let me know so Shirley and I can plan our shopping accordingly. Please see the party notice in the Siftings and let us know before November 7th if you can attend so we can get the meal count in. I will take your payment at the Nov. 10th meeting or the night of the party, but you must let us know before the 7th. Note that we are not having a band or music, so we can just relax and visit with each other during the evening. There will be a trivia game with a special prize and videos playing. May God bless you and your family as you enjoy a Happy Thanksgiving!

Bob Halliday Your Club President

Vice Presidents Report

Hello Everyone, Fall is here and the leaves are turning beautiful colors. Time to put away the cars, bring out the fall, and winter toys. I hope everyone had a safe Halloween and looking forward to Thanksgiving. How may of you are looking forward to the snow. Me for one, am not. Snow is most difficult for elderly people do to slipping and falling on the ice. Please be careful as we approach this season. Hope everyone can stay safe and healthy for the upcoming holidays.

This year we are celebrating the 51". year of the St. Cloud Antique Auto Club. Over that time our club has become one of the premier car clubs in Minnesota thanks to the work and dedication of its members. To continue that tradition and keep operating our club, we need members to fill the open 2023 board positions. These positions are: Vice President, Sargent At Arms and two Directors. If you have questions about these positions, are willing to fill one of these position or know someone that may want to; please contact Tina Holt at 320-510-0258 or email wils0732@hotmail.com. or talk to Tina at our meetings.

Please consider helping our club continue in 2023 and beyond! Thanks! Bob Halliday

Car Show Chairman Report

Hello Everyone, This year is going fast and we are once again looking for nominations of club members onto board positions. Please consider this, I know we have good people out there with great ideas.

I am getting to the tail end of my duties as Car Show Chair. On Tuesday October 11th we had our car show after action meeting, I want to thank those that came to the meeting. We had discussed many things (what worked well and what could be approved upon), hopefully we can incorporate some changes that will help to make next year's show even better. I continue to

hear from people saying that we have a really great show, some say even the best show. This is always

great to hear, let's keep it going.

Ĭ do have car show sweatshirts still available for sale in all sizes, although very limited in small (2) and medium (1). I will have them for sale at the November and December General Meetings, or you can call me to reserve yours. They will make great Christmas gifts (less than two months from now), or they are great to wear around a fall campfire! I want to thank Lily Prince for helping with clothing

sales at Pioneer Days in September.

Still looking for ideas what to do with the "Youth Car/Truck Enthusiast Award". We didn't get any applicants last year although I had a lot of positive comments when I handed out the application forms around the community last spring. Maybe \$200 is not enough to get interest? Maybe COVID played a role in getting no interest? Not sure where to go with this, but still think we need to do something to attract the younger generation.

Still have 50th Anniversary Window Stickers for sale at \$1 each.

Remember...If you have a project you are working on, recently finished, or intend to do, please write an article along with photos to Jim Zwilling. Would love to see your story...... know they are out there, or maybe you can share a "how to do" auto restoration idea. That's all I have for now. Thanks and remember to......enjoy the ride!

Dennis Arntson (aka) CSC "Car Show Chairperson"

Call to Order: Bob Halliday called the meeting to order at the Moose in Waite Park and Tom Hall led the pledge of allegiance.
