Mission Statement:

To Preserve The History Of The Pan Automobile; To Introduce And Educate Current And Future Generations About The Collector Car Hobby; To Promote Fun And Fellowship Amongst Its Members And To Invest Time, Talent, And Capital Into Future Club Projects And Functions.

Car Of The **MONTH**

1937 Desota Business Coupe
Owner Jim and Carol Stodolka

I purchased this car from LeRoy and Jo Blanchard in 2015. It was setting for around 20 years. I decided to get it roadworthy over the winter of 2019 - 2020. I pulled the motor and transmission, rebuilt the front suspension and replaced all the wiring. With over-drive, it cruises at 60 - 65 mph. Thanks you for voting for our car. Jim and Carol Stodolka.

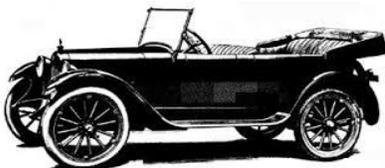

HAPPY

Labor Day

President's Report

Hi Everyone, As I write this, we have just had our 2022 car show, which I feel was a successful, well planned and well ran show! As Dennis said it takes several club members coming together as a team to put on a successful show like ours was. So, a big Thank You! to all who had a part in organizing, running and working in the many areas our show and made it the success it was! Of course, a special Thank You to Dennis Arntson for doing a great job as our Car Show Chair this year! Those that have served in that position, know what is involved in that job, and I thank Dennis not only for the great job he did (and still is doing by the way taking care of the after show duties) as our Car Show Chair, but also for including me in some things to help me get ready as I take the position over for the 2023 show. Even with all of the things that happened to come-up, Dennis rolled right through them and still was having fun in his position. As I always say if you are not having fun in your hobby, you should not be doing it since that is what hobbies are for - to have fun - Dennis is a great example of that. Also, as some heard me say at the end of our show this year, I have already hired Dennis as a consultant for next year - he will definitely be a part of or show chair committee in some way. As I told Dennis I'm finding the show is not over when we "eat our chicken" and leave Sunday night after the show. I think many of us in the club may not realize the work a few our people are still doing on the Monday after the show. We still have to check the fairgrounds over for trash and debris left behind, make sure everything is in order and all the building and gates are secure, including removing all of our club locks and putting the fairgrounds locks back in place, cleaning and returning the side by sides and other vehicles we are loaned to use at the show, and of course removing both PAN Model As and the 250 from the fairgrounds and getting them back to storage or the history display. As I stated some of us may not even realize this is taking place or just taking for granted are getting done. Another thank you to Nancy, Keith, Mark, Troy and of course Dennis for doing these "Monday duties" this year. We also should note that Keith Bauman, and especially Nancy Zupan with her position on the Fair Board, are doing many things to help our club's status with the fairgrounds. Please make sure you thank them when you see them. As I said at our meeting last month, Joe Tetrault with Edward Jones will be talking to us at our September meeting about our club investments and options we can do with them. Joe was at our car show and I spoke with him briefly, and know he will have some interesting options to present to us. Betty Schmitt continues to develop our new website, so please keep checking it out and watch for our updates. By the time you read this our show winners and pictures of some of the winning cars and model cars will be on our website. For the Pan Car/Club awareness, we had an appearance at Kimball Days as part of a Historical Exhibit on August 12th. There was a small crowd, but the car was well received and many questions were asked. In September, we will have the Pan car on display at the Little Falls car show on the 11th. and Pioneer Days in Albany on the 15th thru 18th . Please remember we need help from other club members to work with the Pan at these events, since the car is the club's and these are club events, not just Pan committee events, so your help with this is appreciated. Tim Carson is graciously hosting our September general meeting on the 14th so please thank him for his hospitality! We will be having a pot luck at the meeting with the meat and potatoe salad left over from the show, so bring something to share. **Enjoy the vehicles God has blessed us with and have fun in our hobby!**

Bob Halliday Your Club President

2022 Pan Car Events/Apearances

Lone Eagle Car Show in Little Falls: Sept. 11th
7 AM-2 PM

Pioneer Days in Albany: weekend of Sept. 15th
- 18th .

Vice Presidents Report

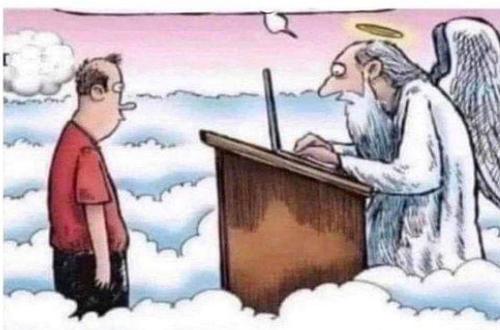

Hello Everyone, We had a great day for the car show. Great turn out of cars as well as attendance. I want to thank everyone at the show for helping me with learning what goes on and who does what. I learned a lot from a lot of members at the car show and I have a good feel for what is expected of me in two years. I can't wait for next year to learn even more. The fall tour is coming soon, and I hope to see many of you for that also. I hope that we have a great day for that as well. Not much else going on. I have not been informed of any other parades of shows as of yet. Thanks again to all the members at the car show that helped me to learn how everything works.

Vice President Tina Holt

Car Show Chairman Report

Hello Everyone, THANK YOU, THANK YOU, THANK YOU!!

The 2022 Car Show & Swap Meet is now in the history books. Thanks to all club member, their friends and family, and other organizations that helped to work and make this car show successful. I think the numbers (\$) will show that we did great. Coming off an event like this gets a person excited to plan for next year, and I know Bob Halliday will do a great job getting this in motion for a successful 2023 show.....so volunteer early.....right Bob? There are a lot of good things to say about the car show, that I witnessed as I went around. As in past years, all car show chairs (from show cars, car corral, swap, kitchen, clean up, the list goes on...) knew what had to be done, and did their jobs well. I believe we even had everything cleaned up and had the fairgrounds back to "better than pre-car show condition" in record time. I heard from several spectators about how well organized and how big our show was, and that we have a lot to offer. I heard from swappers that like coming to our show. These types of comments are a testament to the value we offer to the community. I will have an After Action Meeting with all car show chairpersons in either late September or early October to discuss what worked well and what needs improvement to make an even better show for next year. If there are other club members that want to attend this meeting, watch for detail. One thing to look at will be the Valve Cover Races. I believe it was a success with about 20 racers, and would like to thank all involved with this including, but not limited to: Steve Wendt for organizing/running it, Rick Johnson from Rock City Rods for bringing it to our show, and Terry Yager and Hot Rod Hoodlums for building it. With all things considered, it would be difficult to put on a car show like we do without our sponsors. I truly want to thank them all, and in particular I want to thank Miller Buick GMC and Gilleland Chevrolet for what they did to sponsor all of our trophies and provide great advertising for our show on the airwaves at no cost to us. To show appreciation for their support, I am trying to work with Andy Mohs at Miller to do a car show in their parking lot. Hopefully this can happen yet this fall, or if not, maybe early next year. I know people are going to ask, so I will give you estimated numbers for this year, actual numbers to be verified later: All show cars (outdoor/indoor, including club cars) to be about 540, swap spots around 310, car corral at 78 and motorcycles at 23. These numbers are down some from last year, but above others. ++ Most all of the new staff workers shirts were given out to members for the show. If you have old ones that are in good condition and/or may not fit anymore, please return them to the club clean so that others may use them. ++ This year's Fun Run was a great success as well. Jim Zwilling said they had 178 cars attend. About the same number as last year. Think about this....if each car being about 15 to 18 feet long, and if tightly parked at about 20 feet per car, 178 cars would make a line 3,560 feet or 2/3 mile long. When cruising, this line becomes miles long!! ++ Also want to thank the Benton County Fair Board for allowing us to display cars in the Ice Arena during the county fair. We were not charged to do this and it helped to promote our car show to all fair goers. I am sure it was successful, because I think we had a large number of spectators come to our show this year. ++ Still have 50th Anniversary Window Stickers for sale at \$1 each. ++ Remember...If you have a project you are working on, recently finished, or intend to do, please write an article along with photos to Jim Zwilling. Would love to see your story. That's all I have for now. Thanks and remember to.....**enjoy the ride!**

Dennis Arntson (aka) CSC "Car Show Chairperson"

2022 Pan Towners Car Show and Swap had 464 cars come thru the gate. We had 170 pre-registered cars. Thanx to ALL that helped so much to make it go smooth!! **Wendy Theisen Car - Reg Lisa Dehn Pre - Registration**

Membership Meeting Minutes

August 13th 2022

Call to Order: Bob Halliday called the meeting to order at The Benton Co. Fairgrounds and Bob led the pledge of allegiance.

New Members: Barry and Sriwan Paulson, Daniel and Mary Stroeing, Al Neff, Steve and Heidi Schack had a mix up with dues and are still members.

Guests: none

Approval of Minutes: Nancy Zupan made a motion to accept the minutes as written and Todd Whitney seconded. Discussion and motion were carried.

President: Bob Talked upcoming meetings, Joe Tetrault from Edward Jones will be at our September general meeting talking about club finances. Website and trying to get online registration. Pan car was at the Cold Spring car show thanks for the help along with other appearances. Siftings build projects can be submitted to Jim Zwilling.

Vice President: Tina talked about parades, needing younger volunteers and wanting ideas on how to get the younger members more involved with events

Treasurer: Bob reported on our two accounts. Tim Carlson motioned to accept the report and Carol Ann Zika seconded. Discussion and Motion carried.

Secretary: Lily Thanked Carol Stodolka for the thank you card. Question on dues. which according to the by-laws are due on January 1st of each year.

Car Show Chairman: Dennis talked about needing help at car show and members wearing your name badge and the t-shirts that Lenny's Crossroads Automotive helped pay for. Trophies are done thanks to Miller Auto Plaza for paying for them all. Needing goodie bag helpers for 2 items after the board meeting. Dennis mentioned sponsors, sales, and advertisement along with Dennis being a DJ and a radio interview. Contracts are signed. Saturday potluck lunch. Asked chairpersons for car show if they needed helpers.
