2025 Pre-Car Show Fun Run

Thank You to everyone (club members and non-members alike) who came to our Fun Run the night before the car show. We had in excess of 120 cars. The Good Lord kept the rain at bay and it was a beautiful evening. I especially want to thank the club members who have helped me from the beginning. Keith Bauman, Barb Neske, Terry and Marie Knappek, Kathy Heim, and of course my awesome wife Mona. Also thanks to Great River Bowl for allowing us to end our fun run in their parking lot. These people are truly a blessing to me. Thanks Again Jim Zwilling.

Car Registration 2025

A Huge Thank You for all of our workers this year. It's really nice when people just come in get to work. All around seems to have rolled along decent. We had a few hiccups but that's always expected. I had to take it easy and rest a lot this year and appreciated the extra help. Thanks Again. See you all next year. Enjoy Life!

Life Time Achievement Award 50 Years Of Exceptional Service

We would like to thank the club for the award presented to us at our 50th Annual Car Show for our 50 years of working the car show. It was truly unexpected and a Great Surprise. When people tell me you have to get up pretty early to fool them - I reply you have to stay up all night to fool me!! Well some people stayed up all week I guess to fool us. We want to thank Randy Marchand, Barry Kirchoff and Terry and Chris Yaeger and I'm sure a few other culprits involved in pulling this off.. Another neat event happened in that our 1930 Model A Roadster that was at the first in show 1975 was able to get out for the 2025 show, flat tire and all. Maybe we'll be around for the 100th show!! Ha Ha. Bruce and Wendy Theisen

Destination Burger

Hi everyone! I wanted to do something new this year that I'm going to call 'Destination Burger'. It will be a cruise each month to a drive-in restaurant here in Minnesota. The schedule for this year will be down below. If your interested in going, please let me know either by e-mail at tommy0236@gmail.com or sending a text to 320-250-3206. This is simply to let me know who to expect so we don't take off without you. If you let me know you are going but that changes, please let me know that as well so we don't delay our departure waiting. As there are only 13 (Non-chain which excludes Sonic) drive-in restaurants in Minnesota, if you know of somewhere that has fantastic burgers (a small-town bar or such), let me know and I can throw them in the rotation as well!

2025 Destination Burger Schedule
