## Car Of The **MONTH**

**1930 Ford RS Coupe**  
**Owned Jerry and Marian Kriese**

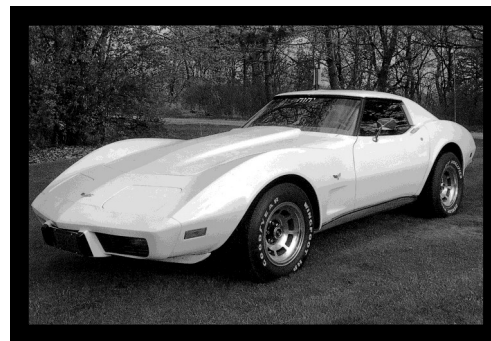

When I was a little boy in the 50's my older brother would buy, drive, and destroy Model A's by the month. I thought "wow" some day I'm going to do that. When my wife was a little girl her dad had a Model A coupe, it was a 5 passenger vehicle. In the 80's Marian and I purchased what we thought was a Model A, it turned out to be a 1930 Chevrolet. We restored it and still own it today. In the summer of 2023 a friend in the auto club told us about a Model A for sale in Blaine, Mn. We went to look at it, dead battery, mostly flat tires, but respectable so we loaded it up and brought it home. And now you know the rest of the story. Thank you for voting for it for the 2025 calendar. Marian and Jerry Kriese

# President's Report

Happy Springtime!! We are blessed with another season of adventure! I have been thinking about what I will need to do with my car before driving again and looking forward to it. I hope you all enjoy your car/cars. As far as club stuff the **April general meeting is at The Moose in Waite Park**. We will hand out year pins to club members. We will also honor the early members of the club. Let me know if you would like to do a cruise before the May meeting. I would enjoy that. Like always stay safe and keep God in mind while we prepare for the future of our club and ourselves. Peace be with all of you! Paul

## Vice President's Report

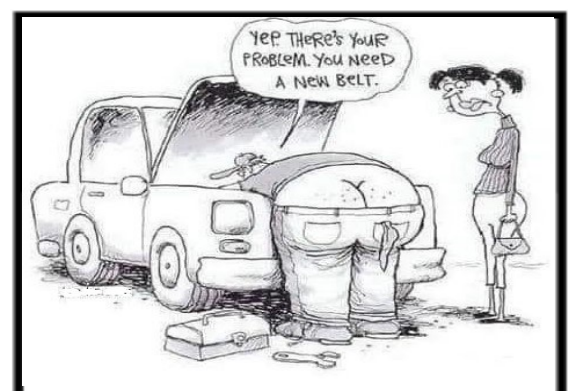

Hello, I am writing this article when it is still getting down close to -20 below. Sure am glad I have a car that starts up in this bleeping cold weather! Good news is it won't last long. Show weather is just around the corner. We have the list of dates for CRUISIN' IN 2025. There are parades getting set up!, if anyone is interested in being in the parade in St Augusta, MN, June 21st, let me know. I will get with them to see if can save a spot for the Pantowners. Some members have told me oldest cars they were in a date was Gary and Barb - a green 1956 Pontiac (he said is there any other color?): Todd and Peg was a 1964 Malibu: Randy said his first date was in a 1965 Plymouth Satellite, Paul, 1969 Chevy Impala jacked up back end, big tires on the back, small ones on the front! Looking forward to hearing more from you all!

## Car Show Chairman Report

.Hello, everybody! It feels like the weather is finally starting to warm up and I'm getting itchy to get the cars out! On the list of car show items, I am doing very well at trying to get some of these contracts signed. For the most part, things are in place and looking good. I do have the new shirts for sale, and I will have them at the next general meeting. We do have a chairman's meeting on March 27th at 7:00 pm at the VFW #428. I am looking forward to everyone coming to the meeting so we can finalize the flier. I think we are close, but it may need to be tweaked a little bit. I should have a rough draft so everyone can take a look at it.
