Car Of The **MONTH**

2003 Ford F350 Superduty
Owned By Jim & Carolee Stodolka

I purchased my F350 from my brother-in-law in 2019. It has around 74,000 miles and has never seen winter, The truck has plenty of power for hauling and towing. The truck has the IH 7.3 motor which IH stopped production in November of 2002 and Ford quit selling in October – November of 2003. Thank You for picking our truck. Jim and Carolee Stodolka

President's Report

Hello, everybody! By the time this gets out to you, Thanksgiving will be over and done with already. I hope everyone had a great Thanksgiving! The birthday party is over, and it was a fun time. We had a good turnout, and I hope everyone enjoyed it. I want to thank Lily Prince and Kristi Marchand for all the help they gave me at this party; I could not have done it without them. I am coming down to the last couple of meetings of being the president. It has been a pure joy to be the president of this club, and I have enjoyed all the people I have talked to. As a reminder, **there is no potluck at the December meeting**, but if you would like to bring cookies to share, that would be appreciated greatly. I hope each and every one of you has a Merry Christmas and a Happy New Year!

Vice President's Report

Hello hello, I trust Thanksgiving went well for everyone. I am thankful Ralph stepped up and will be our new Vice President. Tina as Secretary! Yeah, now about our first year Directors?? And Sargent at Arms?? The club will survive without these but will end our spring and fall tours to interesting places as a club. Also no pop or water at meetings not held at the VFW. No card drawings or sound system. Our club will survive without these things but it would be a sign of the end. Sorry to seem so down but we can't farm out these positions to the 4H, Foley Trap Team or Next Gen Car Club. WE need to do these things, let's keep it going for a few more years, PLEASE. God Bless and keep you all safe. May His peace be upon you!

FOOD FOR THOUGHT!

Being a director of a car club can be a rewarding experience for a number of reasons, including:

Sharing knowledge: Directors can share their knowledge and experience with other members, inspiring them to learn more about their cars.

Networking: Directors can form genuine connections with like-minded people.

Positioning the club for success: Directors are responsible for the sustainability of the club and helping it to succeed.

Contributing to the club's success: Directors can use their professional experience outside of the club to contribute to its success.

Monitoring the club's activities: Directors monitor the activities of the club's staff and program boards.

Car clubs are communities of people who share a passion for cars and can offer a variety of benefits, including:

Events: Car clubs organize events like car shows, races, rallies, and road trips.

Learning: Members can learn about the latest trends, technologies, and government policies related to automobiles.

Networking: Members can form genuine connections with like-minded people.

Helping others: Car clubs often contribute to social causes.

Access to experts: Members can benefit from the experience of experts and other enthusiasts.

For the reasons above and the benefit our club is to our community and to our club members I encourage you to consider running for a director position. Thank You! Jim Zwilling

Car Show Chairman Report

The car show is in the hands of Randy for number 50th. I still have 36 sweat shirts left, 2 smalls, 4 mediums, the rest are large and X-larges. Help the club and buy one for your self or give some as gifts. I'll have them at the December meeting or call, email, or TEXT me at 320-290-0504 Merry Christmas and God Bless you all.

The Annual Meeting Of New Residents Is This Weekend !!

And somehow we did it with 2 wheel rear drive, no antilock brakes, non-positraction, no traction control, on bias ply tires vehicles! And it was no big deal.
