Re: **The Perrine-DuPont Settlement** - Final List of Property Remediation Claims  
Following Absolute Bar Date; Our File No. 4609-1 {DD-31}

Dear Judge Bedell:

I hope you are well.

The purpose of this Report is to update the Court on matters relating to the Absolute Bar Date Order respecting the submission of Property Claims, entered by this Court on November 24, 2015, a copy of which is in Exhibit 1, and related matters, as we finalize the list of Property Remediation Claimants. The Court will recall that the Absolute Bar Date Order set December 16, 2015, as the final date to accept late registration forms for the Property Clean-Up Program. The Order provides that any claims received after December 16, 2015, will be denied, with no right to appeal the decision.

Town Hall meetings were held on December 16, 2015, at the Spelter Fire Station, providing Claimants one final chance to enroll in the Property Clean-Up Program.

Prior to the Town Hall meetings, your Claims Administrator published a Legal Notice of the Town Hall Meetings and Final Bar Date in The Exponent Telegram, on December 3, 2015, December 9, 2015 and December 12, 2015. A copy of the Legal Notice is in Exhibit 2. In an additional attempt to notify Claimants of their final chance to enroll in the Property Clean-Up Program, your Claims Administrator, on December 10, 2015, mailed letters in the form of Exhibit

February 1, 2016

---

3 to all Claimants who had not enrolled in the Property Clean-Up Program and who were eligible to do so. Finally, in attempting to give all Property Claimants a final chance to participate in the Program, we have attempted to call all Claimants who previously decided not to have the remediation completed or who could have registered for the Program and did not.

The original period for filing a claim for property remediation lasted from July 11, 2011, through October 10, 2011. To encourage further participation in the Property Remediation Program, this sign-up period was formally extended by this Court through December 10, 2011, and the Spelter Claims Office continued accepting claims through January of 2012, and processed those claims as if they were timely filed.

On June 24, 2013, the Court entered an Order Barring Late Filed Property Remediation Claims Absent Showing of Extraordinary Circumstances, which is in Exhibit 4. Since that time, the Settlement has had a few late property claims filed, which were denied, and the Claimants appealed their denial to the Court. The Court has then allowed the late Claimants to be a part of the Property Clean-Up Program, with a policy of inclusion in the Program.

The Property Clean-Up Program is winding up. In order for Zones 1 and 2 to be complete, there remain two (2) Zone 1A late Court-admitted houses, three (3) late Court-admitted Zone 1B houses, and three (3) late Court-admitted Zone 2 houses. Zone 3 is still being worked on.

In addition, in carefully inventorying all non-opt-out and not excluded properties in the Class Area, to make sure they are all accounted for, we recently discovered that the property with parcel number 23-05\_2, owned by Darrell Wageman, was previously mistakenly classified as a Zone 1B property, only entitled to house remediation (which was completed). However, it is a Zone 1A property, also entitled to soil remediation.

We therefore recommend that Mr. Wageman be allowed to participate in the Soil Remediation Program, which is the heart of the Property Remediation Program, and his soil is now being tested.

At the December 16, 2015 Town Hall Meetings, 3 people appeared, and the Claims Office received 1 telephone call from a Claimant wishing to participate in the Property Clean-Up Program. The Claims Office also received 6 late registration forms. These 6 late Property Claimants and 4 timely responsive Town Hall Meeting Participating Claimants are listed below:

1. Estate of Willie R. Jacobs, House 7 Chestnut Street, Hepzibah
2. William Thompson, 132 Todds Lane
3. Brady Grogg, 5<sup>th</sup> Street, Spelter
4. Matthew and Cheryl Poling, 11-02\_25+26
5. Donald L. & Mary Miles, RR 2, Box 123A, Bridgeport

6. Jack & Lesa Plivelich, 198 Chestnut Street, Hepzibah
7. Paul & Cara Oliviero, 160 Cara Jo Ln, Clarksburg
8. Rhonda L. Blosser, 589 Lower Lamberts Run Road, Clarksburg
9. Susan Zirkle, 18-02\_147.1+148
10. Charles S. Ozales, 18-02\_253

These Property Claimants notified the Claims Office of their desire to participate in the Property Clean-Up Program on or before the December 16, 2015 Absolute Bar Date. As such, your Claims Administrator proposes that these Claimants be admitted to the Property Clean-Up Program by Order of this Court. However, your Claims Administrator requests that all future late Claimants be forever barred from participating in this Settlement and the Property Clean-Up Program.

Attached in Exhibit 5 is the final list of Eligible Property Remediation Program Claimants whose properties have been remediated or whose properties are to be remediated to complete the Property Clean-Up Program (including Mr. Wageman's Zone 1A soil property and the above ten late Claimants).

Your Claims Administrator respectfully presents this list to the Court for the Court's approval as being the entire list of Participating Property Claimants in the Property Clean-Up Program.

The attached proposed Order provides that, due to the Absolute Bar Date Order entered by this Court on November 24, 2015, the Claims Administrator mistakenly classifying Mr Wageman's property as Zone 1B and not Zone 1A, and based upon the response by Property Claimants either by mail, by telephone or in person at the Town Hall Meetings on December 16, 2016, Mr. Wageman's soil property is to be included and the 10 Property Claimants listed above are to be admitted, with all other late Property Claimants being forever barred from the Settlement. Furthermore, the Order provides that the list of Property Claimants in Exhibit 5 is the final and complete list of Eligible Property Claimants in the Settlement's Property Clean-Up Program.

The proposed Order was reviewed with the Finance Committee, and they have no objections.

Thank you for your consideration of this matter.

Yours very truly,

Edgar C. Gentle, III  
Claims Administrator

**ORDER ADMITTING ONE (1) ADDITIONAL ZONE 1A PROPERTY CLAIMANT AND  
TEN (10) LATE PROPERTY CLAIMANTS AND FOREVER BARRING ADDITIONAL  
LATE FILED PROPERTY REMEDIATION CLAIMS RECEIVED AFTER DECEMBER  
16, 2015 AND CLOSING THE LIST OF PARTICIPATING PROPERTY CLAIMANTS  
IN THE SETTLEMENT'S PROPERTY CLEAN-UP PROGRAM**

Presently before the Court is the Claims Administrator's February 1, 2016, Report requesting an Order admitting the soil property of Claimant, Mr. Darrell Wageman, who was incorrectly classified as a Zone 1B Claimant (house remediation only) when he is actually a Zone 1A Claimant (soil and house remediation), and admitting ten (10) Late Claimants and forever barring additional late filed Property Remediation Claims received after December 16, 2015, and establishing the final list of participating Property Claimants in the Settlement's Property Clean-Up Program, barring all others who have not filed a claim.

The Claims Administrator reports that the Court entered an Order Permanently Barring Late Filed Property Remediation Claims Received After December 16, 2015, and Establishing an Absolute Bar Date of December 16, 2015, Without Appeal Rights, on November 24, 2015. Since that time and prior to the Absolute Bar Date of December 16, 2015, the Claims Administrator inadvertently classified Mr. Wageman's property as Zone 1B when it is in Zone 1A, and has received

requests from Claimants regarding 10 properties to be admitted to the Property Clean-Up Program, namely: the Estate of Willie R. Jacobs; William Thompson; Brady Grogg; Matthew and Cheryl Poling; Donald L. Miles; Jack and Lesa Plivelich; Paul and Cara Oliverio; Rhonda L. Blosser; Susan Zirkle; and Charles S. Ozales.

The Claims Administrator also reports that a total of 1003 Claimants have been enrolled in the Property Clean-Up Program, as depicted in an Exhibit 5 to his Report. This list shows Mr. Wageman to be in Zone 1A and includes the aforementioned 10 late Claimants.

After a careful review of the Claims Administrator's Report, the Court hereby determines that any additional Property claims received by the Claims Office after December 16, 2015, shall be denied by the Claims Administrator, with there being no appeal therefrom. Furthermore, after a careful review of the Claims Administrator's Report and in consideration of the Court's desire to favor inclusion, the Court hereby determines that Mr. Darrell Wageman's property is classified as Zone 1A Property entitled to soil remediation if it is contaminated, as well as house remediation, which was already completed, and those 10 Claimants who submitted their claims late but prior to December 16, 2015, shall be and are hereby admitted to the Property Clean-Up Program, and includes those names listed in Exhibit 5 of the Claims Administrator's Report, namely: Darrell Wageman as a Zone 1A Claimant, the Estate of Willie R. Jacobs; William Thompson; Brady Grogg; Matthew and Cheryl Poling; Donald L. and Mary Miles; Jack and Lesa Plivelich; Paul and Cara Oliverio; Rhonda L. Blosser; Susan Zirkle; and Charles S. Ozales.

The Court finds that sufficient notice has been provided to the Property Claimant Class and sufficient time has passed since the filing of Property claims period began and expired for all interested Class Members to file a claim. Furthermore, the Claims Administrator has reported that Town Hall Meetings were held on December 16, 2015, allowing Property Claimants one final opportunity to enroll in the Property Clean-Up Program, with Notice of the Town Hall Meetings

being published in The Exponent Telegram and mailed to all Property Class Members who have filed claims, had their properties tested with the test results being positive but did not have them cleaned or otherwise qualified for the Property Clean-Up Program, but have not registered to participate.

ORDER PERMANENTLY BARRING LATE FILED PROPERTY REMEDIATION  
CLAIMS RECEIVED AFTER DECEMBER 16, 2015 AND ESTABLISHING AN  
ABSOLUTE BAR DATE OF DECEMBER 16, 2015, WITHOUT APPEAL RIGHTS

Presently before the Court is the Claims Administrator's November 20, 2015, Report requesting an Absolute Bar Date Order on any future late filed claims for Settlement Class Member Property Remediation received by the Claims Office after December 16, 2015. The Claims Administrator reports that the Court entered an Order Barring Late Filed Property Remediation Claims Absent the Showing of Extraordinary Circumstances on June 24, 2013. Since that time, the Claims Administrator has received some late property claims which were denied, and were then appealed successfully to this Court, with the Court favoring the inclusion of Property Claims in the Remediation Program. However, the Property Clean-Up Program is coming to an end, and the final list of Property Claimants must be determined in order to complete the Program.

After a careful review of the Claims Administrator's Report, the Court hereby determines that any Property claims received by the Claims Office after December 16, 2015, shall be denied by the Claims Administrator, with there being no appeal therefrom.

Sufficient notice has been provided to the Property Claimant Class and sufficient time has

passed since the claims filing period began and expired for all interested parties to file a claim. Furthermore, the Claims Administrator has reported that Town Hall Meetings will be held on December 16, 2015, allowing Claimants one final opportunity to enroll in the Property Clean-Up Program, with Notice of the Town Hall Meetings being mailed to all Property Class Members who have filed claims, had their properties tested with the test results being positive but did not have them cleaned or otherwise qualified for the Property Clean-Up Program, but have not registered to participate, and being published in "The Exponent Telegram."

IT IS SO ORDERED.

Dear Claimant:

I hope that you are well.

**WE UNDERSTAND THAT YOU ARE NOT ENROLLED FOR REMEDIATION OF YOUR ZONE 1, 2 OR 3 PROPERTY IN THE CLASS AREA. THIS IS YOUR LAST CHANCE TO ENROLL.**

We will have three Clean-up Town Hall Meetings for claimants who own property in the Class Area but have not enrolled to participate in the Settlement Remediation Program on Wednesday, December 16, 2015 at 10:00a.m., 2:00 p.m., & 5:00 p.m.

The meetings will be held in the Spelter Volunteer Fire Department meeting hall on Wednesday, December 16, 2015 at 10:00a.m., 2:00 p.m., & 5:00 p.m. All of the meetings will be the same. We are offering three meeting times to be more convenient for you. We hope that you can attend one of the meetings. Attendance is optional.

The primary reason for holding the meetings is to discuss remediation (cleaning) in the Class Area and to finalize the list of properties that will be cleaned in to complete the Remediation Program. We are actively remediating (cleaning) Class Area properties at this time. The remediation process is a valuable service for both improving property values and protecting your health.

If you do not sign-up for participation in the Remediation Program prior to or at the Town Hall Meetings, you will waive your right to have the property remediated in the Remediation Program at a future date and you will forever waive the rights and benefits conferred by the property clean-up portion of the settlement, as well as any other rights and benefits not named herein but also conferred by the settlement to participating property owners.

If you have any questions, feel free to stop by the Claims Office in the Spelter Fire Department, or call us at (304) 622-7443, and we will answer your questions.

Thank you for the opportunity to administer this Settlement.

Yours very truly,

ORDER BARRING LATE FILED PROPERTY REMEDIATION CLAIMS ABSENT  
SHOWING OF EXTRAORDINARY CIRCUMSTANCES

Presently before the Court is the Claims Administrator's request for a Bar Date Order on any future late filed claims for Settlement Class Member Property Remediation. The Claims Administrator reports that he has received and reviewed 1,158 claims for Class Member Property Remediation to date, but has not received any new claims in more than a year.

After a careful review of the Claims Administrator's report, the Court hereby determines that any claims filed after the date of entry of this Order, shall be denied by the Claims Administrator, absent a showing of extraordinary circumstances by the individual filing the claim.

Sufficient notice has been provided to the Class and sufficient time has passed since the claims filing period began and expired for any interested parties to file a claim.

IN THE CIRCUIT COURT OF HARRISON COUNTY, WEST VIRGINIA

LENORA PERRINE, et al.,

Plaintiffs,

v.

Case No. 04-C-296-2  
Judge Thomas A. Bedell

E. I. DUPONT DE NEMOURS &  
COMPANY, et al.,

Defendants.

**ORDER ADMITTING ONE (1) ADDITIONAL ZONE 1A PROPERTY CLAIMANT AND  
TEN (10) LATE PROPERTY CLAIMANTS AND FOREVER BARRING ADDITIONAL  
LATE FILED PROPERTY REMEDIATION CLAIMS RECEIVED AFTER DECEMBER  
16, 2015 AND CLOSING THE LIST OF PARTICIPATING PROPERTY CLAIMANTS  
IN THE SETTLEMENT'S PROPERTY CLEAN-UP PROGRAM**

Presently before the Court is the Claims Administrator's February 1, 2016, Report requesting an Order admitting the soil property of Claimant, Mr. Darrell Wageman, who was incorrectly classified as a Zone 1B Claimant (house remediation only) when he is actually a Zone 1A Claimant (soil and house remediation), and admitting ten (10) Late Claimants and forever barring additional late filed Property Remediation Claims received after December 16, 2015, and establishing the final list of participating Property Claimants in the Settlement's Property Clean-Up Program, barring all others who have not filed a claim.

The Claims Administrator reports that the Court entered an Order Permanently Barring Late Filed Property Remediation Claims Received After December 16, 2015, and Establishing an Absolute Bar Date of December 16, 2015, Without Appeal Rights, on November 24, 2015. Since that time and prior to the Absolute Bar Date of December 16, 2015, the Claims Administrator inadvertently classified Mr. Wageman's property as Zone 1B when it is in Zone 1A, and has received

requests from Claimants regarding 10 properties to be admitted to the Property Clean-Up Program, namely: the Estate of Willie R. Jacobs; William Thompson; Brady Grogg; Matthew and Cheryl Poling; Donald L. Miles; Jack and Lesa Plivelich; Paul and Cara Oliverio; Rhonda L. Blosser; Susan Zirkle; and Charles S. Ozales.

The Claims Administrator also reports that a total of 1003 Claimants have been enrolled in the Property Clean-Up Program, as depicted in an Exhibit 5 to his Report. This list shows Mr. Wageman to be in Zone 1A and includes the aforementioned 10 late Claimants.

After a careful review of the Claims Administrator's Report, the Court hereby determines that any additional Property claims received by the Claims Office after December 16, 2015, shall be denied by the Claims Administrator, with there being no appeal therefrom. Furthermore, after a careful review of the Claims Administrator's Report and in consideration of the Court's desire to favor inclusion, the Court hereby determines that Mr. Darrell Wageman's property is classified as Zone 1A Property entitled to soil remediation if it is contaminated, as well as house remediation, which was already completed, and those 10 Claimants who submitted their claims late but prior to December 16, 2015, shall be and are hereby admitted to the Property Clean-Up Program, and includes those names listed in Exhibit 5 of the Claims Administrator's Report, namely: Darrell Wageman as a Zone 1A Claimant, the Estate of Willie R. Jacobs; William Thompson; Brady Grogg; Matthew and Cheryl Poling; Donald L. and Mary Miles; Jack and Lesa Plivelich; Paul and Cara Oliverio; Rhonda L. Blosser; Susan Zirkle; and Charles S. Ozales.

The Court finds that sufficient notice has been provided to the Property Claimant Class and sufficient time has passed since the filing of Property claims period began and expired for all interested Class Members to file a claim. Furthermore, the Claims Administrator has reported that Town Hall Meetings were held on December 16, 2015, allowing Property Claimants one final opportunity to enroll in the Property Clean-Up Program, with Notice of the Town Hall Meetings

being published in The Exponent Telegram and mailed to all Property Class Members who have filed claims, had their properties tested with the test results being positive but did not have them cleaned or otherwise qualified for the Property Clean-Up Program, but have not registered to participate.

**IT IS SO ORDERED.**
