

Meet the Team

President & Founder: Hubert Tan

"Hi, I'm an upcoming 8th grader at Fallon Middle School. I am the founder and current president of the Community Virtual Workout Program. I'm a 3x trampoline and tumbling national champion and am currently a level 10 trampolinist. I'm also a level 9 gymnast with a 20+ hours training schedule. My favorite subject in school is math. Some of my hobbies are reading, making TikToks, playing video games, and spending time with friends and family. Another interesting fact about me is that I play tenor saxophone in my school Jazz Band. I'm also a huge Harry Potter fan. I'm a Slytherin. My favorite character is Bellatrix Lestrange because her psychopathic thoughts, actions, and personality is intriguing. I love the books because the idea of a magical world fascinates me and was so cool to explore throughout the series. I can't wait to share my energy and workout with you guys!"
