Car Of The **MONTH**

1931 Ford Model A Sports Roadster
Owned By James and Nancy Laumeyer

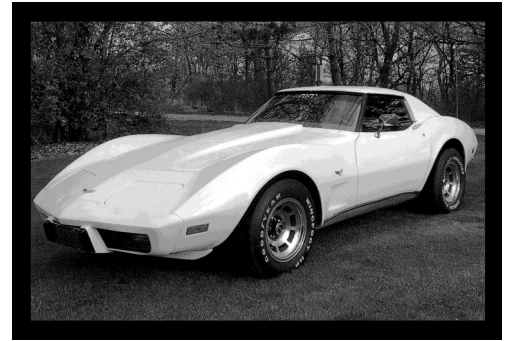

This vehicle was restored over 50 years ago. It still wears the lacquer paint which was applied at that time. We found this car through a friend, in central Minnesota. It had been parked in a shed for almost 12 years. I spent 5 months making it safe and presentable. It will be a fun car to cruise on sunny days. Jim Laumeyer

President's Report

Greeting all! Fall has arrived! Wow summer goes fast like our cars. Time to get things ready for storage and prepare for indoor stuff. Oh wait we have elections in the club. Are you thinking of a Vice President or two first year Directors? How about Sargent Of Arms? Give it a try at the next meeting. Anyway it was another great summer. We did loose some awesome members but we have really nice memories of all they did. Thanks for being a caring group of car people and friends . Starting to prepare for next years car show and it's going to be big!! Peace and Blessings to you. Find the silver lining around all the dark clouds that pass over us. Paul
