

Hello, I'm Dr. Elizabeth

I am a Pediatric Audiologist and Owner of Little Listeners, LLC. I have been an audiologist in Oklahoma for 10 years and am passionate about early identification and intervention for children with hearing loss. I graduated with a Bachelor of Science degree in Communication Sciences and Disorders from Texas Woman's University in 2009 and obtained my Doctorate in Audiology from the University of North Texas in 2014. My specialties include assessing and supporting children with complex medical needs. Little Listeners, LLC is committed to reducing barriers to quality hearing assessment, beginning with on-site services—let me come to you and your kiddos!
