The Clackamas Football Program is guided by a team of dedicated coaches and parent volunteers, including the non-profit booster, the Clackamas Touchdown Club. We are an established team with a history of success. We encourage our players to work hard on the field, in the classroom, and in their community.

The majority of our annual budget is from donations received from generous individual community members and businesses, like yourself. Last year, your donations helped provide new helmets, varsity jerseys, coaches stipends and feed the team.

This season, TDC would like to make much needed updates to the Clackamas football stadium, including seating and signage. In addition, the coaches have requested new practice equipment, some of which has not been replaced in over 15 years.

We hope you'll consider partnering with us to make our beloved Clackamas football community thrive in the 2025 season.

Thank your for your consideration, support, and GO CAVS!
