Circuit Judge

**ORDER FOR THE DISTRIBUTION OF THE
FINAL THIRD REMEDIATION SURPLUS**

Presently pending before the Court is the Settlement Administrator's Report proposing the issuance of a Property Remediation Program Final Third Dividend to Property Class Members, submitted to the Court and the Finance Committee on June 13, 2018, with no objections being received.

After a careful review of the Settlement Administrator's Report concerning the issuance of a Property Remediation Program Final Third Dividend, and in consideration of the applicable law, the Court **ORDERS** that the same is hereby **APPROVED**.

The Court hereby **ORDERS** that:

1. The Court has the jurisdiction and discretion to determine the usage of the remaining Property Remediation surplus funds, which total approximately \$187,000.
2. The Court Orders, Directs, and Decrees that the remaining Property Remediation

surplus funds shall be distributed to Property Class Members under the same Rules previously set by the Court for the last remediation surplus dividend payment, including those established by the "Final Order Determining the Final Surplus Payment Program Calculations" entered on November 28, 2016. The Claims Administrator shall calculate and pay out the remaining Remediation surplus funds to the same claimants identified and approved by the Court for the previous dividend payments, and the Claims Administrator shall use the same rules as for the last dividend payments to determine and distribute the share payments.

Pursuant to Rule 54(b) of the West Virginia Rules of Civil Procedure, the Court directs entry of this Order as a Final Order as to the disposition of the Remediation surplus funds and makes the express determination that there is no just reason for delay and expressly directs the entry of judgment on that issue.

The Clerk of this Court shall provide certified copies of this Order to the following:
