The town of Isigny, with its port, became the hub of this trade. The most discerning gourmets soon set out in search of the very best butter, and it was in Normandy, in the heart of our Isigny terroir, that they found it. As early as the 16th century, an edict praised the “buttercup” colour of our Isigny Butter.

## DAIRY PRODUCT FROM FRANCE

President is an International brand sold in more than **150 countries**, the **number 1 cheese brand in Europe**, Président is a leader in France in cheese and butter, with a presence in 85% of French households.

# DAIRY PRODUCT FROM AUSTRALIA

Australian producer of high quality, authentic Italian-style fresh and matured cheese. Cheeses is made with milk sourced from the Gippsland region, where the climate produces lush green grasses. Hence, it's ideal for the jersey cows to feed on, allowing to produce highest quality milk in the world, and Alba to produce the best quality cheese on the market.

Category : Cheeses
