Car Of The **MONTH**

1937 Ford 2 Dr Sedan Slantback
Owner Bob & Donna Salmonson

In 1977 we drove to St. James, Minnesota to buy this car. We drove it home in a snow storm! It was red and had a 265 c.i. Chevrolet motor with a stock running gear. The interior was stock except for Mustang bucket seats. It was a fun ride! In 1980 we totally rebuilt the "37". We found a rolled 1969 Camaro with a 350 c.i. motor and 350 turbo transmission. We also used the Camaro rear end. Our goal was to build a "resto-street rod". We did the interior stock looking with a dark blue 1980 Cadillac velour fabric. The paint is 1980 Lincoln dark blue metallic, We installed chassis engineering frame with a Pete and Jakes 4 1/2 inch drop front axle. Also Tru-Spoke wire wheels give it a rich look. We have had many fun years of travel with our 3 daughters in this cool car. It has well over 100,000 miles of use. Thank You for selecting our 1937 Ford for the calendar! Bob and Donna Salmonson.

Note From The Editor

I want to apologize to all the Mom's out there as I completely over looked Mother's Day in last months newsletter. Please let me take this opportunity to wish you all a belated Happy Mother's Day and I hope you all had an amazing day with your families. Thank You Jim Zwilling

President's Report

Hi **Everyone**, It is June but has summer really started? I'm not seeing great summer weather forecast yet, with rain 4 out of the first 7 days of June and highs only in the 60's for 3 of the 7 days! First of all, a big thank you to Jim Stodolka and Randy Fischer for organizing a great Spring Tour! The weather was a little cool, but the sun was shining and we had over 50 people and about 25 cars come out to enjoy the day. We had a great tour route and once we got to Sauk Centre, we toured the Sauk Centre History Museum and the boy hood home of Sinclair Lewis and then had lunch at the famous Palmer House. No ghosts were sighted during lunch, but our club ghostbuster, Dan Arntson, was checking on getting a room there to come back and do a little ghost hunting. Look for some pictures of the tour group and the places we visited elsewhere in the Siftings. We are progressing with getting a new club website going and I'm happy to announce that Betty Schmitt has volunteered to help us with this task. On behalf of the club, I thank Betty for volunteering to do this and many of us are anxiously waiting to see what our new website will look like. And again, I thank Dave Dickson for all of his work with our website and as our club photographer for many years, his service to our club is greatly appreciated. I'm continuing to work on getting more awareness of the Pan car, it's history and our club out to the general public. I have an up-dated list of Pan car events in the Siftings that mostly are a firm schedule for this year. The main updates are the cancelling of the June 6th. date and locking in the last weekend of June for an event at the Pantown Brewery. Also, we have the Pan car scheduled for an annual appearance at Pioneer Days in Albany, with the possibility of it being in a building set-up to showcase vintage car dealerships. I will keep you all up-dated on the Pan events. Please remember we need help from other club members to work with the Pan at these events, since the car is the club's and these are club events, not just Pan committee events, so your help with this is appreciated. Thanks again to Duane Gilleland for hosting our May general meeting, to Christy Gilleland for help in organizing the meeting at Duane's facility and to Morris Keeling for preparing the facility. Roy Bernick has agreed to host our **June general meeting at his facility, but has asked we change the meeting date to June 23rd.** so please note this date change! Also as in the past, Roy will provide the meat and we should bring something to share, with the meal starting at 6:30. Please check out the separate meeting notice for the address elsewhere in the Siftings. Also, please be sure and thank Roy for his hospitality when you see him. **Enjoy the vehicles God has blessed us with and have fun in our hobby!**

Bob Halliday Your Club President

Vice Presidents Report

Hi Everyone. Spring is now here, and Summer is just around the corner. It is time to get those cars out and polished up for the car shows and cruises. Just a reminder that Warner Noble's funeral will be on Saturday June 11th. We will meet at Benson Funeral Home at 9:30am and proceed to North Star Cemetery at 10am. The route we will be going is down Roosevelt Rd to Traverse Rd and thru the main gate at North Star Cemetery. Slim Carlson will be driving the red pan car, with Warner to his final resting place. We will have a small service at the cemetery. I have called the St Cloud Times and they are going to send a reporter out to do an article about Warner Noble and the Pan Car. We hope that people will attend to pay their last respects to him. Back to the 50's Car Show is June 17th thru 19th. Hemmings Motor News "great race" from Warwick RI to Fargo ND is June 18th to the 26th. They will be making a stop in Brainerd, MN at the B.I.R. (Brainerd International Raceway) on June 25th at 11:45am. We had a great turnout for the Spring Tour to the Sinclair House and Museum. It was nice to see so many cars and members. There were about 25 cars and 50 members. Hope to see lots more throughout the summer at future cruises. Please look to the siftings for future car shows and parades.

Your Vice President Roger Holt

Car Show Chairman Report

Hello Everyone, Finally.....we are in car show season! Which reminds me, we have a lot to do in the next 3 months to our annual Car Show & Swap Meet. Time sure flies when you are having fun! ++ On Monday June 6th at 6 PM we will have a flyer folding meeting at Tim Carlson's shop followed by a car show chairpersons meeting at 7 PM. Anyone is invited to fold, label and stamp fliers at 6 (I just need to remember to have enough scotch tape). ++ Onto other car show items. I still have lots of flyers available to anyone that wants them for distribution. If anyone wants to help with the valve cover races, please see me or Steve Wendt. We also are looking for anyone who wants to donate, lend, or help with building valve cover race cars for the show. Jim Stodolka is looking for a member or two to watch over the Pan Cars in the Ice Arena during the show to answer questions, etc. ++ Car Show t-shirts and crewneck sweatshirts are on order. Unfortunately I was not able to have them at the May General Meeting. The printer I was working with couldn't follow through with screen printing as I had requested. I have been working with a second printer and will have them by Thursday June 9th (two weeks before our general meeting on June 23rd at Roy Bernick's). If you want yours before the general meeting, just give me a call. You can still order yours, see elsewhere in the Siftings for further details including cost. ++ If anybody is in need of a worker's shirt, please see me so that I can work out an order by July 1st. If anyone has a workers shirt in good condition they are not using, please bring them to the next general meeting to pass onto others. ++ Youth Award for 2022 is out on the streets (first time since 2019), applications due by July 25th. Pass the word. I also have copies of applications available at the next meeting. ++ Bob Halliday (with two "L"s) is continuing efforts with website upgrades. At our last board meeting, Betty Schmitt was invited to discuss options for the web page. Thanks Betty for your help in this effort. ++ Due to the rain we had on April 30th, our "Trash and Dash" event was held on May 7th. We had only 7 ditch cleaners which was less than half of what should have. I know that this year's delay due to rain got us to conflict with other car events out there, but if we can't get more helpers next year we may have to forego this effort altogether. ++ Thanks to Mark Ebnet for trailering the Pan Car to the Sauk Rapids Middle School car show event on May 20th, and to Doug Rask for getting it to run (gas will help). It was a great event that Beth Reimer put together and the kids had fun looking at the cars and asking questions. The next event for the Pan Car will be for Warner Noble's funeral procession on Saturday June 11th. ++ I still have can koozies from our 50th Birthday Party free for all members who didn't get one, and 50th Anniversary Window Stickers are for sale at \$1 each. ++ Remember...If you have a project you are working on, recently finished, or intend to do, please write an article along with photos to Jim Zwilling. Would love to see your story. That's all I have for now. **Thanks and remember to.....enjoy the ride**

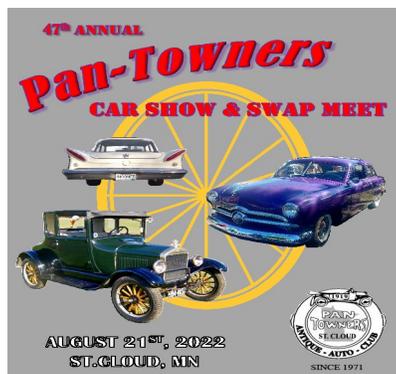

Dennis Arntson (aka) CSC "Car Show Chairperson"

WANTED 2023 CALENDAR CARS!

We still need cars for our 2023 calendar! Our vote was postponed from May until June because of the bad weather, so if you have a newly acquired ride or a recently finished project, please get a picture of it to Darlene before the June 23rd meeting. Our new rules allow owners cars to be eligible for consecutive years, there is no longer the one-year gap. Also, if you have a car that was in the calendar years ago, it may be considered eligible as a re-run, depending on how many first time cars are entered. Part of the fun in getting your car picked for the calendar is the club vote, so we need more participation! Thanks! Bob
