Re: Perrine, et al. v. DuPont, et al.; Civil Action No. 04-C-296-2 (Circuit Court of Harrison County, West Virginia) - Claims Administrator's Request for Court Approval of a Final Dividend Payment to The Perrine Medical Monitoring Program Verified Registrants; Our File No. 4609-1 {GG-15}

Dear Judge Bedell:

Please consider this letter and the enclosed Report to be a request for the issuance of a final dividend payment to the 5,890 Perrine Medical Monitoring Program Verified Registrants in the amount of \$55 per registrant, as the Perrine-DuPont Medical Monitoring Qualified Settlement Fund Pre-Implementation Date Funding currently has a surplus of approximately \$323,950 following the subtraction from the \$360,933.52 gross surplus amount of (i) the administrative costs of issuing the final dividend to the claimants; and (ii) a contingency reserve.

We have shared this Report and proposed Order with the Finance Committee and the Guardian Ad Litem for children, and we have taken into account their suggestions and concerns.

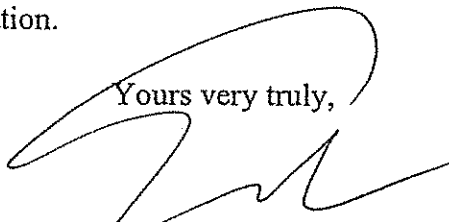

A proposed Order approving the final dividend payment is provided for the Court's convenience.

**CLAIMS ADMINISTRATOR'S JUNE 27, 2012 REPORT REQUESTING
COURT APPROVAL OF A FINAL DIVIDEND PAYMENT TO
THE PERRINE MEDICAL MONITORING PROGRAM
VERIFIED REGISTRANTS**

I. BACKGROUND

As the Court will recall, by Order dated February 10, 2011, the Court approved an initial cash payment of \$200 to the Perrine Medical Monitoring Class Members who registered and had their membership in the Class verified (the "Verified Registrants"), with the balance of the \$3 million total amount remaining after the completion of the Perrine Medical Monitoring Program registration process and pre-implementation date expenses, to be used for additional verified registrant cash payments, if any, and to be paid at the end of the Medical Monitoring registration period based upon the number of Verified Registrants. This cash payment level assured adequate reserves for up to 15,000 Verified Registrants.

As the second month of the Medical Monitoring registration period ended in April 2011, approximately 2,200 Medical Monitoring registration forms were received, indicating that the total number of Medical Monitoring Verified Registrants would be less than 6,600. Based upon this revised projection, the Court increased the Verified Registrant cash payment from \$200 to \$400 by Order dated April 28, 2011.

**II. FINAL COUNT OF VERIFIED REGISTRANTS
AND RECOMMENDED VERIFIED REGISTRANT FINAL DIVIDEND PAYMENT**

The final count of Verified Registrants is 5,890, with 4,169 Verified Registrants electing to participate in medical monitoring. We are providing to the Finance Committee and the Guardian Ad Litem for children a redacted list of all 5,890 Verified Registrants, using the same format and providing the same fields that we provided to them each time a batch of proposed Verified Registrants was submitted for review and possible approval. This list is subject to the restrictions under the Confidentiality Agreement approved by this Court on March 3, 2011. The list does not indicate which Verified Registrants agreed to medical monitoring, and which did not.

The Perrine-DuPont Medical Monitoring Qualified Settlement Fund Pre-Implementation Date Funding (the "Pre-Implementation Date Funding") gross balance as of May 31, 2012, after (i) taking into account future 2011 Audit and Tax Return Services fees and expenses; and (ii) subtracting an anticipated \$19,261.25 to be paid to CTIA, the Perrine Medical Monitoring Program Third Party Administrator, for a pending bill for Pre-Implementation Date services, equals \$360,933.52. We project that the administrative costs to issue dividend payments to all 5,890

Verified Registrants will be \$16,580 (consisting of \$11,780 in expenses for postage, copies, envelopes and check stock, and \$4,800 for services to prepare, copy and review the dividend checks, and to enter the same into the claimant payment database). We recommend a Verified Registrant dividend payment of \$55 per Verified Registrant, for dividends totaling \$323,950.00, which will leave a positive balance of the Pre-Implementation Date Funding of approximately \$20,403.52 as a contingency reserve for unforeseen expenses. Please refer to our dividend calculation, below:

May 31, 2012 Pre-Implementation Date Account Accrual Balance	=	\$ 360,933.52
Minus: Administrative Costs for Issuing Final Dividend Payments	=	<u><\$ 16,580.00></u>
Net Pre-Implementation Date Account Balance Available for Dividend Payments	=	\$ 344,353.52
Minus: Dividend Payments to 5,890 Verified Registrants @ \$55 per Dividend	=	<u><\$323,950.00></u>
Contingency Reserve for Unforeseen Expenses	=	<u>\$ 20,403.52</u>

III. CONCLUSION

Based upon the foregoing, the Claims Administrator requests authority from the Court to proceed with the issuance of a \$55 final dividend to the 5,890 Verified Registrants. Following the issuance of the dividend, we will submit a final report to the Court, requesting instructions on the disposition of any remaining Pre-Implementation Date Funding monies.

**ORDER APPROVING FINAL DIVIDEND PAYMENT
TO PERRINE MEDICAL MONITORING PROGRAM VERIFIED REGISTRANTS**

Presently before the Court is the Claim Administrator's June 27, 2012 Report requesting Court approval of a final dividend payment to the Perrine Medical Monitoring Program Verified Registrants in the amount of \$55 per Verified Registrant.

In the Report, the Claims Administrator has notified the Court that a total of 5,890 Medical Monitoring Class Members were Verified Registrants, with 4,169 selecting Medical Monitoring, and that the Perrine-DuPont Medical Monitoring Qualified Settlement Fund Pre-Implementation Date Funding (the "Pre-Implementation Date Funding") has a surplus of approximately \$323,950 as of May 31, 2012, following the subtraction from the \$360,933.52 gross surplus amount of (i) the administrative costs of issuing the final dividend payments; and (ii) a contingency reserve. The Claims Administrator has recommended to the Court that the surplus in the Pre-Implementation Date Funding be used to issue a \$55 final dividend to each of the Verified Registrants.

After a careful review of the June 27, 2012 Report of the Claims Administrator and the proposed issuance of a final dividend payment to each of the Verified Registrants, and a consideration of the applicable law, the Court hereby authorizes, empowers and directs the Claims Administrator (i) to issue a \$55 final dividend payment to each of the 5,890 Medical Monitoring Verified Registrants from the Pre-Implementation Date Funding, and (ii) to invoice the Pre-Implementation Date Funding for his administrative services in issuing the final dividend payments. Following the issuance of the dividend, the Claims Administrator shall submit a final Report to the Court, requesting instructions on the disposition of any remaining Pre-Implementation Date Funding monies.

Lastly, pursuant to Rule 54(b) of the West Virginia Rules of Civil Procedure, the Court directs entry of this Order as a Final Order as to the claims and issues above upon an express determination that there is no just reason for delay and upon an express direction for the entry of judgment.

IT IS SO ORDERED.

The Clerk of this Court shall provide certified copies of this order to the following:
