

Chandra's Breast Cancer Models Inc. Presents: "**BEAUTIFUL 2026**" JUNE 13, 2026
Location: 100 Gems Plaza – 6737 N Teutonia Ave. Milwaukee, Wi 53210 12pm – 4pm

Celebrating Life, Survivorship and Strength

"**BEAUTIFUL~2026**" is a powerful fashion show featuring all cancer survivors as models. It is a celebration of life, strength, and the importance of early detection. This event also raises critical funds for the launch of Survivors House of Champions (S.H.O.C.), a transitional housing project supporting breast cancer patients facing homelessness or financial hardship.

Why Your Support Matters

As a breast cancer survivor, I know firsthand the life-saving impact of early screening. With your support, we aim to raise awareness about early detection and help expand access to testing for individuals without symptoms because early detection saves lives

We are seeking donations and in-kind support to bring this event to life and help launch a critical new initiative:

Survivors House of Champions (S.H.O.C.) a transitional housing program for women (and men) undergoing breast cancer treatment who are facing financial hardship and/or homelessness. This program will provide stability, hope, and healing for those navigating both cancer and life's toughest challenges.

There is no fundraising limit every dollar and donation makes a difference. We invite you to contribute through sponsorship, monetary gifts, or in-kind services. (i.e. you could volunteer to help at the event.) Together, we can create change, foster hope, and save lives.

Thanks for sharing this powerful and meaningful initiative.

Now, about our event!

Proceeds from this event will support:

- The launch of S.H.O.C., serving the homeless, uninsured or underinsured battling breast cancer.
- Chandra's Breast Cancer Models Inc., to continue our outreach, survivor support and promotional services.
