Car Of The **MONTH**

1941 Dodge Luxury Liner 2 dr
Owned By Fred and Renee Mehr

We were visiting a friend of ours (Chuck Cochran) from Shelbyville, Indiana a number of years ago when we spotted this car. We liked the grille and the overall looks of the car. Chuck mentioned that he might just give us this car. We didn't know if he was serious about that but fast forward a few more years and it became true. We had worked on a few projects together and when it became obvious that he would not be able to do any more with his cars, he gave it to us. The car had not been run for about 10 years and the fluid drive leaked badly. So; I needed to do all the things necessary to a car that had not been run for that length of time along with working on the fluid drive unit. It still leaks a little even after installing a new seal kit but is now manageable. It is a fun car to drive and have certainly learned a lot about fluid drive which was a step on the road to automatic transmissions. Thank you for voting for our car. Fred and Renee Mehr

Fran and I would like to thank everybody who participated in our last fun run. We experienced a glorious evening of weather and an excellent variety of food for our pot-luck meal, and had an enlightening explanation of the therapy of horses and two veterans who shared some of their experiences. a good round of socializing and we even had some people who were unsure of where we were and asked for directions (Barb ?). We had 10 cars and about 30 people who braved a nice evening on some back roads with everything green and fresh. As this is our last fun run we would like to see someone step up to keep this opportunity to get our cars out on the road and do some socializing. Les and Fran

Non Sponsored Car Tour

We did it, we had the 3 day non club sponsored tour on Jun 13, 14, and 15th. There were 9 cars and 18 people. We started out on Friday from Sartell and went through Litchfield where we had lunch and toured a historical home (very nice). Then onto Hutchinson to the hotel for the evening. Several went across the street to a collectors store and had fun going through stuff. It rained all day, but we still had a great time.

Saturday morning left hotel and traveled over to Lakeville (all back roads no main highways) to view Hot Sam's Collection. That was really something to see and everyone seems to enjoy looking at lots of stuff and wheeling and dealing on their purchases. Had lunch at a very good bar and grill. Returned to hotel for socializing.

Sunday returned back to St Augusta where everyone dispersed and headed home. We had a Great weekend. Thanks to Keith and Barb for all of the trips and time spent on the tour. Keith is already talking about next year, hopefully someone will step up to help him. Thanks to everyone who attended and made it a success.

Call to Order: Ken Pflipsen led the pledge of allegiance at Mill Stream Park in St Joseph MN & Paul Schmidtbauer called the meeting to order. Also, under the Announcements in the May General Meeting Minutes Dorothy Paulson's name was spelled wrong.

Approval of The Minutes: Keith Bauman made a motion to accept the corrected minutes as written and Todd Whitney seconded the motion. Discussion and motion were carried.

Thank You: Pete Tourand for the pop tops.

President: Paul Schmidtbauer stated that the July General Meeting will be held at Tim Carlson's Shop. Paul also talked about the thank you card from the family of Dan Arntson for the gift of money honoring the memory of Dan. Also, Paul stated that he will be listing in the Sifting all the places that Pantown members can get discounts and what those discounts will be. Please use these discounts because they show support for our community and for the car club.

Vice President: Ralph Anderson talked about car shows coming up. There is a list for people to grab if they want will be listed in the Siftings. Also, Ralph stated that the square units for credit card processing are in the process of being set up.

Treasurer: Bob Halliday is filling in for Bob Salmonson. Bob talked about the switch from Great River Credit Union to St Cloud Financial Credit Union is still in the works. Todd Whitney motioned to accept the report and Gary Anderson seconded. Discussion and motion were carried.

Secretary: Tina Holt talked about a thank you card from the family of Aron Peterson for the flowers sent to his memorial and thanked the Pantowners for the get-well card for Roger Holt on his surgery.

Car Show Chairman: Randy Marchand talked about securing a radio spot on WJON for the car show and still waiting to hear back from Al Neff about a spot on the GOAT. Randy also talked about a visit that he made to Roy Bernick's Daughter Lisa and that all of his cars are staying in the building and if anyone wants to tour the building or knows of any groups that would like to tour the building to let him know. Lisa also told Randy that she would like to have a Pantowners meeting there again next year.

The winners of the card drawings this month are: Darlene Klug, Don Wieber, Dennis Klug, Ron Paulson, and Randy Marchand. The badge drawing was Mona Zwilling who was not present at the meeting so the amount for July meeting will be \$60.

Board Meeting Minutes

June 19th 2025

Call to Order: Paul called the meeting to order at The Moose and Ken led the board members in the Pledge of Allegiance.

Roll Call: Bob Halliday and Bob Salmonson were excused. Everyone else was present.

Guests: Barb Anderson

Approval of The Minutes: Todd made a motion to accept the minutes as written and Randy seconded. Discussion and motion were carried.

President: Paul talked about the upcoming general meetings. July will be at Tim Carlson's shop starting at 6:30pm. Tim will be grilling meat and would like everyone else to bring something to share for a potluck. Paul talked about members going to other car shows. If people ask us about our car show, simply state the rumors are not true.

Vice President: Ralph has nothing at this time.

Treasurer: Bob Halliday and Bob Salmonson were excused, and no report was given at this time.

Secretary: Tina talked about the cost of postage and supplies going up. Next year the cost to mail a roster will be \$3 dollars instead of \$2. Also, it was talked about adding an additional \$3 if you would like a calendar mailed with your roster. We print a roster and calendar for every member, but those that do not come to the meetings will have the option to have them mailed for the additional cost, so we do not have so many left at the end of the year.

Car Show Chairman: Randy stated that we have a contract with the fair board. Also, the staff shirts are completed. Randy would like to see other members help with calendar sales next year and to see him if you can help.

1st Year Directors: Everything is set for the fall tour.

2nd Year Directors: Tom and Mike stated that everything went well with the spring tour, and they are already working on the spring banquet.

3rd Year Directors: Todd and Gary stated that they are semi-retired for the rest of the year.

Pan Car Committee: Pan Car is ready for displays and shows. We need people to bring the pan car to the places and bring it back to Dorothy Zika's where it is being stored. Please volunteer if you can. This is the only way to get people to see the pan car and appreciate it as much as we do.

Old Business: nothing at this time

New Business: Randy mentioned that he will not be doing calendars next year but is available to anyone that would like to take it over to get them started. Tom talked about having an option on the member renewal form for members to check if they DO NOT want their address in the roster. Tom mentioned that some members might be doing late renewals, so they miss the cut off time for the roster, so their address is not listed.

Adjournment: Mike made a motion to adjourn, and Tom seconded. Discussion and motion was carried. Time 8:19pm

Secretary Tina Holt

Destination Burger

Hi everyone! I wanted to do something new this year that I'm going to call 'Destination Burger'. It will be a cruise each month to a drive-in restaurant here in Minnesota. The schedule for this year will be down below. If you're interested in going, please let me know either by e-mail at tommy0236@gmail.com or sending a text to 320-250-3206. This is simply to let me know who to expect so we don't take off without you. If you let me know you are going but that changes, please let me know that as well so we don't delay our departure waiting. As there are only 13 (Non-chain which excludes Sonic) drive-in restaurants in Minnesota, if you know of somewhere that has fantastic burgers (a small-town bar or such), let me know and I can throw them in the rotation as well!
