

Before the Iowa Public Information Board

In re the Matter of:

Tim Beck, Complainant

And Concerning:

Pleasant Valley School District, Respondent

Case Number: 22FC:0036

Order

This matter came before the Iowa Public Information Board (IPIB) on July 20, 2023, to review the Probable Cause Report and enter an Order based upon such review.

The Probable Cause Report recommends that the IPIB determine that probable cause does exist to believe that the Pleasant Valley School District violated Iowa Code Chapter 21 and 22. The Report also recommends that the IPIB dismiss the matter.

Upon review and consideration of the Probable Cause Report, the IPIB enters the following findings and order pursuant to Iowa Administrative Rule 497-2.2(4)(a-d):

- a. Redirect the matter for further investigation;
- b. Dismiss the matter for lack of probable cause to believe a violation has occurred;
- c. Make a determination that probable cause exists to believe a violation has occurred, but, as an exercise of administrative discretion, dismiss the matter; or
- d. Make a determination that probable cause exists to believe a violation has occurred, designate a prosecutor and direct the issuance of a statement of charges to initiate a contested case proceeding.”
