Happy 2021! The LSHS Athletic Booster Board is very proud of our winter Tiger athletes and coaches for great seasons during these challenging times. They represented us well at local and state competitions. We are looking forward to see our spring athletes to also compete, form great friendships and learn life lessons. We are also looking forward to our first golf tournament this summer.

If you haven't already done so, please join the booster club. It costs \$20 per year and it is one of the eligible criteria for the annual \$1,000 Booster Club Scholarships. The majority of our income is from concessions, which we have not been able to operate because of COVID, therefore we hope to increase memberships to support our athletes. Parents wanting to be Booster Club members must go to this page <https://lshsboosterclub.com/membership> to fill out the online forms and make payment.

Seniors Athletes – don't forget to apply for the Booster Club Scholarship. Applications will be posted on our website and are due April 9<sup>th</sup>.
