Letter Of Endorsement

This is to state Rev. Nung Khan Mang is the founder and senior Pastor of Grace International Church (AOG).

By faith he established this Church in 2008 and the Lord multiplied them into 11 home churches as well as increased the believers.

Now the church where they gather has no sufficient space and they are in need of financial support to expand the church building to the east side.

For this need I endorsed him for your generous financial support so that he will be able to expand the church from 200 seaters to 500 seaters.

We, the Assemblies of God of Myanmar will highly appreciate for your support of the missions in Myanmar.

Yours in His Vineyard

Rev. Dr. Suan Za Pau

General Secretary
