Key Change to Fundraising Administration

Prior Years:

All golfers were provided five golf discount cards (\$20 each) with a requirement to sell to support the golf program and return funds or unsold cards to booster. This has proven to be challenging administratively and not an equitable practice.

Change for 2026:

This year every golfer on varsity, JV, and the Club Team will purchase a “Player’s Pack” for \$100. With this payment, golfers will receive five \$20 Golf Coaches fundraising cards that that can be sold to recoup the \$100 cost.

Additional cards can be made available where proceeds from sale will be shared between the booster club and the golfers individual golf account. These will be provided with a signed agreement to track card counts.

Pack will also include: a fleece headband, an Irish ball marker, an Irish divot repair tool, an Irish tee shirt, and free use of any needed equipment.
